- e. Further delegate to installation/activity commanders, as appropriate, the authority to approve trophies and similar devices to be awarded within their command or agency.

## Section III Principles and Standards

### 1-8. Principles of support

The Military Personnel System will direct a function to—

- a. Enable award authorities to recognize Soldiers for valor, meritorious service, and achievement; and to document and record that recognition for historical purposes.
- b. Recognize members of other military departments, foreign allies, and U.S. civil servants for their meritorious contributions to the Army's success in mission accomplishment.

- c. Recognize veterans and the primary next of kin of Soldiers.
- d. Support the Army's personnel life-cycle function of sustainment.

#### **1-9. Standards of service**

- a. Awards and decorations are—
  - (1) A wartime and peacetime military personnel function.
  - (2) Defined in the tables of organization and equipment (TOE) (for example, the G1/AG) for the tactical force.
  - (3) Deployed with the tactical force.
  - (4) The functional responsibility of the Personnel Operations Work Center (and its tactical counterpart).
- b. Recommended decorations will be expeditiously processed, and recorded in military orders and certificates by the final approving authority within 60 days.
- c. Typed recommendations will be the norm during peacetime. Handwritten printed recommendations are acceptable during wartime conditions.
- d. A final record of each recommendation and the resulting decision will be maintained for historical purposes.
- e. Recipients of awards should receive at presentation, award emblems and the elements (medal, certificate, and orders) before leaving an assignment or transition from active duty.
- f. Award authorities may use Award and Decoration Boards to advise them on appropriate levels of recognition. Use of these boards is optional.

### **Section IV**

#### **Manpower**

#### **1-10. Manpower resources**

Manpower Staffing Standards System recognizes the awards function as being the functional responsibility of the Awards Work Center of the Personnel Service Company (PSC). Manpower officials will use the workload factors (obtained from Manpower Staffing Standards System) to determine the manpower authorizations.

#### **1-11. Levels of work**

- a. Most personnel work in the field is performed at three primary levels: unit, battalion, and installation (or some equivalent in the tactical force). The focus of the guidance in this regulation is on those levels.
  - (1) Unit- and battalion-level work is straightforward as to where it is performed.
  - (2) Installation-level work is subdivided into work centers. This regulation identifies the work center required to perform the work for manpower purposes.
- b. This regulation will typically address the following levels of work:
  - (1) *Soldiers*. This level of work begins with a Soldier.
  - (2) *Unit*. This level of work is executed at unit level.
  - (3) *Battalion*. This level of work is executed at battalion level.
  - (4) *Command and Staff*. This level of work is executed in the chain of command (other than battalion). The specific Command and Staff (C&S) work center covered by this regulation is Personnel Plans and Actions (PPA).
  - (5) *Personnel support*. This level of work is executed in a personnel support organization. The specific personnel support work centers covered by this regulation are Officer Records (ORs), Enlisted and Flagged Records, and Personnel Actions Branch.

### **Section V**

#### **Policy, Precedence, and Information**

#### **1-12. Objective and implementation**

- a. The objective of the Department of the Army Military Awards Program is to provide tangible recognition for acts of valor, exceptional service or achievement, special skills or qualifications, and acts of heroism not involving actual combat.
- b. Implementation of the provisions of this regulation is a command responsibility. Administrative procedures will ensure the prompt recognition of deserving Soldiers.

#### **1-13. Categories of individual awards**

Individual awards are grouped into the following categories: Decorations, Good Conduct Medal, campaign and service medals, service ribbons, badges and tabs, and certificates and letters.

#### **1-14. Time limitation**

- a. Except for the provisions of Section 1130, Title 10, United States Code (10 USC 1130), outlined below and

paragraph 1–15 (Lost recommendations), each recommendation for an award of a military decoration must be entered administratively into military channels within 2 years of the act, achievement, or service to be honored. Submission into military channels is defined as “signed by the initiating official and endorsed by a higher official in the chain of command.” However, pursuant to 10 USC 1130, a Member of Congress can request consideration of a proposal for the award or presentation of decoration (or the upgrading of a decoration), either for an individual or unit, that is not otherwise authorized to be presented or awarded due to limitations established by law or policy. Based upon such review, the Secretary of the Army will make a determination as to the merits of approving the award or presentation of the decoration and other determinations necessary to comply with congressional reporting under 10 USC 1130.

*b.* To be fully effective, an award must be timely. Undue delay in submitting a recommendation may preclude its consideration. It is highly desirable that a recommendation be placed in military channels and acted upon as quickly as possible. If circumstances preclude submission of a completely documented recommendation, it is best to submit it as soon as possible and note that additional data will be submitted later. However, to ensure prompt recognition, interim awards should be considered and are encouraged as indicated in paragraph 1–20.

*c.* No military decoration, except the Purple Heart, will be awarded more than 3 years after the act or period of service to be honored. The Purple Heart differs from all other decorations in that an individual is not “recommended” for the decoration; rather he or she is entitled to it upon meeting specific criteria. Exceptions to the time limit include decorations approved under 10 USC 1130 and the provisions in subparagraphs *d* and *e* below.

*d.* These time limitations do not apply to retroactive and conversion awards made in confirmation of recognition of previously issued orders, letters, or certificates or in exchange of decorations hereinafter authorized.

*e.* In cases where it can be conclusively proven that formal submission of a recommendation for award was not made within the time limitations indicated in *c* above, because either the person recommending or the person being recommended was in a prisoner of war (POW), missing in action (MIA) or in a medically incapacitated status, award of the Silver Star or lesser decorations may be approved without regard to elapsed time since the act, achievement, or service occurred, that is to be honored.

*f.* Recommendations for award of U.S. Army decorations forwarded through command channels to Commander, USAHRC, AHRC–PDO–PA, Alexandria, VA 22332–0471, for final action will be initiated sufficiently in advance to arrive in USAHRC not less than 60 days before the desired presentation date.

#### **1–15. Lost recommendations**

If the Secretary of the Army determines that a statement setting forth the distinguished act, achievement, or service, and a recommendation for official recognition was made and supported by sufficient evidence within 2 years after the distinguished service, and that no award was made because the statement was lost, or through inadvertence the recommendation was not acted upon; he or she may, within 2 years after the date of the determination, award any appropriate military decoration, Numeral, or Oak Leaf Cluster in lieu thereof, to the person concerned (10 USC 3744). In each case, the proponent for an award provides the following to Commander, USAHRC, AHRC–PDO–PA, Alexandria, VA 22332–0471:

*a.* Conclusive evidence of the formal submission of the recommendation into military channels.

*b.* Conclusive evidence of the loss of the recommendation or the failure to act on the recommendation through inadvertence.

*c.* A copy of the original recommendation, or its substantive equivalent. As a minimum, the recommendation should be accompanied by statements, certificates, or affidavits corroborating the events or services involved. It is emphasized that the proponent must provide Commander, USAHRC, AHRC–PDO–PA, Alexandria, VA 22332–0471, with adequate information for Secretarial evaluation of the deed or service to determine if an award is to be made. The person signing a reconstructed award recommendation must be identified clearly in terms of his or her official relationship to the intended recipient at the time of the act or during the period of service to be recognized.

#### **1–16. Reconsideration/Appeal of disapproved or downgraded award recommendations**

*a.* A request for reconsideration or the appeal of a disapproved or downgraded award recommendation must be placed in official channels within 1 year from the date of the awarding authority’s decision. One time reconsideration by the award approval authority will be conclusive. However, pursuant to 10 USC 1130, a member of Congress can request a review of a proposal for the award or presentation of a decoration (or the upgrading of a decoration) that is not authorized to be presented or awarded due to time limitations established by law or policy for timely submission of a recommendation.

*b.* Recommendations are submitted for reconsideration or appeal only if new, substantive and material information is furnished and the time limits specified in paragraph 1–14 above do not prevent such action. Requests for reconsideration or appeal must be forwarded through the same official channels as the original recommendation. The additional justification for reconsideration or appeal must be in letter format, not to exceed two single-spaced typewritten pages. A copy of the original recommendation, with all endorsements, and the citation must be attached. If the original recommendation is not available, a new/reconstructed recommendation should be submitted.

c. If the reconsideration or appeal is approved and when a lesser decoration has already been approved, action is taken by the awarding authority to revoke the lesser awarded decoration.

d. Other options for reconsideration or appeal include the Army Board for Correction of Military Records (ABCMR) and the Inspector General. A DD Form 149 (Application for Correction of Military Record) is required for review by the ABCMR.

#### **1-17. Character of service**

a. *Personal decorations.* A medal will not be awarded or presented to any individual whose entire service subsequent to the time of the distinguished act, achievement, or service has not been honorable. The determination of "honorable" will be based on such honest and faithful service according the standards of conduct, courage, and duty required by law and customs of the service of a member of the grade to whom the standard is applied. Commanders will ensure that—

(1) Individuals on whom favorable personnel actions have been suspended neither are recommended for nor receive awards during the period of the suspension. Exceptions to the above are Soldiers who are flagged for APFT failure, in accordance with AR 600-8-2, paragraph 1-15.

(2) Other-than-honorable service subsequent to submission of the recommendation for an award is promptly reported to the awards approving authority with a recommendation for appropriate action.

b. *Waiver for overweight.* As an exception to subparagraph a(1), above, a Soldier who is flagged for overweight may be recommended for and presented an award based on valor, heroism, or for length of service retirement. A waiver of the overweight flag must be processed to the first general officer in the Soldier's chain of command for approval or disapproval. A waiver for overweight is not required for award of the Purple Heart. Approval or disapproval authority is delegated to the first general officer in the chain of command. Waivers will be processed as separate and distinct actions from the award recommendation, and should be submitted and adjudicated prior to submission of the award recommendation. Approved waivers will accompany the award recommendation once submitted.

c. *Badges.* A badge will not be awarded to any person who, subsequent to qualification therefore, has been dismissed, dishonorably discharged, or convicted of desertion by court-martial.

#### **1-18. Period of award**

a. For meritorious service awards, the cited period is limited to the period of service during which the individual served under the recommending command, except in the case of retirement awards. (See para 1-22.) Meritorious service is characterized by distinguished service and performance above that normally expected, over a sustained period.

b. For meritorious achievement awards, the length of time is not a primary consideration; however, the act or achievement should have a clearly discernible beginning and ending date. Also, the speed of accomplishment of a time sensitive task could be an important factor in determining the value of the achievement or act.

c. For valor and heroism awards, the cited period is governed by the same standards stated in b above, the only difference is the manner and circumstances involved during the act.

#### **1-19. Duplication of awards**

a. Only one decoration will be awarded to an individual or unit for the same act, achievement, or period of meritorious service.

b. The award of a decoration in recognition of a single act of heroism or meritorious achievement does not preclude an award for meritorious service at the termination of an assignment. Recommendations for award of a decoration for meritorious service will not refer to acts of heroism or meritorious achievements which have been previously recognized by award of a decoration.

c. Continuation of the same or similar type service already recognized by an award for meritorious service or achievement will not be the basis for a second award. If appropriate, an award may be made to include the extended period of service by superseding the earlier award, or the award previously made may be amended to incorporate the extended period of service.

d. Awards authorities may not recommend a duplicate award for the same act or service from another service component. That is, if a Soldier is assigned to a Joint command, he or she may not receive a Joint award and a Service award for the same period; moreover, a Soldier who is retiring may only be recommended for a Service or Defense retirement award, but not both.

#### **1-20. Interim awards and awards of a lesser decoration**

a. To ensure that a deserving act, achievement, or service receives recognition, the appropriate authority may promptly award a suitable lesser military decoration pending final action on a recommendation for a higher award, except for retiring U.S. Army general officers. When a higher award is approved, the approving authority will revoke the interim award using a separate Permanent Order in accordance with AR 600-8-105. The decoration will be

returned by the recipient, unless the higher award is approved posthumously, in which case the next of kin will be permitted to retain both awards.

*b.* The authority taking final action may award the decoration recommended, award a lesser decoration (or consider the interim award as adequate recognition), or in the absence of an interim award, disapprove award of any decoration.

*c.* The Army Commendation Medal may be awarded by the appropriate commander as an interim award in those cases involving heroism and for which a recommendation for the award of the Distinguished Flying Cross or the Soldier's Medal has been submitted.

### **1-21. Succeeding awards**

For each succeeding act or period of meritorious service or achievement that justifies the award of a decoration, an oak leaf cluster or numeral device will be awarded. The exception is when decorations are presented to foreigners and posthumous awards presented to next of kin.

### **1-22. Recognition upon retirement**

*a. Period of service.* Each individual approaching retirement may be considered for an appropriate decoration based on his or her grade, years of service, degree of responsibility, and manner of performance.

*b. Service awards.* Meritorious service awards may be awarded, upon retirement, which may include periods of service longer than that served in the recommending command. It is recommended that such periods be limited to the last 10 years of service. This is not to imply that an extended period of service should be considered for every individual who retires. An extended period should only be considered in those cases where the length or nature of the individual's terminal assignment would not qualify him or her for an appropriate award. It is neither necessary nor desirable to consider an extended period of service when the length and character of service of retirees in their terminal assignments would qualify them for an appropriate award. When writing the citation, it is not necessary to indicate the time period again; it is only pertinent to mention the total number of years of service, for example, over 22 years or 30 years of service.

*c. Submissions.* Award recommendations submitted for meritorious service based upon retirement will be submitted so that they may be processed to conclusion prior to the requested presentation date. In determining the presentation date, the recommender must take into account the Soldier's requested retirement date, number of days of any transition leave, and authorized travel/transition processing time. Recommendations for awards being submitted to Headquarters (HQ), USAHRC for final action will be initiated sufficiently in advance to arrive not less than 90 days before the desired presentation date.

### **1-23. Posthumous awards**

*a. Preparation of award elements.* Orders for awards to individuals who are deceased at the time the award is approved will indicate that the award is being made posthumously. The engraved medal and certificate will not include the word posthumous. In cases where a Soldier is posthumously promoted to a higher grade, both the certificate and orders should reflect the grade to which promoted.

*b. Presentation of awards to next of kin.* Presentation will be made to primary next of kin per procedures in paragraph 1-32. When presentation to next of kin cannot be made by the appropriate commander, a report listing the reasons the presentation could not be made, with the award orders, certificate and citation will be forwarded immediately to Commander, HRC, AHRC-PDO-PA, Alexandria, VA 22332-0471, where appropriate action will be taken to accomplish the presentation. Under no circumstances will commanders forward award elements (medal, certificate, and citation) directly to next of kin.

*c. Eligible classes of next of kin.* Primary next of kin are, in order of precedence, surviving spouse, eldest surviving child, father or mother, eldest surviving brother or sister, or eldest surviving grandchild. When it is determined by HQ, HRC or the Commander, USAHRC-St. Louis, that medals will be issued posthumously to the primary next of kin, which is based on information in HQ, USAHRC records, the same order of precedence will be used.

*d. Replacement and Duplicate Issue of Medals.* Replacement medals will only be issued to the primary next of kin to whom the original medals were issued when medals are lost, destroyed, or become unfit for use without fault or neglect by the primary next of kin. Proof of relationship will be submitted along with the request. Replacement Medals of Honor, Distinguished Service Crosses, and Distinguished Service Medals will be replaced without charge. All other medals will be replaced at cost.

*e. Special provisions during periods of armed hostilities.* During periods when members of the U.S. Army are engaged in combat against hostile forces, complete sets of decorations will be issued to the primary next of kin of personnel who die in the hostile fire zone or who die as the result of wounds received in the hostile fire zone. During such periods, a duplicate set of decorations may be issued, upon the request of the secondary next of kin of deceased personnel after the original set has been presented to the primary next of kin.

*f. Posthumous presentation of a Numeral or Oak Leaf Cluster.* When an appurtenance is presented posthumously, it will be attached to the appropriate medal, and the complete decoration consisting of the medal and appurtenances will be presented to the next-of-kin, rather than the appurtenance alone.

*g. Posthumous award of badges.* When an individual who has qualified for a badge dies before the award is made, the badge may be presented to the next of kin.

#### **1–24. Conversion of awards**

Awards of certain decorations as authorized in this regulation or later authorized will be made on the basis of existing letters, certificates, citations, and/or orders only on letter application by the individual concerned to National Personnel Records Center, 9700 Page Avenue, St. Louis, MO 61332–5100. (Soldiers who retired or were discharged after to 1 October 2002 and the next of kin of Soldiers who died after 1 October 2002 should send their requests to the Commander, U.S. Army Human Resources Command, AHRC–CC–B, 1 Reserve Way, St. Louis, MO 63132–5200.) Only those awards authorized in paragraphs 2–8, 3–9, 3–13, and 3–16 are categorized as conversion awards. If possible, the applicant for the conversion of an award should enclose the original or a copy of the documentation which he or she wishes to have considered, and furnish all possible details as to time, place, and deed or service to assist in locating any copy or documentation which may have been recorded.

#### **1–25. Recognition of Reserve component members upon death, discharge, or transfer to the Retired Reserve**

*a. Policy.* Appropriate recognition may be extended to members of the Army National Guard of the United States (ARNGUS) and the U.S. Army Reserve (USAR), not on active duty, who have distinguished themselves in the defense of the United States over a period of many years, often at personal expense, inconvenience, and hardship, and those who by their acts or achievements have made major contributions to the reserve components. Members voluntarily electing discharge or transfer to the retired reserve prior to mandatory removal from an active Reserve status may also be considered.

*b. Types of recognition.* They are as follows:

(1) Members who are discharged or transferred to the Retired Reserve may be accorded appropriate recognition by—

(a) Farewell letters from commanding generals of the U.S. Army Reserve General Officer Commands (GOCOMs), State adjutants general and the Commander, HRC–St. Louis.

(b) Letters of appreciation and commendation.

(c) Other awards as authorized in this regulation.

(2) Members who die while in an active Reserve status may be accorded recognition through their primary next of kin per (1)(b) and (c), above.

(3) ARNG and USAR personnel who, upon completion of a tour of an Individual Mobilization Augumentee (IMA) or Troop Program Unit (TPU) assignment, enter standby or retired reserve status pending eligibility for official retirement, should be considered for award at the time of change of status as retirement recognition. Personnel who enter standby status pending reassignment into another position may be considered for a service award. However, if the individual retires without having served another tour or in any official capacity, an additional award for retirement will not be made. The service award will be amended to show award was for retirement recognition. At that time, if the command feels the award should have been higher because of retirement vice service, it can be submitted for reconsideration.

(4) ARNG and USAR personnel who upon call-up or during active duty for training (ADT) will be recognized by their regular Army or active duty commander with whom they are assigned, attached or under operational control. The award presentation will be conducted prior to the ARNG or USAR personnel termination of call-up or ADT.

*c. Criteria.* The criteria in this regulation will be used to determine the type of recognition to be accorded. For this purpose, the member's records will be reviewed by the CG, U.S. Army Reserve Command, GOCOM, State adjutant general, or Commander, HRC, St. Louis, as appropriate.

*d. Farewell letters.*

(1) After a USAR unit member has been informed of his or her pending mandatory discharge or eligibility for transfer to the Retired Reserve, a personal farewell letter will be prepared and signed by the commanding general of the respective U.S. Army Reserve Command. The Commander, HRC, St. Louis, will prepare farewell letters to Reserve Soldiers (except general officers) under his or her jurisdiction. Letters for all general officers will be prepared by HQDA.

(2) Letters will be limited in scope with a general statement concerning the member's release from an active Reserve status, and an expression of appreciation for past service. Mimeographed form letters may not be used, nor will there be included any forms related to administrative processing of the individual.

*e. Ceremonies.* Ceremonies will be conducted as appropriate and according to FM 3–21.5 and this regulation. Additionally, the following will apply:

**Chapter 2  
Department of Defense Awards and Decorations**

**Section I  
Overview**

**2-1. Objective**

a. This chapter explains Department of Defense (DOD) policies and procedures on awarding Defense decorations and service awards; nonmilitary decorations; the acceptance of foreign military decorations by members of the Armed Forces of the United States; and the Office of Secretary of Defense Identification Badge. It describes the various Defense awards; the basis or eligibility requirements for the award; who is eligible to receive; and who is authorized to approve the award. It tells how to prepare, submit, and process recommendations for DOD decorations.

b. The objective of the DOD Military Awards Program is to ensure members of the Armed Forces of the United States receive tangible recognition for acts of valor, exceptional service or achievement, and acts of heroism not involving actual combat. Processing and approval of DOD awards are made in the name of the Secretary of Defense.

**2-2. Order of precedence**

DOD awards are categorized as U.S. military decorations and service medals and service ribbons. The order of

precedence for wear of these awards is stated in AR 670–1, paragraph 29-6 and in paragraphs 1–41 and 1–42 of this regulation.

