*Region 5 welcomes applications for council membership, especially from consumers or family members of consumers. Due to open meeting laws and record-keeping requirements, council membership is required to vote on council matters, such as minutes, needs assessments, or leadership elections. Each one of you here today can provide this council with valuable perspectives on mental health and substance use issues important to this region and we'd love to have you as a member of this council. Anyone interested in becoming a member of Region 5 or have questions or concerns about the process of becoming a member can contact, Stephanie Hale, Region 5 Secretary, at shale@mhc-tn.org
