THRC ANNUAL REPORT 2016-2017
On September 30, 1963, Governor Frank G. Clement signed Executive Order 18 creating the Tennessee Human Relations Commission. The Commission’s original purpose was to advise the public on their rights, researching and making reports on human relations and reporting these findings to the Governor. The Commission accomplished this by working closely with other governmental agencies with similar responsibilities. In 1967, legislation was passed creating the Tennessee Commission on Human Development, which absorbed the duties of the previous Commission, adopted rules and regulations to govern its proceedings and added a prohibition against sex discrimination.

In 1978, the Tennessee Human Rights Act (THRA) became law transforming the Commission from an advisory agency to an enforcement agency. Former Commissioner Jocelyn Wurzburg of Memphis, Tennessee was the author of this legislation; her leadership was critical to its passage. In 1979 and 1980, the law was amended to include disability and age as protected classes. In 1983, the Commission officially became the Tennessee Human Rights Commission (THRC). In 1984, the law was amended to prohibit discrimination in housing. In 1990, the expansion was extended to include familial status and disability as protected classes. Today, the THRA prohibits discrimination based on race, color, creed, religion, sex, national origin, age (employment only), disability and familial status (housing only). In 2009, the THRA was expanded and THRC was given the authority to verify that state governmental entities comply with requirements of Title VI of the Civil Rights Act of 1964 (Title VI). Title VI prohibits recipients of federal financial assistance from discriminating on the basis of race, color or national origin.

In 2014, legislation was passed that amended the THRA (T.C.A. §4-21-201) by reducing the Commission’s board from 15 members to 9.
THRC has maintained collaborative partnerships with the federal government for more than 30 years. In 1979, the Commission partnered with the U.S. Equal Employment Opportunity Commission (EEOC) through an employer monitoring grant, now expanded into a WorkSharing agreement. In 1985, the THRC began its partnership with the U.S. Department of Housing and Urban Development (HUD) as a substantially equivalent agency. These relationships allow the Commission to investigate complaints involving alleged violations of Title VII of the Civil Rights Acts of 1964, the Age Discrimination in Employment Act of 1967, the Americans with Disabilities Act of 1990, the Americans with Disabilities Act Amendments Act of 2008 and Title VIII of the Civil Rights Act of 1968 (Fair Housing Act).

The mission of the THRC is to safeguard individuals from discrimination through education and enforcement. The Commission executes its mission through a nine-member Board of Commissioners and staff of 29 in four offices (Nashville, Memphis, Chattanooga and Knoxville). Through ‘Rule 31’ trained mediators, the Commission has operated a successful Mediation Program since its reactivation in 2008. The THRA and Tennessee Disability Act (TDA) are enforced through receiving, mediating, investigating, conciliating and when necessary, litigating allegations of discrimination. The Commission also coordinates the state of Tennessee’s compliance with Title VI of the Civil Rights Act of 1964. The Commission uses a variety of public meetings, outreach events and resources to educate about rights and responsibilities under the THRA and the TDA.
• The Customer Service Division is the initial point of contact for the THRC. The Division processed 8,032 calls from the public, sent out 2,536 complaint forms and responded to 66 copy requests.

• A total of 27 mediations were conducted of which 17 were successful agreements, 15 fulfilled terms which resulted in $50,750 awarded as monetary benefits to complainants. The mediation program experienced a resolution rate of 63% in all mediation attempts.

• The Employment Division received 639 inquiries, of which 332 complaints were accepted. The division closed 266 complaints with 25 complaints closed through settlement resulting in $150,862 in monetary benefits to the complainant.

• The Housing Division received 520 inquiries, of which 107 were accepted. The division closed 117 complaints with 46 complaints closed through conciliations resulting in $63,322 in monetary benefits to the complainant.