#### **2–8. Purple Heart**

*a.* The Purple Heart was established by General George Washington at Newburgh, New York, on 7 August 1782, during the Revolutionary War. It was reestablished by the President of the United States per War Department General Orders 3, 1932 and is currently awarded pursuant to Executive Order 11016, 25 April 1962; Executive Order 12464, 23 February 1984; Public Law 98-525, 19 October 1984 amended by Public Law 100-48, 1 June 1987; Public Law 103-160, 30 November 1993; Public Law 104-106, 10 February 1996; and Public Law 105-85, 18 November 1997.

*b.* The Purple Heart is awarded in the name of the President of the United States and per 10 USC 1131, effective 19 May 1998, is limited to members of the Armed Forces of the United States who, while serving under component authority in any capacity with one of the U.S. Armed Services after 5 April 1917, has been wounded or killed, or who has died or may hereafter die after being wounded—

- (1) In any action against an enemy of the United States.
- (2) In any action with an opposing armed force of a foreign country in which the Armed Forces of the United States are or have been engaged.
- (3) While serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party.
- (4) As the result of an act of any such enemy of opposing Armed Forces.
- (5) As the result of an act of any hostile foreign force.
- (6) After 28 March 1973, as the result of an international terrorist attack against the United States or a foreign nation friendly to the United States, recognized as such an attack by the Secretary of Army, or jointly by the Secretaries of the separate armed services concerned if persons from more than one service are wounded in the attack.
- (7) After 28 March 1973, as the result of military operations while serving outside the territory of the United States as part of a peacekeeping force.
- (8) Members killed or wounded in action by friendly fire. In accordance with 10 USC 1129 for award of the Purple

Heart, the Secretary of the Army will treat a member of the Armed Forces described in (a), below, in the same manner as a member who is killed or wounded in action as the result of an act of an enemy of the United States.

(a) A member described in this subsection is a member who is killed or wounded in action by weapon fire while directly engaged in armed conflict, other than as the result of an act of an enemy of the United States, unless (in the case of a wound) the wound is the result of willful misconduct of the member.

(b) This section applies to members of the Armed Forces who are killed or wounded on or after 7 December 1941. In the case of a member killed or wounded, as described in paragraph 2–8b above, on or after 7 December 1941 and before 30 November 1993, the Secretary of the Army will award the Purple Heart under provisions of paragraph 2–8a above in each case which is known to the Secretary before such date or for which an application is made to the Secretary in such manner as the Secretary requires.

c. While clearly an individual decoration, the Purple Heart differs from all other decorations in that an individual is not "recommended" for the decoration; rather he or she is entitled to it upon meeting specific criteria.

d. A Purple Heart is authorized for the first wound suffered under conditions indicated above, but for each subsequent award an Oak Leaf Cluster will be awarded to be worn on the medal or ribbon. Not more than one award will be made for more than one wound or injury received at the same instant or from the same missile, force, explosion, or agent.

e. A wound is defined as an injury to any part of the body from an outside force or agent sustained under one or more of the conditions listed above. A physical lesion is not required, however, the wound for which the award is made must have required treatment by medical personnel and records of medical treatment for wounds or injuries received in action must have been made a matter of official record.

f. When contemplating an award of this decoration, the key issue that commanders must take into consideration is the degree to which the enemy caused the injury. The fact that the proposed recipient was participating in direct or indirect combat operations is a necessary prerequisite, but is not sole justification for award.

g. Examples of enemy-related injuries which clearly justify award of the Purple Heart are as follows:

- (1) Injury caused by enemy bullet, shrapnel, or other projectile created by enemy action.
- (2) Injury caused by enemy placed mine or trap.
- (3) Injury caused by enemy released chemical, biological, or nuclear agent.
- (4) Injury caused by vehicle or aircraft accident resulting from enemy fire.
- (5) Concussion injuries caused as a result of enemy generated explosions.

h. Examples of injuries or wounds which clearly do not justify award of the Purple Heart are as follows:

- (1) Frostbite or trench foot injuries.
- (2) Heat stroke.
- (3) Food poisoning not caused by enemy agents.
- (4) Chemical, biological, or nuclear agents not released by the enemy.
- (5) Battle fatigue.
- (6) Disease not directly caused by enemy agents.
- (7) Accidents, to include explosive, aircraft, vehicular, and other accidental wounding not related to or caused by enemy action.
- (8) Self-inflicted wounds, except when in the heat of battle and not involving gross negligence.
- (9) Post traumatic stress disorders.
- (10) Jump injuries not caused by enemy action.

i. It is not intended that such a strict interpretation of the requirement for the wound or injury to be caused by direct result of hostile action be taken that it would preclude the award being made to deserving personnel. Commanders must also take into consideration the circumstances surrounding an injury, even if it appears to meet the criteria. Note the following examples:

(1) In a case such as an individual injured while making a parachute landing from an aircraft that had been brought down by enemy fire; or, an individual injured as a result of a vehicle accident caused by enemy fire, the decision will be made in favor of the individual and the award will be made.

(2) Individuals injured as a result of their own negligence; for example, driving or walking through an unauthorized area known to have been mined or placed off limits or searching for or picking up unexploded munitions as war souvenirs, will not be awarded the Purple Heart as they clearly were not injured as a result of enemy action, but rather by their own negligence.

j. During wartime the senior Army commander in the combat theater can award the Purple Heart as approval authority when delegated by the Secretary of the Army. The National Personnel Records Center, 9700 Page Avenue, St. Louis, MO 63132–5100, awards the Purple Heart to any member of the Army, who during World War I, was awarded a Meritorious Service Citation Certificate signed by the Commander in Chief, American Expeditionary Forces, or who was authorized to wear wound chevrons, upon written application. Approval authority for the Purple Heart for Army personnel wounded or killed as the result of an international terrorist attack is the Secretary of the Army. All other requests for award of the Purple Heart are processed by the Commander, USAHRC (AHRC–PDO–PA). The

following types of requests for award of the Purple Heart will be forwarded to the Commander, USAHRC, AHRC-PDO-PA, 200 Stovall Street, Alexandria, VA 22332-0471:

(1) Any member of the Army who was awarded the Purple Heart for meritorious achievement or service, as opposed to wounds received in action, between 7 December 1941 and 22 September 1943, may apply for award of an appropriate decoration instead of the Purple Heart.

(2) For those who became Prisoners of War during World War II, the Korean War and before and after 25 April 1962, the Purple Heart will be awarded to individuals wounded while prisoners of foreign forces, upon submission by the individual to the Department of the U.S. Army of an affidavit that is supported by a statement from a witness, if this is possible.

(3) Any member of the U.S. Army who believes that he or she is eligible for the Purple Heart, but through unusual circumstances no award was made, may submit an application through military channels, to the Commander, USAHRC, AHRC-PDO-PA. The application will include complete documentation, to include evidence of medical treatment, pertaining to the wound.

*k.* The following rules apply for processing award of the Purple Heart:

(1) The statutory time limits pertaining to award of military decorations does not apply to the Purple Heart. The Purple Heart may be awarded at anytime after submission of documented proof that criteria have been met.

(2) Approved awards of the Purple Heart require the publication of permanent orders according to AR 600-8-105, citing each recipient. A DA Form 4980-10 (The Purple Heart Medal Certificate) will include the following information: The recipient's name and grade, date wounded in action, and date certificate is signed. All Purple Heart Medal certificates will bear the signature and signature block of the Secretary of the Army on the right side. During wartime, the signature and signature block of the commander authorized to award the Purple Heart will be on the left side. All other Purple Hearts awarded will bear the signature and signature block of The Adjutant General of the Army.

(3) Each approved award of the Purple Heart must exhibit all of the following factors: wound, injury or death must have been the result of enemy or hostile act; international terrorist attack; or friendly fire (as defined in paragraph b(8) above) the wound or injury must have required treatment by medical officials; and the records of medical treatment must have been made a matter of official Army records.

(4) Recommendations for award of the Purple Heart based on alleged international terrorist attacks must be accompanied by a written evaluation from the MACOM security and intelligence staff officer indicating that international terrorist activity was involved. Should any enclosures be classified the prescribed security measures will be followed. This requirement is in addition to the other eligibility criteria. HQ, USAHRC (AHRC-PDO-PA) will confirm the international terrorist report with the Office of the Deputy Chief of Staff, G-2 (ODCS, G-2) prior to forwarding the Purple Heart recommendations to the Secretary of the Army for final decision.

*l.* The Defense of Freedom Medal, established on 4 October 2001, is the civilian equivalent to the Purple Heart awarded to U.S. military personnel. Refer to AR 672-20 for criteria and requirements for the Defense of Freedom Medal .

## **2-12. Armed Forces Expeditionary Medal**

a. The Armed Forces Expeditionary Medal (AFEM) was established by EO 10977, dated 4 December 1961, as amended by EO 10977, 3 May 2000, and may be awarded to members of the Armed Forces of the United States who after 1 July 1958:

(1) Participate, or have participated, as members of the U.S. military units in a U.S. military operation in which service members of any Military Department participate, in the opinion of the Joint Chiefs of Staff, in significant numbers.

(2) Encounter during such participation foreign armed opposition, or are otherwise placed, or have been placed, in such position that, in the opinion of the Joint Chiefs of Staff, hostile action by foreign armed forces were imminent even though it did not materialize.

b. The AFEM may be authorized for the following three categories of operations:

(1) U.S. military operations.

(2) U.S. operations in direct support of the United Nations.

(3) U.S. operations of assistance for friendly foreign nations.

c. Service members must be bona fide members of a unit participating in or be engaged in the direct support of the operation for 30 consecutive days in the area of operations (or for the full period when an operation is less than 30 days duration) or for 60 nonconsecutive days provided this support involved entering the area of operations or meet one or more of the following criteria:

(1) Be engaged in actual combat, or duty which is equally as hazardous as combat duty, during the operation with armed opposition, regardless of time in the area;

(2) Is wounded or injured and requires medical evacuation from the area of eligibility while participating in the operation, regardless of time;

(3) Accumulate 15 days service (consecutive/nonconsecutive) while participating as a regularly assigned crewmember of an aircraft flying sorties into, out of, within, or over the area in direct support of the military operation. One day's service is credited for the first sortie flown on any day. Additional sorties flown on the same day receive no further credit.

d. The AFEM will be awarded only for operations for which no other U.S. campaign medal is approved. However, this does not prevent award eligibility for subsequent on-going operations if the associated campaign medal has been terminated. No individual will be eligible for both the AFEM and a campaign medal awarded during a single tour in the designated operation. For operations in which personnel of only one military Service participate, the medal will be awarded only if there is no other suitable award available to that Service. The military service of the service member on whom qualification for the award of the AFEM is based will have been honorable.

e. Service members who earned the AFEM for service in Vietnam between 1 July 1958 and 3 July 1965 may elect to receive the Vietnam Service Medal instead of the AFEM. However, no service member may be issued both medals for service in Vietnam.

f. Service members who earned the Southwest Asia Service Medal (SWASM) and subsequently became eligible, at any time, for the AFEM for Operation SOUTHERN WATCH may wear both awards, with the exception of those who became eligible for both awards during one tour in Southwest Asia (SWA). Service members who become eligible for both awards during their initial tour in SWA may elect to receive either the SWASM or the AFEM, but may not be issued both medals for a single tour in SWA. Service members who become eligible for both awards during their initial tour in SWA and elect to receive the SWASM may be awarded the AFEM for participation in Operation SOUTHERN

WATCH during a subsequent tour in SWA under the Under Secretary of Defense for Personnel Readiness Memorandum dated 7 February 1996.

g. Service members who earned the AFEM for Operation FREQUENT WIND, between 29 and 30 April 1975, may elect to receive the Vietnam Service Medal instead of the AFEM. No service member may be issued both medals for service in Vietnam.

h. After 1 July 1958, the Joint Chiefs of Staff will designate U.S. military operations that qualify for the AFEM, and they will specify the degree of participation in designated operations warranting award of the medal.

i. No more than one medal will be awarded to any one service member. For each succeeding operation, conducted in a different theater of operations or against a different enemy/armed force, justifying a subsequent award, a bronze service star is worn on the suspension and service ribbon of the medal. (Service stars are described in para 6–8.)

j. The AFEM may be awarded posthumously.

k. Definitions of “area of operation” and “direct support” are defined in the Glossary.

l. The AFEM is worn immediately after the Antarctica Service Medal.

c. Service members qualified for the Global War on Terrorism Expeditionary Medal by reasons of service between

19 March 2003 and 28 February 2005, in an area for which the Iraq Campaign Medal was subsequently authorized, will remain qualified for that medal. Upon application, any such service member may be awarded the Iraq Campaign Medal in lieu of the Global War on Terrorism Expeditionary Medal for such service. No service member will be entitled to both medals for the same act, achievement or period of service.

*d.* Service members must have been assigned, attached, or mobilized to units operating in the area of eligibility for 30 consecutive days or for 60 non-consecutive days or meet one of the following criteria:

- (2) Only one award of this medal may be authorized for any individual.
- (3) Under no condition will personnel receive the Iraq Campaign Medal, the Global War on Terrorism Expeditionary Medal, the Global War on Terrorism Service Medal, the Iraq Campaign Medal, or the Armed Forces Expeditionary Medal for the same action, time period or service.

(1) Battle stars (bronze service stars) may be applicable for service members who were engaged in actual combat against the enemy and under circumstances involving grave danger of death or serious bodily injury from enemy action. Only the Combatant Commander can initiate a request for a Battle Star. The request will contain the specific

unit(s) or individual(s) engaged in actual combat, the duration for which actual combat was sustained, and a detailed description of the actions against the enemy.

(2) The Chairman, Joint Chiefs of Staff (CJCS) is the approving authority for Battle Stars.

(3) The approval of battle stars by the CJCS is authority for the senior Army commander in the combat theater to approve campaign participation credit. See paragraph 7–18, table 7–1, and figure 7–1.

*e. Subsequent awards.* Only one award of the GWOTSM may be authorized to any individual; therefore, second and subsequent awards will not be awarded.

## **2–20. Korea Defense Service Medal**

*a.* The KDSM was authorized by Section 543, National Defense Authorization Act, 2003. It is authorized for award to members of the Armed Forces of the United States who have served on active duty in support of the defense of the Republic of Korea. The area of eligibility and period of eligibility are as follows:

(1) The area of eligibility encompasses all land area of the Republic of Korea, and the contiguous water out to 12 nautical miles, and all air spaces above the land and water areas.

(2) The period of eligibility is 28 July 1954 to a date to be determined by the Secretary of Defense.

*b. Criteria.* Service members must have been assigned, attached, or mobilized to units operating in the area of eligibility for 30 consecutive or for 60 nonconsecutive days, or meet the following criteria:

(4) Personnel who serve in operations and exercises conducted in the area of eligibility are considered eligible for the award as long as the basic time criteria is met. Due to the extensive time period for KDSM eligibility, the nonconsecutive service period for eligibility remains cumulative throughout the entire period.

*c. Special provisions.* Service members qualified for the Armed Forces Expeditionary Medal by reasons of service between 1 October 1966 and 30 June 1974, in an area for which the KDSM was authorized subsequent are eligible for both the Armed Forces Expeditionary Medal and the KDSM. Award of the KDSM for this time period is a one-time exception to policy to comply with section 543 of the National Defense Authorization Act of Fiscal Year 2003, Public Law 107-314.

*d. General.*

(1) The KDSM may be awarded posthumously to any Soldier who lost his or her life without regard to length of such service.

(2) Only one award of the KDSM is authorized for any individual.

## **2-21. Armed Forces Service Medal**

*a.* The Armed Forces Service Medal (AFSM) was established by Executive Order 12985, 11 January 1996, as amended by Executive Order 13286, 28 February 2003. It is awarded to members of the Armed Forces of the United States who, after 1 June 1992 meet the following criteria:

(1) Participate, or have participated, as members of U.S. military units, in a U.S. military operation that is deemed to be a significant activity; and

(2) Encounter no foreign armed opposition or imminent threat of hostile action.

*b.* The AFSM may be authorized for the significant United States military activities for which no other United States campaign or service medal is appropriate, such as:

(1) Peacekeeping operations.

(2) Prolonged humanitarian operations.

*c.* The AFSM may be awarded for United States military operations in direct support of the United Nations (UN) or the North Atlantic Treaty Organization (NATO), and for operations of assistance to friendly foreign nations.

*d.* Service members must be bona fide members of a unit participating in or engaged in direct support of the operation for 30 consecutive days in the area of operations (or for the full period when an operation is less than 30 days duration) or for 60 consecutive days provided this support involves entering the area of operations or meet the following criteria:

(1) While participating as a regularly assigned aircrew member, accumulates 15 days service (consecutive/nonconsecutive) flying sorties into, out of, within, or over the area in direct support of the military operations.

(2) One day's service is credited for the first sortie flown on any day. Additional sorties flown on the same day receive no further credit.

*e.* The AFSM provides recognition to participants who deploy to the designated area of eligibility for the qualifying operation. Outstanding or meritorious performance of non-deployed or remotely located support units and individuals is not justification for award of the AFSM. Such performance may be recognized by appropriate unit and/or individual decorations.

*f.* Because the AFSM may be awarded for a prolonged humanitarian operation, distinction between the AFSM and the Humanitarian Service Medal (HSM) must be maintained. The following rules apply:

(1) The HSM is an individual U.S. service medal, presented to individuals who are physically present at the site of immediate relief and who directly contribute to and influence the humanitarian action. The HSM is only awarded for service during the identified "period of immediate relief"; eligibility for the HSM terminates once (if) the humanitarian action evolves into an "established ongoing operation beyond the initial emergency condition."

(2) The AFSM is a theater award, authorized for presentation to all participants who meet the eligibility requirements established for a designated operation.

(3) For operations in which all deployed participants are awarded the HSM and for which the "period of immediate relief" coincides with the duration of significant deployed operations, award of the AFSM is not authorized.

(4) Humanitarian operations for which some (or all) participants are awarded the HSM, which continue beyond the "period of immediate relief," may be recognized by award of the AFSM. The AFSM may be awarded for the entire period of the operation; individuals awarded the HSM for direct participation during the "period of immediate relief" are also eligible for the AFSM if awarded.

*g.* The following limitations apply when determining whether the AFSM should be awarded for a particular mission or operation or when determining eligibility for award to an individual:

(1) The AFSM will be awarded only for operations for which no other U.S. campaign or service medal is approved.

(2) For operations in which personnel for only one Service participates, the AFSM will be awarded only if there is no other suitable award available to that Service.

- (3) The military service of the individual on which qualification for the award of the AFSM is based will have been honorable.
- (4) Award of the AFSM is not authorized for participation in national or international exercises.
- (5) The AFSM will not be awarded for NATO or United Nations operations not involving significant, concurrent U.S. military support operations.
- h.* The CJCS will designate U.S. military operations on or after 1 June 1992 that qualify for the AFSM.
- i.* No more than one medal will be awarded to any one Service member. One bronze service star is worn to denote second and subsequent awards of the AFSM. To be eligible for additional awards, service must be rendered in more than one designated area and period of service. No two awards will be made for service in the same designated area. (Service stars are described in para 6–8.)
- j.* The AFSM will take precedence immediately after the Southwest Asia Service Medal.
- k.* The AFSM may be awarded posthumously to eligible Soldier’s primary next of kin (primary next of kin is defined in the Glossary).
- l.* See AR 672–20 for the Armed Forces Civilian Service Medal.
- m.* Definitions of “significant activity”, “area of eligibility”, and “direct support” are provided in the Glossary.
- n.* Designated U.S. military operations approved for award of the AFSM are provided in table 2–5 below:

- (7) Approved HSM will be posted to the officer record brief (ORB) for officers and on the ERB for enlisted Soldiers.

The MOVSM is intended to recognize exceptional community support over time and not a single act or achievement. Further, it is intended to honor direct support of community activities. For the purpose of this award, attending membership meetings or social events of a community service group is not considered qualifying service, while manning a community crisis action telephone line is considered qualifying service.

## Chapter 3

### U.S. Army Individual Decorations

#### Section I

##### Overview

#### 3–1. Intent

*a.* U.S. Army military decorations are awarded in recognition of heroism, meritorious achievement, or meritorious service.

*b.* In peacetime, U.S. Army military decorations recognize achievements which have significantly contributed to the readiness or effectiveness of a unit or organization, or have made notable contributions to the morale or esprit de corps of units or organizations. Exceptional command or leadership of a crew, team, section, squad, or similar unit may be considered meritorious achievement or service. Recommendations for awards must be based on specific achievement.

*c.* The decision to award an individual a decoration and the decision as to which award is appropriate are both subjective decisions made by the commander having award approval authority. Awards for meritorious achievement or

service will not be based upon the grade of the intended recipient. Rather, the award should reflect both the individual's level of responsibility and his or her manner of performance. The degree to which an individual's achievement or service enhanced the readiness or effectiveness of his or her organization will be the predominant factor.

*d.* No individual is automatically entitled to an award upon departure from an assignment. Awards presented in conjunction with a permanent change of station will be limited to exceptional cases. Certificates of Achievement and Letters of Commendation or Appreciation are appropriate means to recognize departing personnel.

