

THE GAMBLING CLINIC[®]

thegamblingclinic.com

WHO WE HELP

- Individuals experiencing problems caused by their gambling
- Loved ones concerned about a person who gambles
- Health care providers with questions about resources and referrals

OUR MISSION

Provide an accessible, engaging evidence-based system of care to reduce the risk of gambling-related harms for all Tennesseans.

HOW WE HELP

We offer one-on-one outpatient sessions. Appointments can be in-person or tele-health. We have helped individuals gain control over their gambling for over 20 years.

If you'd like to learn more or schedule your first appointment, please contact us.
