SUMMER FOOD SERVICE PROGRAM SPONSOR APPEAL PROCEDURES

7 C.F.R. § 225.13 governs appeals in the Summer Food Service Program and the maximum time limit for processing appeals is nineteen (19) calendar days for the Summer Food Service Program as follows:

1. The Department shall notify the appellant (Sponsor) in writing of the grounds upon which the Department has based the action. The Department's notice of action shall be sent by certified mail, return receipt requested, and shall also state that the sponsor or food service management company has the right to appeal the Department's action.
2. Appealable actions are outlined in 7 C.F.R. § 225.13(a) and are: A denial of an application for participation; a denial of a sponsor's request for an advance payment; a denial of a sponsor's claim for reimbursement (except for late submission under 7 CFR § 225.9(d)(6)); the Department's refusal to forward to FNS an exception request by the sponsor for payment of a late claim or a request for an upward adjustment to a claim, a claim against a sponsor for remittance of a payment, the termination of the sponsor or a site, a denial of a sponsor's application for a site, a denial of a food service management company's application for a site; of a food service management company's registration, if applicable.
3. The time period allowed for filing the appeal where actions are appealable as specified in 7 C.F.R. § 225.13(a) is ten (10) calendar days from the date on which the notice of action sent by certified mail return receipt requested is received.
4. The appeal must be in writing and must conform to the requirements outlined in 7 C.F.R. § 225.13(b) (4), which are set forth in number (6) below.
5. The address to file an appeal is as follows:

6. The appellant is allowed to refute the charges in the notice of action in person, or by filing written documentation with the review official. If the appeal letter does not specifically request a hearing, a review of written documentation in lieu of a hearing will occur. To be considered, written documentation must be submitted by the appellant within seven (7) calendar days of submitting the appeal. An appellant is allowed the

opportunity to review information upon which the action described in the notice of action was based.

7. If the appellant requested a hearing in the appeal letter, the appellant shall be given at least five (5) calendar days advance written notice by certified mail, return receipt requested, of the date, time, and place of hearing.
8. If the appellant requested a hearing in the appeal letter, the hearing will be conducted within fourteen (14) calendar days of the receipt of the appeal. However, the hearing will not be held before the appellant's written documentation is received where the appellant has requested to submit the written documentation. The appellant may retain legal counsel or may be represented by another person. If the appellant institution or sponsoring agency is a corporation, partnership or other legally created entity, then the sponsoring institution or agency must be represented by an attorney. Otherwise, the individual representing the agency will have limited participation in the hearing. If the appellant institution or sponsoring agency is a natural person (not a corporation, partnership or other artificial entity), he/she may retain an attorney, represent themselves or be represented by another person. Failure of the appellant's representative to appear at a scheduled hearing shall constitute the appellant's waiver of the right to a personal appearance before the review official, unless the review official agrees to reschedule the hearing. A representative of the State agency shall be allowed to attend the hearing to respond to the appellant's testimony and written information and to answer questions from the review official. The review officer shall be independent of the original decision-making process.
9. Within five (5) working days after receiving the written documentation, and where a hearing was not requested in the appeal letter, the administrative review official, based on a full review of the administrative record, will inform the appellant, by certified mail, return receipt requested, of the official's determination.
10. Within five (5) working days after the hearing has been held, when a hearing was requested in the appeal letter, the hearing official, based on a full review of the administrative record, will inform the appellant, by certified mail, return receipt requested, of the official's determination.
11. 7 CFR. § 225.13(11) requires the Program's administrative action to remain in effect during the appeal process.
12. Participating sponsors and sites may continue to operate during an appeal of a termination.
13. Reimbursement shall be paid for meals served during the appeal process if the administrative review determination overturns the Program's administrative action that was appealed.

14. If the sponsor or site has been terminated for the reason of imminent dangers to the health or welfare of children, the operation shall not be allowed to continue during the appeal process and this reason shall be specified in the notice of action.
15. The review official will make a determination based on information provided by the State agency and the appellant, and on Program regulations.
16. The determination made by the hearing official is the final administrative determination provided under 7 225.13(12), and will become the Final Order and set forth the time limits for seeking judicial review.