*e.* No preconditions for an award may be established such as, for example, when Soldiers are informed in advance that attainment of specific goals will result in the automatic award of a given decoration. Military decorations will not be used as prizes in contests.

*f.* Limiting awards to a specific number per unit is not authorized.

### **3-2. Decorations authorized and order of precedence**

*a.* The U.S. Army decorations authorized and the order of precedence are as follows:

- (1) Medal of Honor.
- (2) Distinguished Service Cross.
- (3) Distinguished Service Medal.
- (4) Silver Star.
- (5) Legion of Merit.
- (6) Distinguished Flying Cross.
- (7) Soldier's Medal.
- (8) Bronze Star Medal.
- (9) Meritorious Service Medal.
- (10) Air Medal.
- (11) Army Commendation Medal.
- (12) Army Achievement Medal.

*b.* The above awards are outlined in table 3-4 at the end of this chapter.

### **3-3. Personnel eligible**

Decorations are awarded primarily to military personnel for services performed while in active Federal military service. However, established criteria for some decorations authorizes awards to personnel in other categories. The following additional instructions apply:

*a.* The Secretary of the Army may award specific decorations to members of the reserve components of the Army not in active Federal service. This would be to recognize exceptionally meritorious service or singular acts of heroism or achievement directly related to performance of duty as a member of such reserve components. The Secretary may also at his or her discretion award an appropriate decoration during occasional periods of active military service. To qualify, these acts, achievements, or services must not be related directly to membership in the reserve component. They must clearly be of significant benefit to the mission accomplishment of the Army.

*b.* Specific decorations may be awarded to U.S. citizen civilian personnel who are determined to be "serving with" the U.S. Army in a combat zone. (See table 3-6.)

*c.* Specific decorations may be awarded to foreign personnel for acts or services deemed to be beneficial to the U.S. Government. (See para 1-38.)

*d.* Awards of medals may be made following the death of the person being honored.

### **3-4. Who may recommend**

It is the responsibility of any individual having personal knowledge of an act, achievement, or service believed to warrant the award of a decoration, to submit a formal recommendation into military command channels for consideration. The Army does not condone self-recognition; therefore, a Soldier may not recommend himself/herself for award of a decoration.

### **3-5. Peacetime award approval authority**

*a.* Awards for peacetime service are made by the President, the Secretary of Defense, and the Secretary of the Army. When peacetime criteria apply, authority to award decorations is automatically delegated as shown in table 3-5 at the end of this chapter.

*b.* Approval authorities must be in command or serving as head of a principal HQDA agency. Authority is extended to include those individuals occupying vacant positions of approval authorities listed in table 3-5, regardless of grade. For example, a LTC assigned on orders as a Brigade Commander (an authorized Colonel position) is authorized to act on recommendations for award of the Army Commendation Medal. This authority may not be delegated to subordinate officials (that is, executive officer, chief of staff, deputy commander, and so forth). In instances where the incumbent

commander is not available to act on recommendations (hospitalization, extended temporary duty or leave) the acting commander, regardless of grade, may take final action provided a formal official assumption of command has taken place. In such cases, the acting commander will sign documents using the title "Acting Commander."

c. The delegation of military award approval authority to certain senior civilian leaders is governed by memorandum from the Administrative Assistant to the Secretary of the Army.

d. Commanders having authority to approve an award may delegate disapproval (to include downgrade) authority to their immediate subordinate commanders, provided those subordinate commanders have authority to approve the next lower award. This delegation must be in writing and should be accomplished with each change of command. Commanders reporting directly to HQ, USAHRC and officials reporting directly to a principal HQDA agency are delegated disapproval authority for current recommendations for award of the Distinguished Flying Cross, Soldier's Medal, and Air Medal. Such commanders and HQDA officials may also disapprove service and other achievement award recommendations, provided they have authority to approve the next lower award. This disapproval authority includes awards for non-Army personnel.

e. The Chief of Staff, Army and Vice Chief of Staff, Army have authority to disapprove a recommendation to award a general officer the Distinguished Service Medal (DSM). Also, four-star major Army commanders have authority to disapprove or downgrade all recommendations to award the DSM to general officers. Commanders and heads of principal Army agencies may recommend disapproval of the DSM for a general officer.

f. Award approval authority applies equally to Army element commanders in Joint, unified and combined commands in accordance with the grade of the Army element commander and applies only within the headquarters concerned for approval of Army awards to Army personnel assigned to that headquarters. If an individual is recommended for an award higher than the Army element commander may approve, the recommendation will be processed through Joint command channels to the Commander, USAHRC, AHRC-PDO-PA, 200 Stovall Street, Alexandria, VA 22332-0471, or to an intermediate Joint headquarters in which the senior U.S. commander is a U.S. Army general officer with the requisite approval authority, for final action. In those cases where the Army element commander is not the senior United States commander in the headquarters, concurrence of that senior commander, regardless of branch of Armed Forces, will be obtained prior to approval of the award. Army awards approval authority does not apply within the Office of Secretary of Defense (OSD) or the Organization of the Joint Chiefs of Staff (OJCS) but does include Defense OJCS Activities. Where an Army element commander has not been formally designated, the senior Army general officer within the headquarters will exercise awards approval authority commensurate with his or her grade.

g. Major Army commanders and CONUS armies, with awards approval authority, are authorized to award applicable decorations to unit and non-unit reserve component personnel under their command in accordance with the authorized grade of the commanders concerned. For attached Individual Mobilization Augmentees (IMA) or non-unit Reserve personnel attached to U.S. Army Reserve or active Army units for ADT, active duty for special work, inactive duty training, or in active Guard Reserve (AGR) status, whose records are maintained by HRC-St. Louis, the unit of attachment will obtain concurrence from Commander, HRC-St. Louis, AHRC-PAP-R, St. Louis, MO 63132-5200, and any previous awards, proper oak leaf cluster, period of award, derogatory information, flagging action and or other applicable information from personnel files. A copy of the permanent order granting the award will be provided the Commander, HRC-St. Louis, AHRC-PSP-R, One Reserve Way, St. Louis, MO 63132-5200, for inclusion in the individual's Official Military Personnel File (OMPF).

h. State adjutants general and commanders of Army National Guard and U.S. Army Reserve commands may award applicable decorations to personnel under their command, including active component and full time AGR personnel performing full time duty under their command.

i. The Secretary of the Army delegated awards approval authority to the military and civilian program, project, and product managers (PMs) and Program Executive Officers (PEOs) assigned to the Assistant Secretary of the Army for Acquisition, Logistics and Technology (ASA(ALT)); and the military PMs assigned to the Army Materiel Command. The approval authorities are outlined in table 3-1 below:

Notes:

<sup>1</sup> See AR 600-8-22, paragraph 1-37, for instructions on awarding Army decorations to members of other U.S. Services.

<sup>2</sup> Awards approval authority only applies to the civilian and military PMs and PEOs assigned to ASA (ALT) and the military PMs assigned to Army Materiel Command.

### 3-6. Wartime conditions award approval authority

*a.* The Medal of Honor is awarded only by the President. Other decorations are awarded by the President, the Secretary of Defense, and the Secretary of the Army. When wartime conditions erupt, authority to further delegate decorations approval authority will be requested from the Secretary of the Army. Initial delegation will be requested consistent with the award approval authority outlined in table 3-6, at the end of this chapter. Initial delegation authority is not absolute, but is provided for contingency planning purposes only. Delegation of awards approval authority will be reviewed at 30 day intervals after combat commences to determine if further delegation would be expedient and justified. Award authority is gradually increased as the length and intensity of conflict increases, and the number of Soldiers committed to the combat theater increases.

*b.* Combat and wartime conditions present opportunities and events which lead to award of decorations, service medals, and badges to Soldiers. Most of these awards and decorations are inactive until the commencement of hostilities. The immediate requirement by commanders to recognize deserving personnel generates heavy administrative requirements throughout all echelons.

(1) To help meet the demand and to expedite recognition of combat deeds, delegation of wartime awards approval authority commences and is delegated to commanders based on level of command (see table 3-6).

(2) As larger elements or armies are committed, authority to approve higher level awards is granted based on the seniority level of Army commanders.

(3) Delegated awards authority creates the requirement for additional reporting of approved awards.

(4) Special reporting procedures will be necessary for all Medal of Honor recommendations.

### 3-7. Stability operations

*a. Policy.* Army policy is to recognize appropriately the meritorious service, achievements, and valorous and heroic acts of personnel and units performed when participating in stability operations. Stability operations encompass various military missions, tasks, and activities conducted outside the United States in coordination with other instruments of national power to maintain or reestablish a safe and secure environment, provide essential Government services and emergency reconstruction of infrastructure, and humanitarian relief. Determination of the appropriate awards to recognize Servicemembers for participation in stability operations is extremely difficult because these operations include, but are not limited to, arms control, combating terrorism, national assistance, noncombatant evacuations operations, peace operations, humanitarian service, insurgency support operations, counterdrug operations, riot control, and civil support operations. Additionally, stability operations are often conducted jointly with other Services and/or international or multinational organizations (for example, NATO, the United Nations). Often, even if a stability operation involves armed conflict, the operation is not explicitly referred to as a “combat” operation. Accordingly, it is difficult for commanders to determine if valor awards (for example, the Medal of Honor, Distinguished Service Cross, Silver Star, Bronze Star with “V” device, Presidential Unit Award, Valorous Unit Award, and so forth) may be used to recognize participation in a specific stability operation.

*b. Evaluation of award criteria.* Award recommendations for stability operations must be evaluated on a case-by-case basis to determine if award criteria in section II are met. However, as a general rule, valorous unit and personal awards may be awarded only for specific actions while engaged in action against an enemy of the United States, while engaged in military operations involving conflict with an opposing foreign force, or while serving with friendly foreign forces engaged in armed conflict against an opposing armed force in which the United States is not a belligerent party. If the litmus test for a valorous award is met, then it is likely that the Bronze Star Medal without “V” device is appropriate to recognize meritorious service in conjunction with that specific stability operation. However, caution must be exercised because a stability operation may begin with armed conflict that meets valor award criteria, but then changes into an operation without armed conflict, for which valor awards are not appropriate.

*c. Rules for processing awards under stability operations.* Award recommendations submitted under stability operations conditions will be authenticated and verified via endorsement by the requesting commander. The nominating official should provide concrete evidence and official documents of the operations, and identify the specific action for which the award is considered. Commanders will verify that award recommendations meet the criteria for each award in accordance with section II and other policies published by higher headquarters for that specific operation or

contingency. Recommendations from the theater of operations will be submitted from the task force commander or theater commander through the commander of the operations to the Commander, U.S. Army Human Resources Command (AHRC-PDP-A), 1600 Spearhead Division Avenue, Fort Knox, KY 40122-5408. HQDA will approve all recommendations unless the Secretary of the Army delegates award approval authority to the operational commander.

(1) Recommendations will be submitted from the recommender with appropriate endorsement (brigade, division, or corps commander) to the operational commander. The operational commander will process all recommendations through the peacetime G-1 or S1 with all supporting documents to the Commander, HRC.

(2) Extracts or full copies of the deployment directives, task force organization, and operations orders will be used to substantiate the events for the award and must accompany each recommendation. Documents that are marked for official use only or classified will be submitted through appropriate channels with prior coordination with the Awards and Decorations Branch (AHRC-PDP-A).

*d. Award of the Purple Heart for stability operations.* The Purple Heart may be awarded to individuals who are wounded as the direct result of enemy action and will continue to be processed by the Commander, HRC (AHRC-PDP-A). HQDA will approve all recommendations unless the Secretary of the Army delegates award approval authority to the operational commander. Commanders are required to submit detailed information about the operations, threat or hostile force, and armed force or struggle that resulted in the casualty or injury. For command and unit awareness, information on factions, hostile forces, or threat may be in the form of the following and must be included in the "enemy or threat annex" of the operational order or operational plan:

(1) *Threat of terrorism.* Submit the documents that identify the terrorists and their activities causing a threat to the operation.

(2) *Threat from foreign intelligence.* Provide evidence that details the threat from the foreign intelligence operatives.

*e. Rules for requesting delegation of awards authority.* Commanders may continue to authorize awards they have approval authority for in accordance with peacetime criteria in table 3-5. In the event that hostilities erupt, authority to delegate awards approval authority will be requested from the Secretary of the Army as follows:

(1) The senior Army commander will submit a request through the Commander, HRC (AHRC-PDP-A). Initial delegation will be requested consistent with the award approval authority outlined in table 3-6.

(2) When supporting a Joint task force, the Joint Staff will provide policy on all awards to be issued to the force. The Army will provide input as appropriate.

(3) Awards for personnel of other Services will be processed in accordance with paragraph 1-37.

*f. Awards to foreign military personnel.* Foreign military personnel may be recommended for an award, provided the Secretary of the Army or designee has granted an approved delegation. See paragraph 1-38 for additional information on recommending and processing awards for foreign military personnel.

*g. Campaign and service medals.* Campaign and service medals, such as the Armed Forces Expeditionary Medal or Armed Forces Service Medal, may be requested in accordance with existing regulations. Commanders will justify their request by submitting complete documents as required in paragraph *c*, above. Other medals or decorations may be authorized by the CJCS. The Office of the CJCS will coordinate with the Army on awards initiated by their headquarters.

*h. Unit awards.* Unit awards during stability operations are considered on a case-by case basis. Commanders have four unit awards to consider: Presidential Unit Citation, Valorous Unit Award, Meritorious Unit Commendation, and Army Superior Unit Award. See chapter 7 for criteria and submission requirements.

## **Section II**

### **U.S. Army Individual Decorations—Authority and Criteria**

#### **3-8. Medal of Honor**

*a.* The Medal of Honor, 10 USC 3741, was established by Joint Resolution of Congress, 12 July 1862 (amended by acts 9 July 1918 and 25 July 1963).

*b.* The Medal of Honor is awarded by the President in the name of Congress to a person who, while a member of the Army, distinguishes himself or herself conspicuously by gallantry and intrepidity at the risk of his or her life above and beyond the call of duty while engaged in an action against an enemy of the United States; while engaged in military operations involving conflict with an opposing foreign force; or while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party. The deed performed must have been one of personal bravery or self-sacrifice so conspicuous as to clearly distinguish the individual above his comrades and must have involved risk of life. Incontestable proof of the performance of the service will be exacted and each recommendation for the award of this decoration will be considered on the standard of extraordinary merit.

#### **3-9. Distinguished Service Cross**

*a.* The Distinguished Service Cross, 10 USC 3742, was established by Act of Congress 9 July 1918 (amended by act of 25 July 1963).

*b.* The Distinguished Service Cross is awarded to a person who, while serving in any capacity with the Army, distinguished himself or herself by extraordinary heroism not justifying the award of a Medal of Honor; while engaged in an action against an enemy of the United States; while engaged in military operations involving conflict with an opposing or foreign force; or while serving with friendly foreign forces engaged in an armed conflict against an opposing Armed Force in which the United States is not a belligerent party. The act or acts of heroism must have been so notable and have involved risk of life so extraordinary as to set the individual apart from their comrades.

### **3–10. Distinguished Service Medal**

*a.* The Distinguished Service Medal, 10 USC 3743, was established by Act of Congress 9 July 1918.

*b.* The Distinguished Service Medal is awarded to any person who, while serving in any capacity with the U.S. Army, has distinguished himself or herself by exceptionally meritorious service to the Government in a duty of great responsibility. The performance must be such as to merit recognition for service which is clearly exceptional. Exceptional performance of normal duty will not alone justify an award of this decoration.

*c.* For service not related to actual war, the term "duty of great responsibility" applies to a narrower range of positions than in time of war and requires evidence of conspicuously significant achievement. However, justification of the award may accrue by virtue of exceptionally meritorious service in a succession of high positions of great importance.

*d.* Awards may be made to persons other than members of the Armed Forces of the United States for wartime services only, and then only under exceptional circumstances with the express approval of the President in each case.

### **3–11. Silver Star**

*a.* The Silver Star, 10 USC 3746, was established by Act of Congress 9 July 1918 (amended by act of 25 July 1963).

*b.* The Silver Star is awarded to a person who, while serving in any capacity with the U.S. Army, is cited for gallantry in action against an enemy of the United States while engaged in military operations involving conflict with an opposing foreign force, or while serving with friendly foreign forces engaged in armed conflict against an opposing armed force in which the United States is not a belligerent party. The required gallantry, while of a lesser degree than that required for the Distinguished Service Cross, must nevertheless have been performed with marked distinction.

*c.* It is awarded upon letter application to Commander, USAHRC, AHRC–PDO–PA, Alexandria, VA 22332–0471, to those individuals who, while serving in any capacity with the U.S. Army, received a citation for gallantry in action in World War I published in orders issued by a headquarters commanded by a general officer.

### **3–12. Legion of Merit**

*a.* The Legion of Merit was established by Act of Congress 20 July 1942 (Public Law 671–77<sup>th</sup> Congress). Executive Order 9260, 29 October 1942 prescribed the criteria for the award and was amended by Executive Order 10600, 15 March 1955.

*b.* The Legion of Merit is awarded to any member of the Armed Forces of the United States or a friendly foreign nation who has distinguished himself or herself by exceptionally meritorious conduct in the performance of outstanding services and achievements.

*c.* Criteria for members of the Armed Forces of the United States are as follows:

(1) The performance must have been such as to merit recognition of key individuals for service rendered in a clearly exceptional manner. Performance of duties normal to the grade, branch, specialty, assignment, or experience of an individual is not an adequate basis for this award.

(2) For service not related to actual war, the term "key individuals" applies to a narrower range of positions than in time of war and requires evidence of significant achievement. In peacetime, service should be in the nature of a special requirement or of an extremely difficult duty performed in an unprecedented and clearly exceptional manner. However, justification of the award may accrue by virtue of exceptionally meritorious service in a succession of important positions.

(3) Award will be made without reference to degree.

*d.* Criteria for member of Armed Forces of foreign nations is in paragraph 1–38.

### **3–13. Distinguished Flying Cross**

*a.* The Distinguished Flying Cross, 10 USC 3749, was established by Act of Congress 2 July 1926.

*b.* The Distinguished Flying Cross is awarded to any person who, while serving in any capacity with the Army of the United States, distinguished himself or herself by heroism or extraordinary achievement while participating in aerial flight. The performance of the act of heroism must be evidenced by voluntary action above and beyond the call of duty. The extraordinary achievement must have resulted in an accomplishment so exceptional and outstanding as to clearly set the individual apart from his or her comrades or from other persons in similar circumstances. Awards will

be made only to recognize single acts of heroism or extraordinary achievement and will not be made in recognition of sustained operational activities against an armed enemy.

### **3–14. Soldier’s Medal**

- a.* The Soldier’s Medal, 10 USC 3750 was established by Act of Congress 2 July 1926 amended 10 USC 3750.
- b.* The Soldier’s Medal is awarded to any person of the Armed Forces of the United States or of a friendly foreign nation who, while serving in any capacity with the Army of the United States, including reserve component Soldiers not serving in a duty status, as defined in 10 USC 101(d), at the time of the heroic act, who distinguished himself or herself by heroism not involving actual conflict with an enemy. The same degree of heroism is required as that of the award of the Distinguished Flying Cross. The performance must have involved personal hazard or danger and the voluntary risk of life under conditions not involving conflict with an armed enemy. Awards will not be made solely on the basis of having saved a life.

### **3–15. Bronze Star Medal**

- a.* The Bronze Star Medal was established by Executive Order 9419, 4 February 1944 (superseded by Executive Order 11046, 24 August 1962, as amended by Executive Order 13286, 28 February 2003).
- b.* The Bronze Star Medal is awarded to any person who, while serving in any capacity in or with the Army of the United States after 6 December 1941, distinguished himself or herself by heroic or meritorious achievement or service, not involving participation in aerial flight, in connection with military operations against an armed enemy; or while engaged in military operations involving conflict with an opposing armed force in which the United States is not a belligerent party. Title 10, United States Code, section 1133, (10 USC 1133) limits award of the Bronze Star Medal to service members receiving imminent danger pay.
- c.* Awards may be made for acts of heroism, performed under circumstances described above, which are of lesser degree than required for the award of the Silver Star.
- d.* The Bronze Star Medal may be awarded for meritorious achievement or meritorious service according to the following:
  - (1) Awards may be made to recognize single acts of merit or meritorious service. The lesser degree than that required for the award of the Legion of Merit must nevertheless have been meritorious and accomplished with distinction.
  - (2) Award may be made to each member of the Armed Forces of the United States who, after 6 December 1941, has been cited in orders or awarded a certificate for exemplary conduct in ground combat against an armed enemy between 7 December 1941 and 2 September 1945, inclusive, or whose meritorious achievement has been otherwise confirmed by documents executed prior to 1 July 1947. For this purpose, an award of the Combat Infantryman Badge or Combat Medical Badge is considered as a citation in orders. Documents executed since 4 August 1944 in connection with recommendations for the award of decorations of higher degree than the Bronze Star Medal will not be used as the basis for an award under this paragraph. Veterans and retirees may submit letter application to National Personnel Records Center, NPRMA–M, 9700 Page Avenue, St. Louis, MO 63132–5100. Soldiers who retired or were discharged after 1 October 2002 and the next of kin of Soldiers who died after 1 October 2002 should send their letter application to the Commander, U.S. Army Human Resources Command, AHRC–CC–B, 1 Reserve Way, St. Louis, MO 63132–5200. The letter application should include documentary evidence, if possible.
  - (3) Upon letter application, award of the Bronze Star Medal may be made to eligible Soldiers who participated in the Philippine Islands Campaign between 7 December 1941 to 10 May 1942. Performance of duty must have been on the island of Luzon or the Harbor Defenses in Corregidor and Bataan. Only Soldiers who were awarded the Distinguished Unit Citation (Presidential Unit Citation) may be awarded this decoration. Letter application should be sent to the National Personnel Records Center, NPRMA–M, 9700 Page Avenue, St. Louis, MO 63132–5100. Soldiers who retired or were discharged after 1 October 2002 and the next of kin of Soldiers who retired or were discharged after 1 October 2002 should send their letter application to the Commander, U.S. Army Human Resources Command, AHRC–CC–B, 1 Reserve Way, St. Louis, MO 63132–5200.