• The Legal Division reviewed and recommended for closure 211 complaints, and conducted 12 Reconsiderations for Housing and Employment cases combined. The Division found reasonable cause in 10 complaints; 6 in Employment and 4 in Housing. The agency was able to resolve 7 complaints, which includes complaints with previous causes finding being issued.

• $264,934 in monetary benefits was awarded to Complainants for all conciliations, mediations, and settlements. Non-monetary benefits, including not contesting unemployment benefits, reinstatement, training, neutral reference letters, reasonable accommodations, structural modifications, removal of eviction records, fair housing training, third party monitoring, policy revision, and housing opportunities were also awarded.

• The Title VI Compliance Program reviewed 41 state agencies implementation plans and completed five compliance reviews. The division received 382 inquiries and accepted 104 complaints of which 63 were closed. The division trained more than 300 individuals in Title VI Compliance and responded to 79 requests for technical assistance.

• The Communications Division successfully connected with more than 35,000 individuals through participation in more than 142 education and outreach events and activities.

• Through both traditional and social media, the Commission is reported to have reached more than 700,000 individuals.

• The Annual Employment Law Seminar experienced another record breaking year for attendance of 186, featuring highly praised keynote speaker Charles Grant of Baker, Donelson, Bearman, Caldwell & Berkowitz.
Through the Commission’s Customer Service & Intake Divisions, individuals can obtain assistance with filing a discrimination complaint. The Customer Service Division serves as the initial point of contact for the Tennessee Human Rights Commission. Staff provides information regarding how to file a complaint, sends out complaint forms to interested parties, and makes referrals to other agencies, as necessary.

The Commission has operated a successful Mediation Program since its reactivation in 2008. The purpose of mediation is to facilitate an atmosphere for both parties to discuss their perspectives on the conflict and work toward a possible resolution of the dispute. Mediation is provided at no cost to either party and is done in a secure and controlled environment. Mediation is an alternative to undergoing a full investigation or litigation. Complainants and Respondents must agree to attempt mediation. If the parties agree to acceptable terms the case is closed. However, if an agreement is not reached, the case is then re-entered into the investigation process.

For five of the past seven years, staff has met or exceeded the agreement standard. Staff vacancies have had an impact on case processing and has significantly impacted the age of open inventory. This year with 5 positions, staff had the second highest number of complaint closures with 117 complaints closed with 37 or 34% being closed within 100 days or less. The chart below reflects the Division’s days of investigation.

### Training

The annual training for state Title VI Coordinators was held on July 26, 2016. Information presented during this session included an overview of the fundamentals of Title VI compliance for new coordinators, an explanation of the Implementation Plan guidelines for FY2016-2017, and guidance on best practices for complying with agencies’ responsibilities with respect to subrecipient monitoring. At a briefing prior to the training the Executive Director gave a short presentation to other agency heads, discussing the overall Title VI compliance status across Tennessee State agencies.

On April 21, 2016, the Title VI Compliance Director presented at a regular training session of civil rights officers of the Tennessee Board of Regents institutions. The Title VI Compliance Director gave a presentation and answered questions on the obligations of recipients of federal financial assistance in relation to subrecipients, LEP considerations unique to higher education settings, and best practices for preparing for a Title VI audit.
COMPLIANCE REVIEWS

The Commission’s Title VI Compliance Division periodically reviews all state agencies to ensure compliance with Title VI. During FY 2016-2017, the Division completed reviews of six agencies.

FY 2016-2017 TENNESSEE ARTS COMMISSION COMPLIANCE REVIEW

The Tennessee Arts Commission was reviewed from July-December 2016. The Compliance Division identified one finding, in the area of Title VI Training. Per a corrective action plan issued by the THRC, the Commission made adjustments to its training program to correct the deficiencies.

The Title VI Compliance Program determined that TAC is now in full compliance. More detailed findings and outcomes from the review can be made available on request.
A major component of the Title VI Compliance Program involves implementation plan review. In FY 2016-2017, the Commission received and reviewed 42 implementation plans from departments statewide. One agency was not required to submit a plan as it did not receive FFA for the reporting period.

