Tennessee Department of Human Services
External Data Request

The Department of Human Services receives some requests for information/statistics where the information is not already a matter of public record or where the release of such information is not already mandated by state law. Information about the Department itself and common descriptive information and statistics about the people we serve are already publicly available on the Department’s website and in the annual reports. If you have already accessed these public records and need additional information/statistics, please provide the following information and attach documents as applicable. Please send your request to:
