TN * TOGETHER | 2022-23 Student Survey

THE SURVEY

Thank you for agreeing to participate in this survey. The survey asks questions about your life experiences, your attitudes, and the attitudes of your parents and close friends.

INSTRUCTIONS

- Your answers to the questions are anonymous and private. That means no one will know how you answered. Do not write your name on the survey.
- For the study to be helpful, it is important that you answer each question honestly and truthfully.
- This survey is completely voluntary, which means that you may choose to not fill out the questionnaire or any part of it. If you prefer not to answer a question, or if you don't know the answer, just leave it blank.
- This is not a test, so there are no right or wrong answers. We would like you to work quickly, so that you can finish.
- All of the questions should be answered by marking one of the response choices. If you do not find an answer that fits
 exactly, use the one that comes closest. Unless instructed on the questionnaire, do not mark more than one response for
 any item.
- Please answer by filling the circle of your choice.

When you finish, please place your survey in the envelope provided.