The review analyzed multiple areas of compliance, including Limited English Proficiency (LEP) policies and procedures, data collection, the monitoring of subrecipients, and whether departments train staff on Title VI. Implementation plans were forwarded back to the departments for revision after an initial review and comment phase. Upon completion of the implementation plan review process, the Commission issued a “Notice of Final Findings” to the departments.

This fiscal year 41 of the 42 departments’ implementation plans were received and finalized before the October 1, 2016 deadline. One implementation plan was received one day late, and is untimely. All of the implementation plans were reviewed and revised to be in total compliance by February 7, 2017.

One important role of the Title VI Division is to provide technical assistance to state departments and agencies on Title VI compliance. The Title VI staff responded to 79 requests for technical assistance from state departments and agencies on Title VI compliance. Topics of concern included complaint investigation, complaint and compliance reporting, Limited English Proficiency, and training requirements, both for agency staff and subrecipients. Typically these requests are resolved within twenty four hours.
The Legal Division serves as in-house counsel to the Commission and its primary role is to work with the other divisions of the agency at the various stages of the investigative process to ensure that the case investigations are legally sufficient. When the Commission has found discrimination has occurred, Legal will facilitate conciliation and/or litigate before an Administrative Law judge. Additionally, Legal staff provides guidance and training to staff and Commissioners, conducts internal policy reviews, monitors legislation and court cases that impact the Commission, drafts rules to comply with legislative changes, ensures compliance of conciliation agreements, and conducts educational presentations for stakeholders.

**FY 2016-2017 LEGAL DIVISION STATS**

**HOUSING**
- 79 cases closed
- 2 reconsiderations processed
- 6 cause findings
- 5 cause conciliations

**EMPLOYMENT**
- 211 cases closed
- 10 reconsiderations processed
- 4 cause findings
- 2 cause conciliations
CAUSE CASES

When the Commission issues a finding of reasonable cause to believe discrimination occurred in a case, the statute requires an offer of conciliation be made. If parties decline or impasse, the case proceeds to an administrative hearing. Not all cases are resolved (whether by conciliation or by hearing) within the same fiscal year as a reasonable cause finding is issued. For this fiscal year, we resolved 2 cause cases as noted below.

01 HOUSING: DISABILITY AND EVICTION

Complainant is a person with a disability who made several reasonable accommodation requests. The evidence showed that Respondent failed to respond to 2 of his requests, by telling him that they would get back to him but never did. They also served him with an eviction notice without addressing his 2 accommodation requests. Complainant failed to cooperate in multiple attempts to conciliate the complainant. The case was resolved through conciliation with THRC and Respondent; Training to all employees who make housing decisions and $750 to THRC for use in Education and Outreach.

02 HOUSING: DISABILITY AND FAILURE TO ACCOMMODATE

This case involved a failure to grant an accommodation for two emotional support animals which served different purposes. One animal was a dog, the other a snake. THRC received $2,000 for Education and Outreach; Respondent’s staff will attend fair housing training, and Complainant will be allowed to continue to be a tenant with both of her support animals and follow guidelines regarding the snake in certain circumstances and .THRC received $2,000 for use in Education and Outreach;

LEGISLATION

The Legal Department monitors state and federal legislation. The 110th General Assembly of the State of Tennessee convened on January 10, 2017, and adjourned on May 10, 2017. The Commission monitored numerous bills that were introduced which could potentially affect the statutes that we enforce: the Tennessee Human Rights Act (THRA) and the Tennessee Disability Act (TDA). Below is a summary. Most notably, the Tennessee Human Rights Commission was extended to June 30, 2021; however, on June 15, the Sunset Date was changed to June 30, 2020 by motion in the Government Operations Joint Subcommittee on Education, Health, and General Welfare.

HOUSE BILL 0241/SENATE BILL 0077 (PASSED)