### **3–16. Meritorious Service Medal**

- a.* The Meritorious Service Medal was established by Executive Order 11448, 16 January 1969 as amended by Executive Order 12312, 2 July 1981, as amended by Executive Order 13286, 28 March 2003. It is awarded to any member of the Armed Forces of the United States or to any member of the Armed Forces of a friendly foreign nation who has distinguished himself or herself by outstanding meritorious achievement or service.
- b.* After 16 January 1969 but prior to 11 September 2001, the Meritorious Service Medal is authorized to be awarded only for meritorious service or achievement while serving in a non-combat area.

### **3–17. Air Medal**

- a.* The Air Medal was established by Executive Order 9158, 11 May 1942 as amended by Executive Order 9242–A, 11 September 1942.
- b.* The Air Medal is awarded to any person who, while serving in any capacity in or with the U.S. Army, will have

distinguished himself or herself by meritorious achievement while participating in aerial flight. Awards may be made to recognize single acts of merit or heroism, or for meritorious service as described below.

*c.* Awards may be made for acts of heroism in connection with military operations against an armed enemy or while engaged in military operations involving conflict with an opposing armed force in which the United States is not a belligerent party, which are of a lesser degree than required for award of the Distinguished Flying Cross.

*d.* Awards may be made for single acts of meritorious achievement, involving superior airmanship, which are of a lesser degree than required for award of the Distinguished Flying Cross, but nevertheless were accomplished with distinction beyond that normally expected.

*e.* Awards for meritorious service may be made for sustained distinction in the performance of duties involving regular and frequent participation in aerial flight for a period of at least 6 months. In this regard, accumulation of a specified number of hours and missions will not serve as the basis for award of the Air Medal. Criteria in paragraph *c*, above, concerning conditions of conflict are applicable to award of the Air Medal for meritorious service.

*f.* Award of the Air Medal is primarily intended to recognize those personnel who are on current crewmember or noncrewmember flying status which requires them to participate in aerial flight on a regular and frequent basis in the performance of their primary duties. However, it may also be awarded to certain other individuals whose combat duties require regular and frequent flying in other than a passenger status, or individuals who perform a particularly noteworthy act while performing the function of a crewmember, but who are not on flying status as prescribed in AR 600–106. These individuals must make a discernible contribution to the operational land combat mission or to the mission of the aircraft in flight. Examples of personnel whose combat duties require them to fly include those in the attack elements of units involved in air-land assaults against an armed enemy and those directly involved in airborne command and control of combat operations. Involvement in such activities, normally at the brigade/group level and below, serves only to establish eligibility for award of the Air Medal; the degree of heroism, meritorious achievement or exemplary service determines who should receive the award. Awards will not be made to individuals who use air transportation solely for the purpose of moving from point to point in a combat zone.

*g.* Numerals, starting with 2 will be used to denote second and subsequent awards of the Air Medal. (See para 6–4.)

### **3–18. Army Commendation Medal**

*a.* The ARCOM was established by War Department Circular 377, 18 December 1945 (amended in DA General Orders 10, 31 March 1960).

*b.* The ARCOM is awarded to any member of the Armed Forces of the United States who, while serving in any capacity with the Army after 6 December 1941, distinguishes himself or herself by heroism, meritorious achievement or meritorious service. Award may be made to a member of the Armed Forces of a friendly foreign nation who, after 1 June 1962, distinguishes himself or herself by an act of heroism, extraordinary achievement, or meritorious service which has been of mutual benefit to a friendly nation and the United States.

*c.* Awards of the ARCOM may be made for acts of valor performed under circumstances described above which are of lesser degree than required for award of the Bronze Star Medal. These acts may involve aerial flight.

*d.* The ARCOM may be awarded for acts of noncombatant-related heroism which does not meet the requirements for an award of the Soldier's Medal.

*e.* The ARCOM will not be awarded to general officers.

*f.* Awards of the ARCOM may be made to any individual commended after 6 December 1941 and before 1 January 1946 in a letter, certificate, or order of commendation, as distinguished from letter of appreciation, signed by an officer in the grade or position of a major general or higher. Veterans and retirees may submit letter applications to the National Personnel Records Center, 9700 Page Avenue, St. Louis, MO 63132–5100. Soldiers who retired or were discharged after 1 October 2002 will send their letter application to the Commander, U.S. Army Human Resources Command, AHRC–CC–B, 1 Reserve Way, St. Louis, MO 63132–5200. Awards of the Army Commendation Ribbon and of the Commendation Ribbon with Metal Pendant were redesignated by DA General Orders 10, 31 March 1960, as awards of the Army Commendation Medal, without amendment of orders previously issued.

### **3–19. Army Achievement Medal**

*a.* The AAM was established by the Secretary of the Army, 10 April 1981, as announced in Department of the Army General Order 15, 1990.

*b.* The AAM is awarded to any member of the Armed Forces of the United States, or to any member of the Armed Forces of a friendly foreign nation, who distinguished himself or herself by meritorious service or achievement of a lesser degree than required for award of the Army Commendation Medal.

*c.* The AAM will not be awarded to general officers.

## Section III

### Task: Process DA Form 638, Recommendation for Award

#### 3–20. Rules for processing DA Form 638, Recommendation for Award

*a.* The DA Form 638 will be used to initiate, process, and approve award recommendations of all U.S. Army individual decorations, to include valor and heroism decorations.

*b.* Statutory and regulatory time limits for processing valorous awards are in paragraphs 1–14 and 1–15.

*c.* Criteria for the various valor awards are as shown in this chapter under the respective decoration.

*d.* Approval authorities may make award decisions without referral to a local awards board. Awards boards are optional and are at the discretion of the approval authority.

*e.* Permanent award orders are an authorized part of the DA Form 638. Permanent award orders authority may be delegated to award approval authorities who would not normally publish permanent orders. This delegation should be in writing. Permanent orders filing will include a master set filed at the issuing headquarters; see AR 600–8–105, formats 320, 700, and 705. Approved awards of the Medal of Honor and Distinguished Service Cross will be confirmed in Department of the Army General Orders.

*f.* Amendments, rescissions, or revocation of permanent award orders will be prepared on a separate order (See 600–8–105, formats 700 and 705 and paragraphs 1–28 through 1–30 of this regulation). Award orders issued/announced on the DA Form 638 will be amended or revoked using a separate Permanent Order in accordance with AR 600–8–105 (Format 700 or 705).

*g.* Approval authorities for individual decorations are in tables 3–5 and 3–6 at the end of this chapter.

*h.* Commanders may disapprove (to include downgrade) the next higher award normally associated with their grade, provided such authority has been delegated to them. This delegation must be in writing. Refer to paragraph 3–5d (above).

*i.* Orders publication authority for awards may be delegated by Meritorious Service Medal approval authorities (BG and above) to commanders exercising lower award approval authority. Such delegation will allow those commanders (COL or LTC) with Army Commendation Medal or AAM approval authority to issue award orders once the award is approved. The documentation and control requirements in AR 600–8–105, paragraph 1–22, must be established by the commander before publishing award orders.

*j.* Each headquarters will have procedures established to ensure that every recommendation is processed with a minimum of delay. Recommendations requiring action by HQ, USAHRC or higher authority should arrive no later than 60 days prior to the desired presentation date. All other recommendations should be approved or disapproved within command channels within 60 days of initiation.

*k.* When an award recommendation contains classified information, no classified information will be entered on the DA Form 638. Supporting and allied documents will bear a security classification and/or protective markings. The packet will be prepared, processed and protected according to AR 380–5. Proposed and approved citations will be prepared so as to contain no classified information.

*l.* A separate recommendation will be submitted for each proposed award of a decoration and only one proposed awardee will be named in a single recommendation.

*m.* The recommender will, to the extent possible, verify data on the DA Form 638 concerning the awardee from official Army personnel documents.

*n.* Recommendations submitted to HQ, USAHRC (AHRC–PDO–PA) will be submitted with the original and three copies of all documents.

*o.* Premature disclosure of information to the public, or to the individual being recommended for an award is a potential source of embarrassment to recommending officials and should be strongly discouraged. Prior disclosure of approved awards should also be discouraged since it would diminish the impact of ceremonies when the award is ultimately presented.

*p.* All recommendations placed in official channels must be forwarded through command channels to the designated commander authorized to approve or disapprove the award. Where appropriate, intermediate endorsing officials or commanders may recommend disapproval or comment on the propriety of lesser or higher awards if they do not favor the requested decoration. Each intermediate commander/supervisor will recommend approval or disapproval, and cite specific reasons whenever disapproval is recommended. Placement in official channels is defined as “signed by the initiating official and endorsed by a higher official in the chain of command.”

*q.* Typing the recommendation is not required. Recommendations may be handwritten or hand-printed, but must be clearly legible. Use only black ink for machine readability (copier, fax, or microfiche). If the form is typed, the limited resources of the PAC should not be used for this purpose.

*r.* Narrative description of meritorious service or achievement for awards of the MSM, ARCOM, and AAM will be limited to bullet format in the space allowed on the DA Form 638. Narratives are required for all other awards and will be added as an addendum to the recommendation. Narrative should be prepared on 8 1/2 by 11-inch bond paper and is limited to one double spaced typewritten page except for recommendations of the Distinguished Service Medal and above. Narratives for valor must contain a description of the following elements: terrain and weather of the area in

which the action took place; enemy conditions, to include morale, proximity, firepower, casualties and situation prior to, during and after the act; the effect of the act on the enemy; the action of comrades in the immediate vicinity of the act and the degree of their participation in the act; if the act occurred in aerial flight, the type and position of the aircraft and the individual's crew position; the degree to which the act was voluntary; the degree to which the act was outstanding and exceeded what was normally expected of the individual; all unusual circumstances; and overall effects or results of the act.

s. Heroism award recommendations will contain statements of eyewitnesses, preferably in the form of certificates, affidavits, or sworn statements; extracts from official records; sketches; maps; diagrams; photographs; and so forth, which support and amplify stated facts for the heroism award.

t. All Medal of Honor recommendations must be referred to HQ, USAHRC for action, regardless of the recommendations by field and intermediate level commanders. Medal of Honor recommendations will be processed on a priority basis and will not be interrupted before they are referred to Commander, USAHRC (AHRC-PDO-PA). Medal of Honor recommendations will be processed and controlled as "For Official Use Only" material. Premature disclosure of Medal of Honor action is not authorized. Medal of Honor recommendations will contain, when appropriate, the endorsement of the subordinate unified commander; commander, Joint task force; unified or specified commander involved; and a recommendation from the JCS. After JCS recommendation is received, HQ, USAHRC (AHRC-PDO-PA) will continue the final processing.

u. Properly constituted award recommendations will include the following:

- (1) DA Form 638.
- (2) Narrative justification as explained above.
- (3) Proposed citation.
- (4) Support documents. (Optional)
- (5) Eyewitness statements in the form of certificates, affidavits, or sworn statements. (Optional for Silver Star and lesser awards.)
- (6) Records, extracts, sketches, maps, diagrams, and photographs which support and amplify the award of heroism. (Optional for Silver Star and lesser awards.)
- (7) Recommendations from all intermediate level commanders.

v. Posthumous valor awards must always reflect accurately the actual events and circumstances for which the award is being presented. Effective 18 April 2006, prior to taking any action on a posthumous valor award recommendation, the award approval authority must review the completed AR 15-6 collateral investigation, to ensure the accuracy of the awards process. The approval authority must also indicate on in block 26i, DA Form 638 that the completed AR 15-6 investigation was reviewed.

w. For historical purposes, both the DA Form 638 indicating disapproval/downgrading and the certificate for the approved award should be forwarded for filing the OMPF.

**Table 3-2**

**Steps for preparing and processing awards using the DA Form 638, Recommendation for Award—Continued**

16	Recommender	Recommender will complete blocks 14 through 19. (Block 18 serves to clarify the status of the recommender particularly in cases where someone outside the chain of command is making a recommendation.) For historical purposes it is imperative that the recommender sign the original DA Form 638 in block 19. The user cannot digitally sign this field until the first page is completed (includes blocks 20 and 21).
17	Recommender	Block 20—for awards of the MSM, ARCOM, and AAM, use bullet statements to list the individual's meritorious achievements or service. This block allows for up to 4 separate achievements to be listed. A maximum of 4 lines may be completed. For awards of the LM and above, a narrative or bullet justification (not to exceed one page) is required and will be added as an addendum (enclosure) to the DA Form 638. See paragraph 3-20 for specific requirements for heroism and valor awards.
18	Recommender	Complete the proposed citation in block 21. Citation for awards of the MSM, ARCOM, and AAM are limited to six lines and will be restricted to the space allowed on the DA Form 638. All other awards are limited to nine lines and may be submitted on 8 1/2 by 11-inch bond paper. Awards of the DSM and above may be up to 19 lines.
19	Recommender	Submit the proposed award to the individual's immediate commander/supervisor for further action.

21	PAC/Admin Clerk	Check to see if Soldier is flagged. If flagged, check AR 600-8-22 for award eligibility. If eligible, certify by signature in block 22 and return to Cdr/Supv. If ineligible, return the DA Form 638 through Cdr/Supv to recommender.
22	Commander/Supervisor	Complete block 23 of the DA Form 638 to either approve, disapprove, upgrade or downgrade the award recommendation. One block must be checked. If recommending downgrade/upgrade, ensure to indicate which award next to the appropriate block. Take final action and complete block 26 if authorized to do so or forward to next higher commander, supervisor, or headquarters.
23	Intermediate authority	Complete blocks 24 and 25, as applicable. If the chain is such that more blocks are required, the addendum page to DA Form 638 must be completed.
24	Award approval authority	Final award approval authority will complete block 26. If award is approved, downgraded to a lesser award or upgraded forward the DA Form 638 to orders issuing authority (PAC) for completion of Part V-Orders data. Also, ensure that para 3-20v is reflected (if applicable).

**Table 3-2**  
**Steps for preparing and processing awards using the DA Form 638, Recommendation for Award—Continued**

25	PAC/Admin Clerk	If award is disapproved (no award), make copies of the DA Form 638 for PSC records and return the original through the intermediate commander (if any) to BN S1. The PAC will make copies for the recommender, individual, and BN (unit) files. Send copy of the DA Form 638 for filing in Soldier's OMPF.
26	PAC/Admin Clerk	If award is downgraded, prepare Part V, orders data to include issuing headquarters block, permanent orders number, date and approved award. 27	PAC/Admin Clerk	If award is approved or upgraded, prepare Part V, orders data to include issuing headquarters block, permanent orders number, date and approved award. Prepare award certificate as outlined in Table 3-5 for approval authority to sign. The DA Form 638 of an approved award is not filed in the OMPF, on the certificate is filed in the OMPF.

## Section IV

### Task: Prepare Award Certificates

#### 3-22. Rules for preparing Army award certificates

*a.* Proposed certificate citations submitted to HQ, USAHRC (AHRC-PDO-PA) for approval of heroism awards (Soldier's Medal and higher), and for the Distinguished Service Medal will be typed double-spaced, not more than 12 characters per inch, on 8 1/2 by 11-inch paper, and may be continued on one double-spaced typewritten page. Do not submit actual certificates to HQ, USAHRC.

*b.* Certificate citations for the Legion of Merit, Bronze Star Medal, Air Medal with "V" Device and Army Commendation Medal with "V" Device are limited to a maximum of nine lines, 12 characters per inch.

*c.* Certificate citations for the Meritorious Service Medal, Army Commendation Medal and Army Achievement Medal are limited to six lines.

*d.* Army policy does not restrict the use of abbreviations and acronyms in award citations. However, due to the inherent historical value of the award certificate and the acts or service it represents, it is imperative that it be prepared with care so that its appearance is professional and dignified. It is also recommended that only the most commonly known abbreviations and acronyms be used in the citation. The abbreviation/acronym should be spelled out the first time and followed by the abbreviation/acronym in parenthesis. Certificates should include a brief descriptive narrative and should not be so brief as to distract from its meaning, and should be prepared on a letter quality printer or equivalent.

*e.* Effective 4 March 1993, certificates for award of the Meritorious Service Medal, Army Commendation Medal, and Army Achievement Medal will no longer require the overprinted signature of the Secretary of the Army. Effective 5 May 2003, certificates for award of the Legion of Merit will no longer require the overprinted signature of the Secretary of the Army.

Legend for Table 3-6:

The primary purpose of this table is to outline the various awards and decorations approval authorities for use during the immediate stages of Army combat operations. Once delegated, this authority is reviewed every 30, 60, or 90 days during combat operations to determine if further delegation is expedient and justified. Wartime delegation is withdrawn from approval authorities upon redeployment of the unit. This table is absolute and is subject to change as deemed necessary by the Secretary of the Army (SA).

Notes:

<sup>1</sup> The senior Army command (SAC) upon arrival in the theater of operations, or as soon thereafter as practical, will submit a memorandum to Commander, USAHRC (AHRC-PDO-PA), 200 Stovall Street, Alexandria, VA 22332-0471, requesting wartime awards approval authority be activated.

<sup>2</sup> Authority to approve award of the ARCOM under wartime criteria may be delegated to Colonel level commanders.

<sup>3</sup> Approval of the MSM and AAM in the area of combat operations is rescinded. These are peacetime-only decorations.

## **Chapter 4 Good Conduct Medal and Army Reserve Components Achievement Medal**

### **Section I Army Good Conduct Medal**

#### **4-1. Intent**

The Army Good Conduct Medal (AGCM) was established by Executive Order 8809, 28 June 1941 and was amended by Executive Order 9323, 1943 and by Executive Order 10444, 10 April 1953. It is awarded for exemplary behavior, efficiency, and fidelity in active Federal military service. It is awarded on a selective basis to each Soldier who distinguishes himself or herself from among his or her fellow Soldiers by their exemplary conduct, efficiency, and fidelity throughout a specified period of continuous enlisted active Federal military service, as outlined in this chapter. There is no right or entitlement to the medal until the immediate commander has approved the award and the award has been announced in permanent orders. See glossary for definition of "active Federal military service."

#### **4-2. Personnel eligible**

- a. Active component enlisted Soldiers.
- b. Active Guard Reserve (AGR) enlisted personnel serving on extended periods of active duty (other than for training) under titles 10 and 32, USC are eligible for award of the AGCM for qualifying service beginning on or after 1 September 1982, provided no period of the service has been duplicated by the same period of service for which the Soldier has been awarded the Army Reserve Components Achievement Medal (ARCAM). The AGCM qualification period may commence anytime during the 3 years immediately preceding the 1 September 1982 effective date provided no portion of service for the AGCM is included in a period of service for which the ARCAM was awarded.
- c. Retroactively to eligible Army of the United States (AUS) enlisted personnel.
- d. Other Army enlisted personnel as may be directed by the Secretary of the Army.
- e. Ready Reserve enlisted personnel ordered to active duty under title 10, USC.

#### **4-3. Award approval authority**

Unit commanders are authorized to award the AGCM to enlisted personnel serving under their command jurisdiction who meet the established criteria. Where necessary, to correct conflicting or duplicate awards, previously issued general or permanent orders may be revoked and new orders published by the unit commanders, citing this paragraph as authority. Send requests for award of the AGCM for former Soldiers to the National Personnel Records Center, 9700 Page Avenue, St. Louis, MO 63132-5100. Requests for award of the AGCM for Army National Guard and Army Reserve members for periods of active duty based on qualifying prior active Federal military service (Regular Army and AUS) will be forwarded through normal command channels to the Commander, USAHRC-St. Louis, AHRC-PSP-R, 1 Reserve Way, St. Louis, MO 63132-5200. Separation transfer points will review the records of enlisted personnel being separated to determine whether they qualify for the AGCM. Where possible, make a reasonable effort to contact the unit commander before awarding the medal to qualified members.

