 - If your school charges by quarter hour or clock hour, GAE will automatically convert them into semester hours on the FTA request.
 - If your school's courses are not listed in GAE (i.e. you have to physically enter your courses into each FTA request), you must upload the following documentation into your GAE "Education Record" eFile:
 - Cost Verification Statement: individualized document such as a billing statement/invoice specific that breaks out the cost of tuition and fees separately.
 - Class Schedule: individualized document that shows all courses to include class name, start date, end date, course number, and number of credit hours.
 - All of these documents **MUST** have your name and the name of the school on them, and cannot be in an editable format.
 - After you complete six semester hours of FTA-funded coursework, you must provide an individualized degree plan/student agreement to GAE.
 - This document should list the courses required for completion of your degree, as well as the existing credits already applied toward your degree.
 - New FTA users and anyone who changes their degree plan are required to complete VIA (VIA is a planning tool in GAE designed to help Soldiers identify their 'best fit' school).
