Mission:

The J9 directorate is The Adjutant General's center of gravity to enhance our Tennessee National Guard service members and their families by focusing on holistic pathways to health and readiness through all stages in life. A program dedicated to providing guidance and support to implement enduring solutions that will reduce high risk stress, eliminate stigma and promote resiliency within our Tennessee National Guard family.

Airmen & Family Readiness Program

Manager provides guidance, assistance and day-to-day support and continuity for the Wing Commander's Family Readiness Program, operations and initiatives.

Yellow Ribbon Reintegration Program

The National Guard Yellow Ribbon Reintegration Program ensures that service members and their families receive information on the services available to them through-out the deployment cycle.

These events offer resources, information and points of contact for organizations within the community to help service members as they reconnect with their families, employers and communities.

Child & Youth Programs

The Tennessee Child & Youth Program provides youth development through local camps and activities for geographically dispersed youth of the TN Army & Air National Guard, as well as programs in schools and Yellow Ribbon Reintegration events to promote resilience. Also oversees the Tennessee National Guard Youth Action Council, a high school advocacy group for military families.

Transition Assistance Advisor (TAA)

TAA Provides support for returning veterans to assist with benefits, education and any other issues they may encounter when returning from deployment.

Chaplain Services

The Chaplain provides spiritual guidance, pastoral counseling and family life enrichment support to service members and families through events and programs such as Strong Bonds and Partners in Care.

Survivor Outreach Services

Personal Financial Counseling (PFC)

The Personal Financial Program is a statewide, free service staffing trained personnel to assist service members and families with financial issues, debt management, investment education, retirement and estate planning. The PFCs are available for unit level briefings, group classes and one-on-one counseling.

The Resilience, Risk Reduction, & Suicide Prevention Program (R3SP) is managed by the Resilience & Risk Reduction Coordinator and incorporates the offices of the State Alcohol and Drug Control Officer (ADCOC). The R3SP Program promotes Soldier readiness by access to training in Resilience Skills and Suicide Awareness and Prevention Skills, 2) ensuring Soldiers remain updated on Substance Abuse Prevention policies and strategies and have access to assistance through regional Prevention Coordinators (PCs); and 3) conducting Unit Risk Inventories. This proactive approach to education, training, and risk mitigation ensures the force maintains an "Always Ready" posture.