#### **4-4. Basis for approval**

The immediate unit commander's decision to award the AGCM will be based on his or her personal knowledge and of

the individual's official records for periods of service under previous commanders during the period for which the award is to be made. The lack of official disqualifying comment by such previous commanders qualifies the use of such period toward the award by current commander.

#### **4-5. Qualifying periods of service**

Any one of the following periods of continuous enlisted active Federal military service qualifies for award of the AGCM or of a AGCM Clasp (see para 4-9) in conjunction with the criteria in para 4-6:

- a. Each 3 years completed on or after 27 August 1940.
- b. For first award only, 1 year served entirely during the period 7 December 1941 to 2 March 1946.
- c. For first award only, upon termination of service on or after 27 June 1950, of less than 3 years but more than 1 year.
- d. For first award only, upon termination of service, on or after 27 June 1950, of less than 1 year when final separation was by reason of physical disability incurred in line of duty.
- e. For first award only, for those individuals who died before completing 1 year of active Federal military service if the death occurred in the line of duty. Subparagraph c above also applies to posthumous awards of the AGCM.

#### **4-6. Character of service**

Throughout a qualifying period, each enlisted Soldier must meet all of the following criteria for an award:

- a. The immediate commander evaluates the Soldier's character as above reproach.
- b. The record of service indicates that the Soldier has—
  - (1) Willingly complied with the demands of the military environment.
  - (2) Been loyal and obedient to their superiors.
  - (3) Faithfully supported the goals of their organization and the Army.
  - (4) Conducted themselves in such an exemplary manner as to distinguish them from their fellow Soldiers.
- c. While any record of non-judicial punishment could be in conflict with recognizing the Soldier's service as exemplary, such record should not be viewed as automatically disqualifying. The commander analyzes the record, giving consideration to the nature of the infraction, the circumstances under which it occurred and when. Conviction by court-martial terminates a period of qualifying service; a new period begins following the completion of sentence imposed by court-martial.
- d. In terms of job performance, the Soldier's efficiency must be evaluated and must meet all requirements and expectations for that Soldier's grade, MOS, and experience.
- e. Individuals whose retention is not warranted under standards prescribed in AR 380-67, or for whom a bar to reenlistment has been approved under the provisions of AR 601-280, chapter 8 (specifically for the reasons enumerated in AR 601-280, paras 8-4a, 8-4b, and 8-4d), are not eligible for award of the AGCM.

#### **4-7. Additional implementing instructions**

- a. Qualifying periods of service (see para 4-5) must be continuous enlisted active Federal military service. When an interval in excess of 24 hours occurs between enlistments, that portion of service before the interruption is not creditable toward an award.
- b. Release from enlisted status for entry into service as a cadet or midshipman at any U.S. service academy, or discharge from enlisted status for immediate entry on active duty in an officer status is considered termination of service for awarding the AGCM. A minimum of 12 months enlisted service is required and must have been completed for first award of the AGCM; otherwise, the full 3 years of qualifying enlisted service is required.
- c. A qualified person scheduled for separation from active Federal military service should receive the award at his or her last duty station. Such award is authorized up to 30 days before the Soldier's departure en route to a separation processing installation in CONUS or overseas. Orders announcing such advance awards will indicate the closing date for the award prefixed with date of separation, on or about, as the response to the "Dates or period of service" lead line. Example: from 31 October 1977 to date of separation on or about 30 October 1980. For Soldiers who are granted terminal leave prior to retirement or ETS, orders awarding second and subsequent awards of the AGCM may be issued up to 90 days before retirement or ETS date.
- d. An award made for any authorized period of less than 3 years must be for the total period of obligated active Federal military service. This applies to first award only, all other awards of the AGCM require 3 full years qualifying service.
- e. Discharge under provisions of AR 635-200, paragraph 16-3 for immediate (re)enlistment is not termination of service.

#### **4-8. Disqualification for the Army Good Conduct Medal**

- a. Conviction by courts-martial terminates a period of qualifying service; a new period begins the following day after completion of the sentence imposed by the court-martial.
- b. Individuals whose retention is not warranted or for whom a bar to reenlistment has been approved under the

provisions of AR 601–280, chapter 8 (specifically for the reasons enumerated in AR 601–280, paragraphs 8–4*a*, *b*, *c*, and *d*), are not eligible for award of the AGCM.

*c.* In instances of disqualification as determined by the unit commander, the commander will prepare a memorandum stating the rationale for his or her decision. This memorandum will include the period of disqualification and will be referred to the individual according to AR 600–37, paragraph 3–6. The unit commander will consider the affected individual’s statement. If the commander’s decision remains the same, the commander will forward his or her memorandum, and the individual’s statement, and his or her consideration to Commander, U.S. Army Enlisted Records and Evaluation Center, PCRE–RP, 8899 E. 56<sup>th</sup> Street, Indianapolis, IN 46249–5301. These documents will be permanently filed in the Soldier’s Official Military Personnel File (OMPF). The commander will forward a copy of the documents to the Personnel Services Company (PSC) and the personnel automation section (PAS) chief to update electronic military personnel office (eMILPO).

*d.* Disqualification for an award of the AGCM can occur at any time during a qualifying period (for example, when manner of performance or efficiency declines). The PSC, PAS chief will establish the new “beginning date” for the Soldier’s eligibility for award of the AGCM, enter the new date and code on the Soldier’s eMILPO record and submit eMILPO transaction. These procedures do not apply if Soldier is disqualified under the provisions of paragraph 4–8*b* above.

#### **4–9. Subsequent awards and clasps**

A clasp is authorized for wear on the AGCM to denote a second or subsequent awards. Clasps authorized for second and subsequent awards are in table 4–1.

#### 4-10. Army Good Conduct Medal certificate policy

a. The DA Form 4950 (Good Conduct Medal Certificate) may be presented to enlisted Soldiers only on the following occasions:

- (1) Concurrent with the first award of the AGCM earned on or after 1 January 1981.
- (2) Concurrent with retirement on or after 1 January 1981.

b. When presented at retirement, the DA Form 4950 will reflect the last approved award of the AGCM earned by the Soldier before retirement. The number of the last earned will be centered immediately beneath the line "THE GOOD CONDUCT MEDAL;" for example, "Sixth Award." The period shown on the certificate will be the period cited in the last award earned by the Soldier. The words "UPON HIS OR HER RETIREMENT" may be typed below the Soldier's name.

c. The DA Form 4950 will not be presented for second or subsequent awards of the AGCM except as provided in (2), above.

d. DA Form 4950 is available from the U.S. Army Publications Distribution Center, St. Louis, MO.

#### 4-11. Retroactive award

a. Retroactive award of the AGCM to enlisted personnel, and to officer personnel who qualified in an enlisted status, will be processed by the unit commander, provided evidence is available to establish qualification. If sufficient evidence is not available, contact the Commander, U.S. Army Enlisted Records and Evaluation Center (USAEREC), PCRE-FS, 8899 E. 56<sup>th</sup> Street, Indianapolis, IN 46249-5301. Upon receipt of eligibility information from U.S. Army Enlisted Records and Evaluation Center (USAEREC), the commander should take action to confirm retroactive award of the AGCM by publication of orders, or should inform the Soldier of findings of ineligibility, as appropriate.

b. Requests for retroactive awards of the AGCM for veterans and retirees will be submitted to the National Personnel Records Center, 9700 Page Avenue, St. Louis, MO 61332-5100. Soldiers who retired or were discharged after 1 October 2002 should send their requests to the Commander, U.S. Army Human Resources Command, AHRC-CC-B, 1 Reserve Way, St. Louis, MO 63132-5200.

### **Section III Army Reserve Components Achievement Medal**

#### **4-14. Intent**

The Army Reserve Components Achievement Medal (ARCAM) was established by the Secretary of the Army on 3 March 1971 and amended by DA General Orders 4, 1974. It is awarded for exemplary behavior, efficiency, and fidelity while serving as a member of an Army National Guard (ARNG) or USAR troop program unit (TPU) or as an individual mobilization augmentee (IMA). The first design bears the inscription "United States Army Reserve," the other design bears the inscription, "Army National Guard."

#### **4-15. Personnel eligible**

The ARCAM is authorized for award to Army personnel in the rank of colonel and below. Individual must have been a

member of an (ARNG) unit or USAR TPU. AGR Soldiers and officers are not authorized award of the ARCAM. AGR Soldiers (enlisted) are eligible for the AGCM under the provisions of paragraph 4-2 above. The medal is also awarded to USAR Soldiers serving as IMA after completing qualifying service and on recommendation of the unit commander or HQDA official to which the IMA is assigned.

#### **4-16. Award approval authority**

Approval authority for award of the ARCAM for ARNG units and USAR TPU Soldiers is the Soldier's unit commander. Commander, USAHRC-St. Louis, One Reserve Way, St. Louis, MO 63132-5200, is the approval authority for award of the ARCAM to USAR IMA Soldiers. Orders are not published for the award of this medal. Approved ARCAM is announced using an official memorandum. The records custodian will then annotate the records.

#### **4-17. Peacetime and wartime applicability**

The ARCAM is awarded to eligible Army reserve component Soldiers during times of peace and war. However, during periods of war, the length of qualifying service is subject to change at the discretion of the Secretary of the Army. Ready Reserve enlisted personnel ordered to active duty under title 10, USC, in support of wartime contingency operations, are eligible for award of the AGCM. Refer to paragraphs 4-2, 4-5, and 4-6.

#### **4-18. Basis or criteria for approval**

*a.* Between 3 March 1972 and 28 March 1995, the medal was authorized on completion of 4 years' service with a reserve component unit. Individual must have completed 4 years of qualifying service on or after 3 March 1972 and before 28 March 1995. A qualifying year of service is one in which a Reserve Soldier earns a minimum of 50 retirement points during his/her retirement year. Qualifying service for computation purposes is based only by retirement ending year dates.

*b.* Effective 28 March 1995, the period of qualifying service for award of the ARCAM is reduced from 4 to 3 years. That is, Soldiers completing 3 years of qualified service on or after 28 March 1995 are eligible for ARCAM consideration. This change is not retroactive.

*c.* All awards of the ARCAM must be made under the following conditions:

(1) Such years of qualifying service must have been consecutive. A period of more than 24 hours between Reserve enlistments or an officer's service will be considered a break in service. Credit toward earning the award must begin anew after a break in service. Service while attending Officer Candidate School or Warrant Officer Candidate school will be considered enlisted service, and termination will occur when the Soldier is commissioned or appointed a warrant officer.

(2) Although only unit service may be credited for award of this medal, consecutive Ready Reserve service between periods of unit service will not be considered as a break in service and service in the first unit may be added to service in the second unit to determine total qualifying service.

(3) Soldiers who are ordered to active duty in the AGR program will be awarded the ARCAM if they have completed 2 of the 3 years required (Good Conduct Medal eligibility starts on the effective date of the AGR order). Soldiers with less than 2 years will not receive an award. Service lost may be recovered if the Soldier is separated honorably from the AGR program and reverts to troop program unit service, for example, a Soldier serves 1 year and 6 months of qualifying service and is ordered to an AGR tour. This service is not sufficient for award of the ARCAM. When the Soldier leaves the AGR program that 1 year and 6 months is granted towards the next award of the ARCAM. Only the State Adjutant General may determine that the AGR service was not sufficiently honorable enough to revoke the previously earned time, regardless of the type of separation given.

(4) The member must have exhibited honest and faithful service as is in accordance with the standards of conduct, courage and duty required by law and customs of the service, of a member of the same grade as the individual to whom the standard is being applied.

(5) A member must be recommended for the award by his or her unit commander whose recommendation is based on personal knowledge of the individual and the individual's official records of periods of service under prior commanders during the period for which the award is made.

(6) A commander may not delay award or extend the qualifying period for misconduct. A determination that service is not honorable as prescribed negates the entire period of the award.

#### **4-19. Unqualified service**

*a.* Service performed in the reserve components of the U.S. Air Force, Navy, Marine Corps, or Coast Guard may not be credited for award of the ARCAM.

*b.* Release from Army reserve component status for entry into service as a cadet or midshipman at any U.S. service academy or discharge from Army reserve component for immediate entry in the Regular Army, in an officer or enlisted status, is considered termination of service for the purpose of qualifying for the ARCAM.

*c.* Service while in an enlisted AGR status may not be credited for award of the ARCAM.

#### 4-20. Subsequent awards and Oak Leaf Clusters

Second and succeeding awards of the ARCAM are denoted by Oak Leaf Clusters.

### Section IV

#### Task: Process Award of the Army Reserve Components Achievement Medal

#### 4-21. Rules for processing the Army Reserve Components Achievement Medal

- a. Management of the ARCAM is a partially automation assisted program.
- b. The Standard Installation/Division Personnel System-Reserve Components (SIDPERS-RC) at HRC-St. Louis generates a monthly suspense roster of potential USAR eligible for award of the ARCAM based on the anniversary date of qualifying years of service.
- c. Periodic record screens and personnel audits may also be used to identify Soldiers who are potentially eligible for award of the ARCAM.
- d. Eligibility criteria for the ARCAM are previously shown within this chapter.
- e. Soldiers will be promptly notified, with reasons therefore, whenever they are disapproved for award of an ARCAM.
- f. New beginning dates for qualifying service will be expeditiously put into the SIDPERS- RC database whenever there are changes, that is, recent award, disqualification, break in qualifying service.
- g. Award of the ARCAM to ARNG Soldiers will be governed by the criteria established for the decoration, and the processing will follow the general rules listed above.
- h. Specific detailed step-by-step procedures for award of the ARCAM to ARNG unit Soldiers will be governed and established by the separate State and Territorial Adjutants General, and the Commanding General, District of Columbia Army National Guard.

#### 4-22. Steps for processing award of the Army Reserve Components Achievement Medal for Troop Program Unit Soldiers

The steps for processing award of the Army Reserve Components Achievement Medal for Troop Program Unit Soldiers are in table 4-3.

**Table 4-3**  
**Steps for Processing Award of the Army Reserve Components Achievement Medal for Troop Program Unit Soldiers**

Step	Work Center	Required action
1	Soldier	Becomes eligible for consideration for the ARCAM.
2	HRC-St. Louis	Generate a monthly suspense eligibility roster of Soldiers by unit. Dispatch roster to all applicable units that have Soldiers on the list.
3	BN S1	Ensure each unit that has Soldiers on the roster receives a copy of the roster.
4	Unit PAC	Receives the AAA-199 roster with names of the eligible Soldiers.
5	Unit PAC	Verify that all Soldiers on the roster are currently in the unit. Advise BN S1 of any problems with the roster.

### Section V

#### Award of the Army Reserve Components Achievement Medal to Individual Mobilization Augmentation Soldiers

#### 4-23. Guidance

- a. Award of the ARCAM to IMA Soldiers will be governed by the criteria established for the decoration, and processing will follow the rules in paragraph 4-21 above and steps in table 4-3.
- b. CG, USAHRC-St. Louis, will establish step-by-step procedures for processing and controlling the ARCAM for IMA Soldiers.

## **4-24. Procedures**

Procedures for award of the ARCAM to IMA Soldiers will be in a future update to this regulation.

## **Chapter 5 Service Medals and Service Ribbons**

### **Section I Overview**

#### **5-1. Intent**

Service (campaign) medals and service ribbons denote honorable performance of military duty within specified limited dates in specified geographical areas. With the exception of the Medal of Humane Action, the Armed Forces Reserve Medal, the NCO Professional Development Ribbon, the Army Service Ribbon, and the Army Reserve Components Overseas Training Ribbon, they are awarded only for active Federal military service. Orders are not published for service medals, but they are annotated on records by the personnel officer. Award of U.S. Service Medals (section II) does not preclude award of Foreign and International Service Medals (chapter 9, section II). Refer to chapter 2 for DOD service medals and service ribbons.

#### **5-2. Service medals and ribbons awarded by other U.S. Services**

Service medals and ribbons awarded by other U.S. Services may be worn on the Army uniform except the Air Force Longevity Service Award Ribbon and Air Force and Navy Marksmanship ribbons. Service and training ribbons awarded by other U.S. Services will be worn after U.S. Army service and training ribbons and before foreign awards.

### **Section II U.S. Service Medals and Ribbons Available for Issue**

#### **5-3. Army Reserve Components Overseas Training Ribbon**

*a.* The Army Reserve Components Overseas Training Ribbon (ARCOTR) was established by the Secretary of the Army on 11 July 1984 as announced in Department of the Army General Order 15, dated 10 October 1990. It is awarded to members of the reserve components of the Army (Army National Guard and U.S. Army Reserve), for successful completion of annual training (AT) or ADT for a period not less than 10 consecutive duty days on foreign soil. ARNG and USAR Soldiers who accompany the RC unit (including unit cells) to which they are assigned or attached as full-time unit support (FTUS) during overseas training are also eligible for the award.

*b.* Effective 11 July 1984, all members of the ARNG and USAR are eligible for this award if they were active reserve status members of the Army National Guard, U.S. Army Reserve (not on active duty in the active Army), or AGR FTUS Soldiers at the time their unit underwent AT or ADT on foreign soil.

*c.* AGR personnel, not assigned to a TPU, are also eligible for award of the ARCOTR provided they are ordered overseas specifically as advance party to, simultaneously with, or in support of mop-up operations of RC units training overseas. Ten consecutive days overseas must be met. Other AGR members overseas for any other reason are not eligible for the ARCOTR.

*d.* The ARCOTR may be awarded retroactively to those personnel who successfully completed AT or ADT on foreign soil in a Reserve status prior to 11 July 1984 provided they have an active status as defined above on or after 11 July 1984.

*e.* Soldiers must be credited with completion of at least 10 consecutive duty days outside the 50 States, the District of Columbia and U.S. possessions and territories in the performance of duties in conjunction with active Army, Joint services, or Allied Forces. The day of departure counts; the day of return does not.

*g.* Numerals will be used to denote second and subsequent awards of the ARCOTR. (See para 6-4.)

#### **5-4. Overseas Service Ribbon**

*a.* The Overseas Service Ribbon (OSR) was established by the Secretary of the Army on 10 April 1981 as announced in Department of the Army General Order 15, 10 October 1990. It is awarded to members of the U.S. Army for successful completion of overseas tours.

*b.* The NPDR consists of the basic ribbon with numeral devices of 2, 3, or 4, which signify satisfactory completion of the respective levels of NCO professional development courses.

*c.* A change approved in February 1989 completely revamped the wear policy of numerals on ribbons and award suspension elements. Also, simultaneously TRADOC announced that the First Sergeant Course is not a recognized element of the NCO Professional Development Training System. Because of the impact of these two far-reaching policy changes, no grandfathering is allowed for active Army or reserve component Soldiers concerning the wear of numerals on the NPDR. Only the numerals 2, 3, and 4 are authorized for wear on the ribbon.

*d.* Numerals used in conjunction with this service ribbon are the same type as those used for subsequent awards of the Air Medal.

*e.* Once a service member has been awarded the NPDR upon graduation from Warrior Leader Course (WLC) or Warrior Leader Course-Reserve Component, subsequent appropriate numerals will be awarded to identify completion of higher level Noncommissioned Officers Education System (NCOES) or Reserve Component-NCOES courses.

*f.* Senior NCOs selected by the U.S. Army Sergeants Major Academy (USASMA) who complete equivalent resident courses conducted by the other Services will wear the NPDR with numeral 4.

*g.* Soldiers who have been authorized by their local commanders to attend local NCO courses or training conducted by the other Services and who qualify for or are awarded another Service's training ribbon will not wear the other Service's ribbons on the Army uniform.

*h.* Soldiers who have attended NCO development courses, other than Senior Level, conducted by another Service while in the Army will not be granted Army course equivalency recognition.

*i.* Soldiers must successfully complete one or more of the courses listed in paragraph *k*, below which are further described in DA Pamphlet (DA Pam) 351–4, chapter 6. Graduates of NCO Academy courses conducted prior to 1976 for the active Army, and 1980 for reserve components, will be given credit for the Primary Level only.

*j.* Acceptable evidence of graduation is a diploma, certificate, or a letter signed by an appropriate service school official.

*k.* Effective 30 March 1989, a service member will be awarded the NCO Professional Development Ribbon with the numeral which identifies the highest level of NCOES or RC–NCOES successfully completed as follows: 1=Bar Ribbon Device=Primary Level; 2=Basic Level; 3=Advanced Level; and 4=Senior Level.

*l.* Effective 1 August 1981, all active Army, Army National Guard and Army Reserve Soldiers in an active status are eligible for this award for satisfactory completion of the respective NCOES or RC–NCOES courses as follows:

## **5–8. Armed Forces Reserve Medal**

*a.* The Armed Forces Reserve Medal (AFRM) was established by Executive Order 10163, as announced in Department of the Army Bulletin 15, 1950, and was amended by Executive Order 10439, announced in Department of the Army Bulletin 3, 1953 and Executive Order 13013, dated 6 August 1996. The reverse of this medal is struck in two designs for award to personnel whose reserve component service has been primarily in the organized Reserve or

primarily in the National Guard. The first design portrays the Minute Man from the Organized Reserve Crest; the other design portrays the National Guard insignia.

b. The AFRM is awarded for honorable and satisfactory service as a member or former member of one or more of the reserve components of the Armed Forces of the United States, including the Coast Guard Reserve and the Marine Corps Reserve, for a period of 10 years under the following conditions:

- (1) Such years of service must have been performed within a period of 12 consecutive years.
- (2) Each year of active or inactive status honorable service prior to 1 July 1949 in any reserve component listed in AR 135–180, will be credited toward award. For service performed on or after 1 July 1949, a member must accumulate, during each anniversary year, a minimum of 50 retirement points as prescribed in AR 135–180.
- (3) Service in a regular component of the Armed Forces, including the Coast Guard, is excluded except that service in a reserve component which is concurrent in whole or in part with service in a regular component will be included. (Officers holding Reserve commissions serving on the active duty list (ADL) are, by statute, members of the reserve component. Time served as a Reserve officer on the ADL counts toward eligibility for the AFRM. For example, if a Reserve officer on ADL serves 10 active years prior to going Regular Army, or also received retirement points for other reserve component service which, when added together with their ADL service adds up to 10 years, then that officer is eligible for the AFRM.)
- (4) Any period during which Reserve service is interrupted by one or more of the following will be excluded in computing, but will not be considered as a break in the period of 12 years:
  - (a) Service in a regular component of the Armed Forces.
  - (b) During tenure of office by a State official chosen by the voters of the entire State, territory, or possession.
  - (c) During tenure of office of member of the legislative body of the United States or of any State, territory, or possession.
  - (d) While service as judge of a court of record of the United States, or of any State, territory, possession, or the District of Columbia.
- (5) On or after 1 August 1990, the member was called to active duty and served under 10 USC 12301(a), 10 USC 12302, 10 USC 12304, 10 USC 12406 or, in the case of the US Coast Guard Reserve, 14 USC 712. The member volunteered and served on active duty in support of specific U.S. military operations or contingencies designated by the Secretary of Defense, as defined in 10 USC 101(A) (13). Active guard reserve (AGR) members who receive orders changing their current duty status (legal authority under which they perform duty), their duty location, or assignment to support a contingency operation are eligible for the award of the “M” Device.

c. The Ten-year-device is authorized for wear on the Armed Forces Reserve Medal to denote each 10-year period as follows:

- (1) A bronze hourglass will be awarded upon completion of the first 10-year period award.
  - (2) A silver hourglass will be awarded upon completion of the second 10-year period award.
  - (3) A gold hourglass will be awarded upon completion of the third 10-year period award.
  - (4) A gold hourglass, followed by a bronze hourglass will be awarded upon completion of the fourth 10-year award.
- d. The “M” Device is authorized for wear on the AFRM by members of the reserve components who are called or who volunteer and serve on active duty in support of specific U.S. military operations or contingencies designed by the Secretary of Defense, as defined in 10 USC 101(A)(13).

(1) When a member qualifies for the “M” Device, the Bronze “M” will be awarded, positioned on the ribbon and medal, and a number will be included on the ribbon and medal. No more than one AFRM may be awarded to any one person. Multiple periods of service during one designated contingency (under provisions of paragraph b(4)(a) and (b) above) will count as one “M” Device award.

(2) If no “M” Device is authorized, the appropriate hourglass will be positioned in the center of the ribbon. If no hourglass is authorized, the “M” device will be positioned in the center of the ribbon, followed by Arabic numerals indicating the number of times the device has been awarded, starting with the second award, no number is worn for the first award.

(3) If both the hourglass and the “M” Device are awarded, the hourglass will be positioned in first position on the ribbon (at the wearer’s right), the “M” Device in the middle position, and the number of times the “M” Device has been awarded in the remaining position (at the wearer’s left).

- c. These awards may be granted posthumously to the primary next of kin, free gratis, for the initial award only. (See para 1-47 for reissue and replacement instructions.)
- d. Service medals and ribbons do not require the publication of orders to announce their approval.
- e. Approval of service medals and ribbons are based on administrative determinations rendered by the commander or servicing personnel officer. These decisions should, however, be reflected in an appropriate memorandum, letter, or form addressed to the affected Soldiers.
- f. A single service medal or ribbon request from an active Army Soldier or USAR/ARNG Soldier should be submitted on DA Form 4187 (Personnel Action) through channels to the servicing personnel officer. Supporting source documents (that is, assignment orders, TDY orders, pay documents, travel documents, affidavits, and so forth) should

accompany the request. The burden of proof rests with the Soldier to provide adequate information on which to base a decision.

*g.* Campaigns or expeditions which are recognized by approval of service medals or ribbons that affect large numbers of Soldiers may be processed and approved by computer-generated lists and unit rosters. However, each Soldier must meet the announced criteria.

*h.* Approval authority for retroactive service medals and ribbons for Army retirees, former Army Soldiers, other personnel granted creditable U.S. Army service, and posthumous awards to the primary next of kin of the above personnel, is National Personnel Records Center, 9700 Page Avenue, St. Louis, MO 63132–5100. Approval authority for Soldiers who retired or were discharged after 1 October 2002 is the Commander, U.S. Army Human Resources Command, AHRC–CC–B, 1 Reserve Way, St. Louis, MO 63132–5200.

## Chapter 6 Appurtenances, Lapel Buttons, and Miniature Decorations

### Section I Overview

#### 6–1. Intent

*a.* Appurtenances are devices affixed to service or suspension ribbons or worn instead of medals or ribbons. They are worn to denote additional awards, participation in a specific event, or other distinguished characteristics of the award.

*b.* Commanders authorized to approve the various decorations, service medals, service ribbons, and lapel buttons will likewise requisition (see para 1–45), and provide the applicable accoutrements described in this chapter to personnel who are so recognized.

*c.* The issue, reissue, and replacement of these devices will be governed by the same provisions that apply to the issue, reissue, and replacement of the basic decoration; see paragraph 1–47.

#### 6–2. Service ribbons

*a.* Service ribbons are identical to the suspension ribbon of the medals they represent, mounted on bars equipped with attaching devices, and are issued for wear in place of medals.

*b.* The Medal of Honor is the only decoration authorized a neck ribbon. The service ribbon for the Medal of Honor

is the same color as the neckband showing five stars in the form of an "M." (See AR 670–1 for wear of the service ribbons.)

## **Section II**

### **Service Ribbon Accouterments**

#### **6–3. Oak Leaf Clusters**

A bronze or silver twig of four oak leaves with three acorns on the stem, 13/32-inch long for the suspension ribbon, and 5/16-inch long for the service ribbon bar and the unit award emblem is issued to denote award of second and succeeding awards of decorations (other than the Air Medal), the Army Reserve Components Achievement Medal, and unit awards. A silver Oak Leaf Cluster is worn instead of five bronze Oak Leaf Clusters. If the number of authorized Oak Leaf Clusters exceeds four, a second ribbon is authorized for wear. When wearing the second ribbon, place it after the first ribbon; the second ribbon counts as one award. Wear no more than four Oak Leaf Clusters on each ribbon. If the receipt of future awards reduces the number of Oak Leaf Clusters sufficiently (that is, a silver oak leaf cluster for five awards), remove the second ribbon and place the appropriate number of devices on a single ribbon. Oak Leaf Clusters are not issued for the Legion of Merit awarded in degrees to foreign nationals. Five-sixteenths inch Oak Leaf Clusters joined together in series of 2, 3, and 4 clusters are authorized for optional purchase and wear on service ribbons, and unit award emblems.

#### **6–4. Numerals**

Arabic numerals 3/16 inch in height are issued instead of a medal or ribbon for second and succeeding awards of the Air Medal, Multinational Force and Observers Medal, Overseas Service Ribbon and the Army Reserve Components Overseas Training Ribbon. The ribbon denotes the first award and numerals starting with the numeral 2 denote the number of additional awards. The numeral worn on the NCO Professional Development Ribbon will denote the highest completed level of NCO development. (See para 5–6.) The numerals are to be centered on the suspension ribbon of the medal or the ribbon bar.

#### **6–5. "V" device**

The "V" device is a bronze block letter, V, 1/4-inch high with serifs at the top of the numbers. It is worn to denote participation in acts of heroism involving conflict with an armed enemy. It was originally worn only on the suspension and service ribbons of the Bronze Star Medal to denote an award made for heroism (valor). Effective 29 February 1964, the "V" device was also authorized for wear on the Air Medal and Army Commendation Medal for heroic acts or valorous deeds not warranting awards of the Distinguished Flying Cross or the Bronze Star Medal with "V" device. Effective 25 June 1963, the "V" device was authorized additionally for wear on the Joint Service Commendation Medal when the award is for acts of valor (heroism) during participation in combat operations. In the case of multiple "V" devices for the same award, only one "V" device is worn on the service ribbons.

#### **6–6. "M" device**

The "M" Device is a bronze letter, M, 1/4-inch high with serifs at the bottom of the numbers. It is authorized for wear on the Armed Forces Reserve Medal by members of the reserve components who are called or who volunteer and serve on active duty in support of specific U.S. Military operations or contingencies designated by the Secretary of Defense, as defined in Section 101(a) (13) of Title 10, USC. AGR members who receive orders changing their current duty status (legal authority under which they perform duty), their duty location, or assignment to support a contingency operation are also eligible for award of the "M" Device. (See para 5–7.)

#### **6-8. Service stars**

a. Service stars are worn on campaign and service medals to denote participation in a named campaign (for example, Southwest Asia Service Medal) and on the service ribbons to denote an additional award (for example the National Defense Service Medal). The service star is a bronze or silver five-pointed star 3/16-inch in diameter. A silver star is worn instead of five bronze service stars. The bronze service star is also affixed to the Parachutist Badge to denote participation in a combat parachutist jump, retroactive to 7 December 1941 and the Military Free-Fall Parachutist Badge to denote participation in a combat military free-fall jump, retroactive to 1 October 1994. It denotes participation in a combat parachute jump, helicopter assault landing, combat glider landing, or amphibious assault landing, while assigned or attached as a member of an organized force carrying out an assigned tactical mission. A Soldier must actually exit the aircraft or watercraft, as appropriate, to receive assault credit. Individual assault credit is tied directly to the combat assault credit decision (see para 7-25) for the unit to which the Soldier is attached or assigned at the time of the assault. Should a unit be denied assault credit, no assault credit will accrue to the individual Soldiers of that unit. It is worn on the service and suspension ribbons of the Asiatic-Pacific Campaign, European-African-Middle Eastern Campaign, Korean Service Medal, Vietnam Service Medal, Armed Forces Expeditionary Medal and the Global War on Terrorism Expeditionary Medal. Only one arrowhead will be worn on any ribbon.

## **Section III**

### **U.S. Unit Decorations**

#### **7-12. Description**

a. The following U.S. unit decorations, in order of precedence, have been established to recognize outstanding heroism or exceptionally meritorious conduct in the performance of outstanding services:

- (1) Presidential Unit Citation (Army and Air Force).
- (2) Presidential Unit Citation (Navy).
- (3) Joint Meritorious Unit Award.
- (4) Valorous Unit Award.
- (5) Meritorious Unit Commendation (Army).
- (6) Navy Unit Commendation.
- (7) Meritorious Unit Commendation (Navy).
- (8) Air Force Outstanding Unit Award.
- (9) Air Force Organizational Excellence Award.
- (10) Army Superior Unit Award.
- (11) Citation in Orders—Unit Recognition.

*b.* Refer to AR 670–1 for wear instructions for the Presidential Unit Citation (Navy), Presidential Unit Citation (Air Force), Joint Meritorious Unit Award, Navy Unit Commendation, Air Force Outstanding Unit Award, Meritorious Unit Commendation (Navy) and Air Force Organizational Excellence Award.

### **7–13. Presidential Unit Citation (Army)**

*a.* The Distinguished Unit Citation (DUC) is the predecessor of the Presidential Unit Citation (PUC) (Army). On 3 November 1966, the DUC was redesignated the PUC (Army). The PUC is awarded to units of the Armed Forces of the United States and cobelligerent nations for extraordinary heroism in action against an armed enemy occurring on or after 7 December 1941. The unit must display such gallantry, determination, and esprit de corps in accomplishing its mission under extremely difficult and hazardous conditions as to set it apart from and above other units participating in the same campaign. The degree of heroism required is the same as that which would warrant award of a Distinguished Service Cross to an individual. Extended periods of combat duty or participation in a large number of operational missions, either ground or air is not sufficient. This award will normally be earned by units that have participated in single or successive actions covering relatively brief time spans. It is not reasonable to presume that entire units can sustain Distinguished Service Cross performance for extended periods except under the most unusual circumstances. Only on rare occasions will a unit larger than a battalion qualify for award of this decoration.

*b.* Recommendations for award of the PUC to Army units will be submitted on a DA Form 7594 and processed through normal military command channels to USAHRC, AHRC–PDO–PA, Alexandria, VA 22332–0471. Recommendations will be initiated by a senior parent headquarters to the unit recommended for the award. Each recommendation will be submitted as promptly as practicable, supported by the following data:

- (1) Operational orders and reports.
- (2) Maps showing the terrain and the dispositions and actions of the opposing forces.
- (3) Casualties sustained on both sides.
- (4) A list of all units assigned and attached, actually present and participating in the action, and the inclusive dates of the period of service for each unit.
- (5) The complete official unit designation and Unit Identification Code (UIC) must be included for each unit. Include designations and derivative UICs for subordinate elements of parent units and for all elements comprising task force organizations. When less than the entire unit is involved, but more than 65 percent of the MTOE strength, it should be indicated by a minus sign (-) next to the unit designation. When the percentage involved is less than 65 percent of a unit's MTOE strength, the unit should be listed as a detachment of the parent unit.
- (6) A statement from the commander certifying that more than 65 percent of each unit's MTOE strength participated in the action. If less than 65 percent participated, a detachment of the unit may be cited.
- (7) Any other pertinent material.
- (8) A proposed citation, naming all participating units, and the specific date and location of the action.

*c.* Each recommendation for the PUC unit award must be formally entered into official channels within 2 years from the date of the heroism or services performed.

(1) Recommendations for award of a unit decoration to a unit of the Armed Forces of the United States or a cobelligerent nation serving in a Joint command will be submitted through command channels to the commander or military department having authority to make the award. When a recommendation covers services, all or a portion of which were performed while the unit was operating under a Joint commander, comments or recommendation concerning the valorous actions of that unit will be obtained from the Joint commander concerned.

(2) Intermediate level commanders will recommend approval or disapproval for each recommendation and forward it to the next higher headquarters. If disapproval is recommended, the reasons for disapproval will be cited.

*d.* The Secretary of the Army, on behalf of the President of the United States, is the final approval authority for PUC.

*e.* The award elements for the PUC (Army) are as follows: PUC Streamer (Army); Presidential Unit Emblem (Army); certificate and citation; and Department of the Army General Order.

## **7-14. Valorous Unit Award**

*a.* The Valorous Unit Award (VUA) may be awarded to units of the Armed Forces of the United States and cobelligerent nations for extraordinary heroism in action against an armed enemy of the United States while engaged in military operations involving conflict with an opposing foreign force or while serving with friendly foreign forces engaged in an armed conflict against an opposing armed force in which the United States is not a belligerent party for actions occurring on or after 3 August 1963.

*b.* The VUA requires a lesser degree of gallantry, determination, and esprit de corps than that required for the Presidential Unit Citation. Nevertheless, the unit must have performed with marked distinction under difficult and hazardous conditions in accomplishing its mission so as to set it apart from and above other units participating in the same conflict. The degree of heroism required is the same as that which would warrant award of the Silver Star to an individual. Extended periods of combat duty or participation in a large number of operational missions, either ground or air is not sufficient.

*c.* This award will normally be earned by units that have participated in single or successive actions covering relatively brief time-spans. It is not reasonable to presume that entire units can sustain Silver Star performance for extended periods except under the most unusual circumstances. Only on rare occasions will a unit larger than a battalion qualify for award of this decoration.

*d.* Recommendations for award of the VUA to Army units will be submitted on a DA Form 7594 and processed through normal military command channels to USAHRC, AHRC-PDO-PA, Alexandria, VA 22332-0471. Recommendations will be initiated by a senior parent headquarters to the unit recommended for the award. Each recommendation will be submitted as promptly as practicable, supported by the following data:

- (1) Operational orders and reports.
- (2) Maps showing the terrain and the dispositions and actions of the opposing forces.
- (3) Casualties sustained on both sides.
- (4) A list of all units assigned and attached, actually present and participating in the action, and the inclusive dates of the period of service for each unit.
- (5) A statement from the commander certifying that more than 65 percent of each unit's MTOE strength participated in the action. If less than 65 percent participated, a detachment of the unit may be cited.
- (6) The complete official unit designation and Unit Identification Code (UIC) must be included for each unit. Include designations and derivative UICs for subordinate elements of parent units and for all elements comprising task force organizations. When less than the entire unit is involved, but more than 65 percent of the MTOE strength, it should be indicated by a minus sign (-) next to the unit designation. When the percentage involved is less than 65 percent of a unit's MTOE strength, the unit should be listed as a detachment of the parent unit.
- (7) Any other pertinent material.
- (8) A proposed citation, naming all participating units, and the specific date and location of the action.

*e.* Each recommendation for the VUA must be formally entered into official channels within 2 years from the date of the heroism or services performed.

*f.* Recommendations for award of a unit decoration to a unit of the Armed Forces of the United States or a cobelligerent nation serving in a Joint command will be submitted through command channels to the commander or military department having authority to make the award. When a recommendation covers services, all or a portion of which were performed while the unit was operating under a Joint commander, comments or recommendation concerning the valorous actions of that unit will be obtained from the Joint commander concerned.

*g.* Intermediate level commanders will recommend approval or disapproval for each recommendation and forward it to the next higher headquarters. If disapproval is recommended, the reasons for disapproval will be cited.

*h.* The DCS, G-1 is approval authority for the VUA.

*i.* The award elements for the VUA are as follows: VUA Streamer; VUA Emblem; certificate and citation; and Department of the Army General Orders.

## **7-15. Meritorious Unit Commendation (Army)**

*a.* The Meritorious Unit Commendation (MUC) (Army) (previously called the Meritorious Service Unit Plaque) is awarded to units for exceptionally meritorious conduct in the performance of outstanding services for at least 6 continuous months during the period of military operations against an armed enemy occurring on or after 1 January 1944. Service in a combat zone is not required, but must be directly related to the combat effort. Units based in the continental United States are excluded from this award, as are other units outside the area of operation. The unit must display such outstanding devotion and superior performance of exceptionally difficult tasks as to set it apart and above other units with similar missions. The degree of achievement required is the same as that which would warrant award of the Legion of Merit to an individual. Only on rare occasions will a unit larger than a battalion qualify for award of this decoration. For services performed during World War II, awards will be made only to service units and only for services performed between 1 January 1944 and 15 September 1946.

*b.* Effective 1 March 1961, the MUC was authorized for units and/or detachments of the Armed Forces of the United States for exceptionally meritorious conduct in performance of outstanding services for at least 6 continuous

months in support of military operations. Service(s), as used in this paragraph, is interpreted to relate to combat service support type activities and not to the type of activities performed by senior headquarters, combat, or combat support units.

*c.* Recommendations for award of the MUC to Army units will be submitted on a DA Form 7594 and processed through normal military command channels to USAHRC, AHRC-PDO-PA, Alexandria, VA 22332-0471. Recommendations will be initiated by a senior parent headquarters to the unit recommended for the award. Each recommendation will be submitted as promptly as practicable, supported by the following data:

- (1) List of tasks performed during the period.
- (2) Record of absence without leave.
- (3) Convictions by court-martial.
- (4) Punishments under Article 15, Uniform Code of Military Justice (UCMJ).
- (5) A statement from the commander certifying that more than 65 percent of each unit's MTOE strength participated. If less than 65 percent participated, a detachment of the unit may be cited.
- (6) A list of all units assigned and attached, actually present and the inclusive dates of the period of service for each unit.
- (7) The complete official unit designation and Unit Identification Code (UIC) must be included for each unit. Include designations and derivative UICs for subordinate elements of parent units and for all elements comprising task force organizations. When less than the entire unit is involved, but more than 65 percent of the MTOE strength, it should be indicated by a minus sign (-) next to the unit designation. When the percentage involved is less than 65 percent of a unit's MTOE strength, the unit should be listed as a detachment of the parent unit.
- (8) Any other pertinent information.
- (9) A proposed citation, naming all participating units, and the specific date and location of the service being recognized.

*d.* Each recommendation for the MUC (Army) must be formally entered into official channels within 2 years from the date of the services performed.

*e.* Recommendations for award of the MUC (Army) to a unit of the Armed Forces of the United States or a cobelligerent nation serving in a Joint command will be submitted through command channels to the commander or military department having authority to make the award. When a recommendation covers services, all or a portion of which were performed while the unit was operating under a Joint commander, comments or recommendation concerning the valorous actions of that unit will be obtained from the Joint commander concerned.

*f.* Intermediate level commanders will recommend approval or disapproval for each recommendation and forward it to the next higher headquarters. If disapproval is recommended, the reasons for disapproval will be cited.

*g.* The DCS, G-1 is approval authority for the MUC.

*h.* The award elements for the MUC are as follows: MUC Streamer; MUC Emblem; certificate and citation; and Department of the Army General Orders.

## **7-16. Army Superior Unit Award**

*a.* The Army Superior Unit Award (ASUA) was established by the Secretary of the Army on 8 April 1985 (Department of the Army General Orders 15, 10 October 1990) to recognize outstanding meritorious performance of a unit during peacetime of a difficult and challenging mission under extraordinary circumstances. Circumstances may be deemed to be extraordinary when they do not represent the typical day-to-day circumstances under which the unit normally performs, or may reasonably be expected to perform, its peacetime mission. The following additional criteria also applies:

(1) The unit must display such outstanding devotion and superior performance of exceptionally difficult tasks as to set the unit apart from and above other units with similar missions. For the purpose of this award, peacetime is defined as any period during which wartime or combat awards are not authorized in the geographical area in which the mission was executed. The ASUA may be awarded to units that distinguish themselves while conducting humanitarian missions for a minimum of 30 days; however, the ASUA will not be awarded if the same act or period of service has already been recognized by another unit award.

(2) The award applies to both TO&E units and TDA organizations of battalion size or equivalent. distribution and allowances (TDA) organizations may be considered for this award, even if comprised mostly of civilians. As an exception to policy, organizations larger than battalion equivalent size may also be submitted, but the submitting headquarters must take care to highlight the logic associated with the request to justify an exception to policy.

*b.* Recommendations for award of the ASUA to Army units will be submitted on a DA Form 7594 and processed through normal military command channels to USAHRC, AHRC-PDO-PA, Alexandria, VA 22332-0471, unless it has been earlier disapproved by a general officer in the chain of command. Recommendations will be initiated by a senior parent headquarters to the unit recommended for the award. Each recommendation will be submitted as promptly as practicable, supported by the following data:

- (1) Detailed unit mission statement.

- (2) Narrative outlining the period and basis for the award.
- (3) Record of absence without leave.
- (4) Convictions by courts-martial.
- (5) Punishments under Article 15, UCMJ.
- (6) A statement from the commander certifying that more than 65 percent of each unit's MTOE strength participated in the effort being recognized. If less than 65 percent participated, a detachment of the unit may be cited.
- (7) A list of all units assigned and attached and the inclusive dates of the period of service for each unit.
- (8) The complete official unit designation and Unit Identification Code (UIC) must be included for each unit. Include designations and derivative UICs for subordinate elements of parent units and for all elements comprising task force organizations. When less than the entire unit is involved, but more than 65 percent of the MTOE strength, it should be indicated by a minus sign (-) next to the unit designation. When the percentage involved is less than 65 percent of a unit's MTOE strength, the unit should be listed as a detachment of the parent unit.
- (9) A proposed citation, naming all participating units, and the specific date and location of the service being recognized.
  - c. Each recommendation must be formally entered into military channels within 2 years from the completion of the mission or services. Achievements or service for which this award is intended to recognize will not normally exceed 12 months in duration.
  - d. Battalion and smaller or comparable units organized under TOE and similar type units organized under tables of TDA. Under most circumstances, headquarters type units would not be eligible for the award. Award to units larger than battalion size would be infrequent.
  - e. Any general officer in the chain of command may disapprove an ASUA recommendation.
  - f. The DCS, G-1 is the approval authority for the ASUA.
  - g. The award elements for the ASUA are as follows: ASUA Emblem; certificate and citation; streamer; and Department of the Army General Orders.
  - h. The Army Superior Unit Award Lapel Pin is authorized for issue and wear by Department of the Army civilians in the employ of the decorated unit. Those individuals employed with the unit during the cited period may wear the lapel pin permanently. Those currently employed with a decorated unit, but who were not employed during the cited period may wear the lapel pin on a temporary basis as long as they remain employed by the unit. The lapel pin is also authorized for optional purchase and wear on civilian clothing by qualified military personnel. Permanent and temporary wear is governed by the provisions of AR 670-1.

17. NARRATIVE:

The mission of the 221st Signal Battalion is to provide theater level communication security (COMSEC) logistics support; Direct, General, and Special Repair Activity (Depot) level COMSEC and Controlled Cryptographic Items (CCI) maintenance support for all U.S. Armed Forces, U.S. Government agencies and the North Atlantic Treaty Organization (NATO) forces, as directed, within the European, Southwest Asian, and Korean theaters.

The men and women of the 221st Signal Battalion have been vital participants in the world's war on terrorism by providing unparalleled COMSEC logistic support to America's Armed Forces deployed worldwide.

In 2005, the Soldiers and civilians of 221st Signal Battalion played a vital role in the US-led war against terrorism. It was through the efforts of these men and women that the battalion was able to accomplish their missions. These Soldiers provided vital COMSEC and CCI maintenance to units across the globe.

Company A has saved the Department of Defense over \$1,000,000 each year through its detail-oriented mission accomplishments. When a unit requires maintenance on a CCI device, Company A tests it first on their workbench to determine which of the circuit needs repair. They are then able to take a card from the stock and immediately return the item to the customer. From there, the circuit card is tested to determine which circuit is broken. The Soldiers then used their skills to remove and replace the bad components on the circuit board. Once the card is determined to be 100% repaired, it is returned to stock to be used to repair another unit's equipment. This process allows us to replace the less expensive components on the card rather than ordering the entire card. It also saves customers wait time as some cards take almost a month to arrive in country.

When the call came for units throughout Europe to deploy in support of Operation ENDURING FREEDOM (OEF), Company A provided a 20 person Maintenance Support Team package that was ready to deploy within 48 hours. While assigned to the 17th Signal Brigade, they performed high level maintenance and services on the Brigade's COMSEC and CCI equipment. They performed Modified Work Orders (MWOs) on numerous STE phones that enabled the commanders to communicate securely over cell phones.

The Soldiers of Company B have traveled throughout Europe to provide their services to our customers. When it was identified that the new STE upgrade would be required on all STEs, Company B had the mission of providing support Europe-wide. This was a vital MWO for our customers. Company B has completed over 2000 STE up-grades, completing 700 of them in just 4 days for Army Material Command Europe in support of Operation IRAQI FREEDOM (OIF).

## 7-17. Rules for processing DA Form 7594, Unit Award Recommendation

a. The DA Form 7594, Unit Award Recommendations (see fig 7-1), will be used to initiate, process, and approve unit award recommendations.

b. The USAHRC, AHRC-PDO-PA is the only authorized issuer of permanent unit award orders authorized as part of the DA Form 7594. Approved unit awards will also be confirmed in Department of the Army General Orders at a later date. Records custodians may use the form as authorization to update individual records.

c. Each headquarters will have procedures established to ensure that every recommendation is processed with minimum delay. Recommendations for unit awards should arrive to USAHRC, AHRC-PDO-PA no later than 120 days prior to the desired presentation date. Recommendation packets to include DA Form 7594 may not be more than 25 pages.

d. Classified unit award recommendation packets will be prepared, processed and protected according to AR 380-5. The fourth and fifth page of the DA Form 7594 must be unclassified. Proposed and approved citations will be prepared so as to contain no classified information.

e. The recommender will, to every extent possible, verify data on the DA Form 7594 from official U.S. Army Center of Military History (CMH) lineage and honors documents.

f. Recommendations submitted to USAHRC, AHRC-PDO-PA will be submitted with the original and three copies of all documents.

g. Premature disclosure of information to the public, or to the unit being recommended for an award is a potential source of embarrassment to recommending officials and should be strongly discouraged. Prior disclosure of approved unit awards should also be discouraged since it would diminish the impact of ceremonies when the award is ultimately presented.

h. Recommendations will be forwarded through command channels to USAHRC, AHRC-PDO-PA, unless otherwise delegated in accordance with table 3-3. Each intermediate commander will recommend approval or disapproval, and cite specific reasons whenever disapproval is recommended. In accordance with paragraph 7-16 any general officer in the chain of command may disapprove an ASUA recommendation.

i. Narrative description for unit awards will be submitted in accordance with applicable recommended unit award paragraphs. The narrative may be submitted in 10, 11, or 12 pitch font on space provided on DA Form 7594. If additional pages are required, continuation pages may be submitted on an 8 1/2 by 11-inch bond paper enclosed as an addendum to the form. Citations for unit awards must be meaningful and specific and are limited to 25 lines.

j. Steps for preparing and processing unit awards using the DA Form 7594 are outlined in table 7-1.

## Section IV

### Campaign credit, streamers, and other Unit Award Devices

#### 7–18. Establishing campaign participation credit

a. Army units will be deemed to have participated in combat if they actually engaged the enemy in combat, if they were deployed in a designated combat zone, or if they performed duties either in the air or on the ground in any part of the combat zone at any time during the designated period of the respective battle, campaign, or expedition.

b. During the period of military operations against an armed enemy and for 1 year thereafter, the senior Army commander in the theater of operations is authorized to grant campaign participation credit for named campaigns to units under his or her command. This authority may not be further delegated. Campaign participation credit will be published in permanent orders of the awarding commander, and will be confirmed in Department of the Army General Orders.

c. In the absence of an order by the senior Army theater commander, the U.S. Army Center of Military History will use the following criteria to determine credit:

(1) In instances where units do not appear on the senior Army theater commander's list, an organization will be granted campaign participation credit if unit movement orders are furnished as evidence of its participation in the campaign.

(2) An organization will be granted campaign participation credit if evidence is furnished that 65 percent or more of its MTOE strength participated in the campaign.

(3) In the absence of unit movement orders, and/or evidence of 65 percent of its modification table of organization and equipment (MTOE) strength having participated, an organization will not be granted campaign participation credit. However, those unit members who did participate in a campaign will be entitled to wear bronze service stars on their campaign medal to denote participation in a campaign.

d. The boundaries of the combat zone and time limitations of each campaign in World Wars I and II, the Korean War, and the operations in Grenada, Panama, Southwest Asia, and Dominican Republic have been announced in DA

General Orders. The Chief of Military History determines the campaign participation credit for all wars prior to World War I and for the Vietnam Conflict.

- e.* See AR 840–10, chapter 9, paragraph 9–11 d and 3 for Civil War service.
- f.* A list of established campaigns are in appendix B.

### **7–19. Campaign streamers**

*a.* Campaign streamers are awarded for active Federal military service to units or organizations that are authorized an organizational color or distinguishing flag to recognize receipt of campaign participation credit. They will be awarded ceremoniously in recognition of campaign participation credit. (See FM 3–21.5.)

- b.* See AR 840–10, paragraph 9–3b for information on ordering streamers.
- c.* Announcement of the units' campaign participation must be confirmed in HQDA General Orders.

### **7–20. War service streamers**

A war service streamer is awarded to a unit authorized an organizational color, distinguishing flag or guidon to recognize active Federal military service in a theater or area of operations only when the unit is not authorized a campaign streamer for service in the same theater or area of operations during the same war or conflict. In every case a war service streamer will be without inscription.

### **7–21. Combat Infantry Streamer**

*a.* When 65 percent or more of the TOE strength of a separate infantry or ranger platoon, infantry or ranger company, battalion or brigade has been awarded the Combat Infantryman Badge (CIB) during military operations against an opposing foreign force in war, or in any military action where the CIB is authorized, the unit will be awarded a Combat Infantry Streamer. The streamer is authorized to be awarded to a unit for each separate war or military operation in which the requirements prescribed herein have been met. A star embroidered on the streamer will represent each additional award. (See para 8–6 for criteria for award of the CIB.)

*b.* Effective 20 December 1989, Special Forces units meeting the criteria above are eligible for award of the Combat Infantry Streamer. The Combat Infantry Streamer will not be retroactively awarded to Special Forces units prior to 20 December 1989.

*c.* During the period of military operations against an armed enemy and for 1 year thereafter, commanders of infantry, ranger, or Special Forces battalions, groups, regiments, or brigades are authorized to award the Combat Infantry Streamer to infantry, ranger, or Special Forces companies under their command. During this same period, commanding generals of divisions, corps, and armies are authorized to award Combat Infantry Streamers to separate infantry, ranger, or Special Forces platoons, battalions, groups, regiments, and brigades under their command when all other criteria are met. This authority may not be further delegated.

*d.* The Combat Infantry Streamers will be supplied upon approval of requisitions submitted to the U.S. Army Soldier Systems Team, PO Box 57997, Philadelphia, PA 19111–7997. The requisition for a streamer will also include a DD Form 1348–6 (DOD Single Item Requisition System Document) and a letter signed by the unit's Commanding Officer requesting the streamer. A sample format and instructions for filling out the DD Form 1348–6 can be found at the following Web site: <http://www.dtic.mil/whs/directives/infomgt/forms/eforms/dd1348-6.pdf>.

### **7–22. Combat Medical Streamer**

*a.* When 65 percent or more of the TOE strength of a medical unit authorized a color, distinguishing flag, or guidon has been awarded the Combat Medical Badge (CMB) during military operations in war or in any military action where the CMB is authorized, the unit will be awarded the Combat Medical Streamer. (See para 8–7 for criteria for award of the CMB.)

*b.* During a period of military operations against an armed enemy and for one year thereafter, commanders of armies, corps, divisions, or separate brigades are authorized to award the Combat Medical Streamer to medical units under their command. This authority may not be further delegated.

- c.* See paragraph 7–21d above for the requisition of the Combat Medical Streamer.

### **7–23. Assault landing credit—Arrowhead device**

*a.* Assault landing credit (award of the bronze arrowhead) may be made to units of the Army who, in the combat zone of a battle, campaign, or expedition as established by Joint Chiefs of Staff or DA, accomplishes one of the following types of assault operations:

(1) Makes a parachute jump into enemy-held territory as a part of an organized force carrying out an assigned tactical mission.

(2) Participates in the assault waves of an amphibious landing on enemy-held territory.

(3) Makes a helicopter assault landing into enemy-held territory as a part of an organizational force carrying out an assigned tactical mission.

- b.* The assault operation will be of such scope as to warrant DA designation as a battle or campaign and be of such

magnitude as to include tactical elements of at least one other Service. The forces committed should be spearheading a major assault into enemy controlled territory. The operation will be such that the committed forces will ultimately control the area in which they have landed and not rely on immediate link-up with other forces or extrication after a hit-and-run type of mission. Day-to-day combat assault type missions in an already established combat zone do not qualify for award of the arrowhead device. For the individual Soldier to receive award of the arrowhead, the Soldier must physically exit the aircraft or watercraft during the assault landing.

c. Senior Army commanders, serving in the rank of lieutenant general or higher, in the theater of operations may approve combat assault landing credit for the purpose of qualifying for the arrowhead device. This authority may not be further delegated. Not later than 60 days after approval of this credit, the data listed below will be submitted to HQ, USAHRC, AHRC-PDO-PA, Alexandria, VA 22332-0471.

- (1) Size and composition of the force involved.
- (2) Lists of units that participated in the assault landing.
- (3) Mission.
- (4) The length of the operations and the relationship to the tactical operations of the unified command controlling the operation.
- (5) The date and time of the start of and the date and time of the close of the assault operation will be stated.
- (6) Enemy situation and reaction.
- (7) The specific location where the assault landing occurred.
- (8) A statement certifying that more than 65 percent of each unit's MTOE strength participated in the assault landing. If less than 65 percent participated, a detachment of the unit may be cited.
- (9) Complete official unit designation and Unit Identification Code (UIC) must be included for each unit. Include designations and derivative UICs for subordinate elements of parent units, and for all elements comprising task force organizations. When less than the entire unit is involved, but more than 65 percent of the MTOE strength, it should be indicated by a minus sign (-) next to the unit designation. When the percentage involved is less than 65 percent of the MTOE strength, the unit should be listed as a detachment of the parent unit.

d. HQ, USAHRC (AHRC-PDO-PA) will forward the information to Office of the Deputy Chief of Staff, G-3 (DCS, G-3) and the U.S. Army Center of Military History for confirmation. HQ, USAHRC will then publish a DAGO announcing assault-landing credit—

e. Units who have individuals participating should maintain a master by-name roster of Soldiers who participated for record purposes. At the appropriate time, these records should be retired to the archival system.

f. Individual Soldiers' recognition of an arrowhead does not require publication of orders. Soldier qualification records will be annotated for arrowhead credit per AR 600-8-104. Once assault-landing credit is announced in DAGO, permanent orders may be published awarding individual Soldier's award of the Parachutist Badge with bronze arrowhead. See paragraph 8-11.

This streamer may be displayed by the organization for 1 year, at the expiration of which the unit must re-qualify under the above rules.

*b.* Commanders of infantry, ranger, or Special Forces battalions, groups, regiment, or brigades may award the Expert Infantry Streamer to infantry companies under their command. Commanding generals may award Expert Infantry Streamers to separate infantry, ranger, or Special Forces platoons, infantry battalions and brigades under their command. *b.* Commanding General, Health Services Command, installation commanders, commanders of combat divisions, separate brigades, separate regiments, and separate groups may award the Expert Medical Streamer to medical units within their command under the above criteria.

## **7-26. Earned honor device**

To accentuate regimental honors within the United States Army Regimental System and, at the same time, allow each color-bearing and guidon-bearing elements of the regimental family to identify its own contributions to regimental history and tradition, a device is authorized to identify each honor earned by the element. The device is authorized for display on streamers of organizational colors and unit guidons. (See AR 840-10, paragraph 9-6 for description and display of the Earned Honor Device.)

## **Section V**

### **Display and Presentation of U.S. Unit Honors**

#### **7-27. Display of unit honors**

*a.* A unit authorized a distinguishing flag or organizational color will commemorate each award of a unit decoration, campaign participation credit, or war service credit by display of a streamer and, when applicable, a fourragere or lanyard on the flagstaff.

*b.* A TOE unit authorized a guidon will commemorate awards as follows:

- (1) Each unit decoration by display of a streamer
- (2) Each campaign participation credit by display of a streamer on the guidon staff. Each silver band will be engraved with the name of the war and the name of the campaign.
- (3) Each war service credit by display of a streamer on the guidon staff. Each silver band will be engraved with the name of the war, but will not contain a campaign inscription.

*c.* TDA units are authorized to display earned streamers.

*d.* A unit or element that is not authorized a distinguishing flag, color, or guidon will not be awarded a streamer, even though the unit meets all other requirements. (For example, in a rifle platoon of an Infantry Company, Infantry Battalion, more than 65 percent of the members may be holders of the Combat Infantryman Badge; award of a streamer is not authorized.)

*e.* See AR 840-10 for instructions on display of unit honors.

## **Chapter 8**

### **Badges and Tabs, U.S. Origin**

#### **Section I**

The purpose of awarding badges is to provide for public recognition by tangible evidence of the attainment of a high degree of skill, proficiency, and excellence in tests and competition, as well as in the performance of duties.

##### **8–2. Types of badges**

*a.* Combat and special skill badges are awarded to denote proficiency in performance of duties under hazardous conditions and circumstances of extraordinary hardship as well as special qualifications and successful completion of prescribed courses of training.

*b.* Marksmanship badges and tabs are awarded to indicate the degree in which an individual has qualified in prescribed weapons firing courses or events.

c. Identification badges are authorized to be worn as public evidence of deserved honor and distinction to denote service performed in specified assignments.

d. There are four tabs authorized to indicate skill: Ranger, Special Forces, Sapper Tab, and President's Hundred.

### **8-3. Special guidance**

a. Effective 30 September 1986, locally established special skill badges are no longer authorized for wear. Authority for major commanders to approve local badges is rescinded.

d. The processing of orders for award, rescission, revocation, and reinstatement of Army badges and tabs is in paragraphs 1-26c and 1-30.

## **Section II**

### **Combat and Special Skill Badges**

#### **8-6. Combat Infantryman Badge**

a. For award of the CIB a Soldier must meet the following three requirements:

- (1) Be an infantryman satisfactorily performing infantry duties.
- (2) Assigned to an infantry unit during such time as the unit is engaged in active ground combat.
- (3) Actively participate in such ground combat. Campaign or battle credit alone is not sufficient for award of the CIB.

b. The specific eligibility criteria for the CIB require that

(1) A Soldier must be an Army infantry or special forces officer (SSI 11 or 18) in the grade of colonel or below, or an Army enlisted Soldier or warrant officer with an infantry or Special Forces MOS, who subsequent to 6 December 1941 has satisfactorily performed duty while assigned or attached as a member of an infantry, ranger or special forces unit of brigade, regimental, or smaller size during any period such unit was engaged in active ground combat. Eligibility for Special Forces personnel in Military Occupational Specialties (MOS) 18B, 18E, 18F, and 18Z (less Special Forces medical sergeant) accrues from 20 December 1989. Retroactive awards of the CIB to Special Forces personnel are not authorized prior to 20 December 1989.

(2) A recipient must be personally present and under hostile fire while serving in an assigned infantry or Special Forces primary duty, in a unit actively engaged in ground combat with the enemy. The unit in question can be of any size smaller than brigade. For example, personnel possessing an infantry MOS in a rifle squad of a cavalry platoon in a

cavalry troop would be eligible for award of the CIB. Battle or campaign participation credit alone is not sufficient; the unit must have been in active ground combat with the enemy during the period.

(3) Personnel with other than an infantry or Special Forces MOS are not eligible, regardless of the circumstances. The infantry or Special Forces SSI or MOS does not necessarily have to be the Soldier's primary specialty, as long as the Soldier has been properly trained in infantry or Special Forces tactics, possesses the appropriate skill code, and is serving in that specialty when engaged in active ground combat as described above. Commanders are not authorized to make any exceptions to this policy.

(4) Awards will not be made to general officers or to members of headquarters companies of units larger in size than brigade.

(5) On or after 18 September 2001—

(a) A Soldier must be an Army infantry or special forces (SSI 11 or 18) in the grade of colonel or below, or an Army enlisted Soldier or warrant officer with an infantry or special forces MOS, who has satisfactorily performed duty while assigned or attached as a member of an infantry, ranger or special forces unit of brigade, regimental, or smaller size during any period such unit was engaged in active ground combat, to close with and destroy the enemy with direct fires.

(b) A Soldier must be personally present and under fire while serving in an assigned infantry or Special Forces primary duty, in a unit engaged in active ground combat, to close with and destroy the enemy with direct fires.

(c) Soldiers possessing MOS of 18D (Special Force Medical Sergeant) who satisfactorily perform special forces duties while assigned or attached to a special forces unit of brigade, regimental, or smaller size during any period such unit was engaged in active ground combat may be awarded the CIB. These Soldiers must have been personally present and engaged in active ground combat, to close with and destroy the enemy with direct fires. Retroactive awards under these criteria are not authorized for service prior to 18 September 2001.

(d) Those Soldiers possessing MOS of 18D who qualify for award of the CMB from 18 September 2001 to 3 June 2005 will remain qualified for the badge. Upon request any such Soldier may be awarded the CIB instead of the CMB. In such instances, the Soldier must submit a request through the chain of command to USAHRC, AHRC-PDO-PA, 200 Stovall Street, Alexandria, VA 22332-0471 for conversion of the CMB to the CIB.

(e) Service members from the other U.S. Armed Forces and foreign military (infantry and Special Forces equivalents) assigned or attached as a member of a U.S. Army infantry or Special Forces unit of brigade, regimental, or smaller size may be considered for award of the CIB. All basic requirements as listed above must be met. Retroactive awards under these criteria are not authorized for service prior to 18 September 2001.

c. The CIB is authorized for award for the following qualifying wars, conflicts, and operations:

- (1) World War II (7 December 1941 to 3 September 1945).
- (2) The Korean War (27 June 1950 to 27 July 1953).
- (3) Republic of Vietnam Conflict (2 March 1961 to 28 March 1973), combined with qualifying service in Laos (19 April 1961 to 6 October 1962).
- (4) Dominican Republic (28 April 1965 to 1 September 1966).
- (5) Korea on the demilitarized zone (DMZ) (4 January 1969 to 31 March 1994).
- (6) El Salvador (1 January 1981 to 1 February 1992).
- (7) Grenada (23 October to 21 November 1983).
- (8) Joint Security Area, Panmunjom, Korea (23 November 1984).
- (9) Panama (20 December 1989 to 31 January 1990).
- (10) Southwest Asia Conflict (17 January to 11 April 1991).
- (11) Somalia (5 June 1992 to 31 March 1994).
- (12) Afghanistan (Operation Enduring Freedom, 5 December 2001 to a date to be determined).
- (13) Iraq (Operation Iraqi Freedom, 19 March 2003 to a date to be determined).

d. The special provision authorized for the War on Terrorism is listed in this paragraph. The CIB may be awarded to recognize those U.S. Army Infantry and Special Forces Soldiers embedded in formed Afghan National Army or Iraqi infantry/special force units, or Iraqi specialized Infantry type units, of brigade, regimental or smaller size, or assigned as advisors to a foreign infantry/special forces comparable to the above infantry units, as tactical advisors, trainers or performing liaison duties, during the time that the supported infantry/special force unit engages in active ground combat, to close with and destroy the enemy with direct fires. Qualified Soldiers must have been personally present and participated in the combat operations.

e. The special provisions authorized for the Vietnam Conflict, Laos, and Korea on the DMZ are outlined below.

(1) During the Vietnam Conflict, any officer whose basic branch is other than infantry who, under appropriate orders, has commanded a line infantry (other than a headquarters unit) unit of brigade, regimental, or smaller size for at least 30 consecutive days is deemed to have been detailed in infantry and is eligible for award of the CIB notwithstanding absence of a written directive detailing that Soldier in the infantry, provided all other requirements for the award have been met. Orders directing the officer to assume command will be confirmed in writing at the earliest practicable date.

(a) In addition, any officer, warrant officer, or enlisted Soldier whose branch is other than infantry, who under appropriate orders was assigned to advise a unit listed in (c) and (d) below or was assigned as a member of a White Star Mobile Training Team or a member of MAAG–Laos as indicated in (2)(a) and (b) below will be eligible for award of the CIB provided all other requirements have been met.

(b) After 1 December 1967 for service in the Republic of Vietnam, noncommissioned officers serving as Command Sergeants Major of infantry battalions and brigades for periods of at least 30 consecutive days in a combat zone are eligible for award of the CIB provided all other requirements have been met.

(c) Subsequent to 1 March 1961, a Soldier must have been—

1. Assigned as advisor to an infantry unit, ranger unit, infantry-type unit of the civil guard of regimental or smaller size, and/or infantry-type unit of the self-defense corps unit of regimental or smaller size of the Vietnamese government during any period such unit was engaged in actual ground combat.

2. Assigned as advisor of an irregular force comparable to the above infantry units under similar conditions.

3. Personally present and under fire while serving in an assigned primary duty as a member of a tactical advisory team while the unit participated in ground combat.

(d) Subsequent to 24 May 1965, to qualify for the CIB, personnel serving in U.S. units must meet the requirements of b(1), above. Individuals who performed liaison duties with the Royal Thai Army or the Army of the Republic of Korea combat units in Vietnam are eligible for award of the badge provided they meet all other requirements.

(2) In Laos from 19 April 1961 to 6 October 1962, a Soldier must have been—

(a) Assigned as member of a White Star Mobile Training Team while the team was attached to or working with a unit of regimental (groupment mobile) or smaller size of Forces Armee du Royaume (FAR), or with irregular type forces of regimental or smaller size.

(b) A member of MAAG–Laos assigned as an advisor to a region or zone of FAR, or while serving with irregular type forces of regimental or smaller size.

(c) Personally under hostile fire while assigned as specified in (a) or (b), above.

(3) In Korea on the DMZ. The special requirements for award of the CIB for service in the Republic of Korea are rescinded. Army veterans and service members who served in Korea on or after 28 July 1953 and meet the criteria for award of the CIB outlined in paragraph 8–6c, may submit an application (to include supporting documentation) for award of the CIB to USAHRC, AHRC–PDO–PA, 200 Stovall Street, Alexandria, VA 22332–0471. Retroactive awards under these criteria are not authorized for service prior to 29 July 1953.

f. Second and third awards of the CIB are indicated by superimposing 1 and 2 stars respectively, centered at the top of the badge between the points of the oak wreath. To date, a separate award of the CIB has been authorized for qualified Soldiers in the following qualifying periods:

(1) World War II (7 December 1941 to 3 September 1945).

(2) The Korean Conflict (27 June 1950 to 27 July 1953).

(3) The Republic of Vietnam Conflict. Service in the Republic of Vietnam conflict (2 March 1961 to 28 March 1973) combined with qualifying service in Laos; Dominican Republic; Korea on the DMZ; El Salvador; Grenada; Joint Security Area, Panmunjom, Korea; Panama; Southwest Asia Conflict; and Somalia, regardless of whether a Soldier has served one or multiple tours in any or all of these areas. The Republic of Vietnam Conflict Era officially terminated on 10 March 1995.

(4) War on Terrorism (Afghanistan, Operation ENDURING FREEDOM) and (Iraq, Operation IRAQI FREEDOM).

g. Subsequent awards of the CIB is not authorized for the same qualifying period, as outlined above. The CIB may be awarded by the following individuals:

(1) *Current awards.* These awards may be awarded by USAHRC, AHRC–PDO–PA and any commander delegated authority by the Secretary of the Army during wartime.

(2) *Retroactive awards of the Combat Infantryman's Badge and Combat Medical Badge.* These awards may be awarded by USAHRC, HRC–PDO–PA to active duty Soldiers and reserve component Soldiers. Applications for retroactive award of the Combat Infantryman's Badge (CIB) and CMB will be forwarded through command channels to USAHRC, AHRC–PDO–PA, Alexandria, VA 22332–0471. Retirees and veterans should address their application to the National Personnel Records Center, St. Louis, MO 63132–5100. Retroactive award of the CIB and CMB are authorized for time periods specified above to fully qualified individuals. Such awards will not be made except where evidence of injustice is presented.

h. The following is a history of the CIB. The CIB was established by the War Department on 27 October 1943. Lieutenant General Lesley J. McNair, then the Army Ground Forces commanding general, was instrumental in its creation. He originally recommended that it be called the "fighter badge." The CIB was designed to enhance morale and the prestige of the "Queen of Battle." Then Secretary of War Henry Stinson said, "It is high time we recognize in a personal way the skill and heroism of the American infantry."

(1) Originally, the Regimental Commander was the lowest level at which the CIB could be approved and its award was retroactive to 7 December 1941. There was a separate provision for badge holders to receive a \$10 per month pay

stipend, which was rescinded in 1948. Several factors led to the creation of the CIB, some of the most prominent factors are as follows:

(a) The need for large numbers of well-trained infantry to bring about a successful conclusion to the war and the already critical shortage of infantrymen.

(b) Of all Soldiers, it was recognized that the infantryman continuously operated under the worst conditions and performed a mission that was not assigned to any other Soldier or unit.

(c) The infantry, a small portion of the total Armed Forces, was suffering the most casualties while receiving the least public recognition.

(d) General Marwill's well known affinity for the ground forces Soldier and, in particular, the infantryman. All these factors led to the establishment of the CIB, an award that would provide special recognition of the unique role of the Army infantryman, the only Soldier whose daily mission is to close with and destroy the enemy and to seize and hold terrain. The badge was intended as an inducement for individuals to join the infantry while serving as a morale booster for infantrymen serving in every theater.

(2) In developing the CIB, the War Department did not dismiss out of hand or ignore the contributions of other branches. Their vital contributions to the overall war effort were certainly noted, but it was decided that other awards and decorations were sufficient to recognize their contributions. From the beginning, Army leaders have taken care to retain the badge for the unique purpose for which it was established and to prevent the adoption of any other badge which would lower its prestige. At the close of World War II, our largest war in which the armor and artillery played key roles in the ground campaigns, a review was conducted of the CIB criteria with consideration being given to creating either additional badges or authorizing the badge to cavalry and armor units. The review noted that any change in policy would detract from the prestige of the badge.

(3) The definition of requirement to be "engaged in active ground combat" has generated much dialogue over the years as to the original intent of the CIB. The 1943 War Department Circular required infantrymen to demonstrate "satisfactory performance of duty in action against the enemy." The operative words "in action" connoted actual combat. A War Department determination in October 1944 specified that "action against the enemy" for purposes of award of the CIB was to be interpreted as "ground combat against enemy ground forces."

(4) In 1948, the regulation governing badges stipulated that "battle participation credit is not sufficient; the unit must have been in contact with the enemy." This clearly indicated that an exchange of hostile fire or equivalent personal exposure was the intent of the Army leadership.

(5) In 1963 and 1965 HQDA messages to the senior Army commander in the Southeast Asia theater of operations authorized award of the CIB to otherwise qualified personnel "provided they are personally present and under fire." U.S. Army Vietnam regulations went so far as to require documentation of the type and intensity of enemy fire encountered by the Soldier. The intended requirement to be "personally present and under fire" has not changed.

## **8-7. Combat Medical Badge**

a. Eligibility requirements for the Combat Medical Badge (CMB) are as follows:

(1) The CMB may be awarded to members of the Army Medical Department (Colonels and below), the Naval Medical Department (Captains and below), the Air Force Medical Service (Colonels and below), assigned or attached by appropriate orders to an infantry unit of brigade, regimental, or smaller size, or to a medical unit of company or smaller size, organic to an infantry unit of brigade or smaller size, during any period the infantry unit is engaged in actual ground combat on or after 6 December 1941. Battle participation credit alone is not sufficient; the infantry unit must have been in contact with the enemy.

(2) Award of the CMB will not be made to general or flag officers.

b. The following individuals are also eligible for the CMB:

(1) Effective 19 December 1989—Special Forces personnel possessing military occupational specialty (MOS) 18D (Special Operations Medical Sergeant) who satisfactorily perform medical duties while assigned or attached to a Special Forces unit during any period the unit is engaged in active ground combat, provided they are personally present and under fire. Retroactive awards under these criteria are not authorized prior to 19 December 1989.

(2) Effective 16 January 1991—Medical personnel outlined in a (1), above, assigned or attached to armor and ground cavalry units of brigade or smaller size, who satisfactorily perform medical duties while the unit is engaged in actual ground combat, provided they are personally present and under fire. Retroactive awards under these criteria are not authorized prior to 16 January 1991.

(3) Effective 11 September 2001—Medical personnel outlined in a (1) and b(2), above, assigned or attached to or under operational control of any ground Combat Arms units (not to include members assigned or attached to Aviation units) of brigade or smaller size, who satisfactorily perform medical duties while the unit is engaged in actual ground combat, provided they are personally present and under fire. Retroactive awards under these criteria are not authorized prior to 11 September 2001.

(4) On or after 18 September 2001:

(a) Medical personnel assigned or attached to or under operational control of any ground Combat Arms units (not to include members assigned or attached to Aviation units) of brigade or smaller size, who satisfactorily perform medical

duties while the unit is engaged in active ground combat, provided they are personally present and under fire. Retroactive awards under these criteria are not authorized for service prior to 18 September 2001.

(b) Effective 3 June 2005, Soldiers possessing a MOS of 18D are no longer eligible for award of the CMB (see para 8–6b(5)(c) above).

c. The CMB is authorized for award for the following qualifying wars, conflicts, and operations:

- (1) World War II (7 December 1941 to 3 September 1945).
- (2) The Korean War (27 June 1950 to 27 July 1953).
- (3) Republic of Vietnam Conflict (2 March 1961 to 28 March 1973), combined with qualifying service in Laos (19 April 1961 to 6 October 1962).
- (4) Dominican Republic (28 April 1965 to 1 September 1966).
- (5) Korea on the DMZ (4 January 1969 to 31 March 1994).
- (6) El Salvador (1 January 1981 to 1 February 1992).
- (7) Grenada (23 October to 21 November 1983).
- (8) Joint Security Area, Panmunjom, Korea (23 November 1984).

- (11) Somalia (5 June 1992 to 31 March 1994).
- (12) Afghanistan (Operation Enduring Freedom, 5 December 2001 to a date to be determined).
- (13) Iraq (Operation Iraqi Freedom, 19 March 2003 to a date to be determined).

d. The special provisions for Vietnam Conflict, Laos and Korea on the DMZ are as follows:

(1) *For service in the Republic of Vietnam:*

(a) Subsequent to 1 March 1961, a Soldier must have been assigned to a Vietnamese unit engaged in actual ground combat or as a member of a U.S. Army infantry unit of brigade or smaller size, including Special Forces Detachments, serving with a Republic of Vietnam unit engaged in actual ground combat. The Republic of Vietnam unit must have been of regimental size or smaller and either an infantry, ranger, infantry-type unit of the civil guard, infantry-type unit of the self-defense corps, or of the irregular forces. The Soldier must have been personally present and under hostile fire while assigned as specified.

(b) Subsequent to 24 May 1965, Soldiers serving in U.S. units must meet the requirements of *a*, above. Soldiers who performed liaison duties with the Royal Thai Army or the Army of the Republic of Korea combat units in Vietnam are eligible for award of the badge provided they meet all other requirements.

(2) *For service in Laos.* From 19 April 1961 to 6 October 1962, the Soldier must have been—

(a) Assigned as member of a White Star Mobile Training Team while the team was attached to or working with a unit of regimental (groupment mobile) or smaller size of Forces Armee du Royaume (FAR), or with irregular-type forces of regimental or smaller size.

(b) A member of MAAG, Laos assigned as an advisor to a region or zone of FAR, or while serving with irregular type forces of regimental or smaller size.

(c) Personally under hostile fire while assigned as specified in (a) or (b), above.

(3) *For service in Korea on the demilitarized zone.* The special requirements for award of the CMB for service in the Republic of Korea are rescinded. Army veterans and service members who served in Korea on or after 28 July 1953 and meet the criteria for award of the CMB 8–7c, may submit an application (to include supporting documentation) for award of the CMB to the USAHRC, AHRC–PDO–PA, 200 Stovall Street, Alexandria, VA 22332–0471. Retroactive awards under these criteria are not authorized for service prior to 29 July 1953.

e. Second and subsequent awards of the CMB are indicated by superimposing 1 and 2 stars respectively, centered at the top of the badge between the points of the oak wreath. To date, a separate award of the CMB has been authorized for qualified Soldiers in the following four conflicts:

(1) World War II.

(2) Korean War.

(3) Republic of Vietnam Conflict. Service in the Republic of Vietnam conflict combined with qualifying service in Laos; Dominican Republic; Korea on the DMZ; El Salvador; Grenada; Joint Security Area, Panmunjom, Korea; Panama; Southwest Asia Conflict; and Somalia, regardless of whether a Soldier has served one or multiple tours in any or all of these areas. The Republic of Vietnam Conflict Era officially terminated on 10 March 1995.

(4) War on Terrorism (Afghanistan, Operation ENDURING FREEDOM) and (Iraq, Operation IRAQI FREEDOM).

f. Subsequent awards of the CMB is not authorized for the same qualifying period, as outlined above.

g. The award approval authority for the CMB is the same as the CIB (see paragraph 8–6f above).

h. The following is a history of the CMB. Originally established as the Medical Badge, the CMB was created by the War Department on 1 March 1945. It could be awarded to officers, warrant officers, and enlisted Soldier of the Medical Department assigned or attached to the medical detachment of infantry regiments, infantry battalions, and elements thereof designated as infantry in tables of organization or tables of organization and equipment. Its evolution

stemmed from a requirement to recognize medical aid-men who shared the same hazards and hardships of ground combat on a daily basis with the infantry Soldier. Though established almost a year and a half after the CIB, it could be awarded retroactively to 7 December 1941 to fully qualified personnel.

(1) Like the CIB, the Regimental Commander was the lowest level at which the CMB could be approved and it also carried with it a separate provision for enlisted badge holders to receive a \$10 per month pay stipend.

(2) The CMB was created as a "companion" badge to the CIB with criteria for its award intended to parallel that of the CIB. It was designed to provide recognition to the field medic who accompanies the infantryman into battle and shares with the experiences unique to the infantry in combat. There was never any intention to award the CMB to all medical personnel who serve in a combat zone or imminent danger area, that is, a division-level medical company supporting a maneuver brigade.

(3) As with the CIB, the infantry unit to which the medical personnel are assigned or attached must engage the enemy in active ground combat. Since inception, the intent of the Department of the Army regarding this requirement has been that medical personnel must be personally present and under fire in order to be eligible for the awarding of the badge. So stringent was this requirement during the Vietnam era that recommending officials were required to document the place (in six digit coordinates), time, type, and intensity of fire to which the proposed recipient was exposed. This fact naturally precludes the awarding of the badge to those medical personnel who accompany infantry units into a potential engagement area but do not come under enemy fire.

(4) Over the years, there has been some confusion concerning the phrase "...in direct support of an infantry unit...". The CMB is intended for, and awarded to, those medical personnel who accompany the infantryman into combat. The Army has never approved of deviations from this purpose and its restrictive criteria. During the World War II era, medical support for infantry units in combat was provided by the medical detachments and companies of battalions and regiments. These medical personnel and units were termed direct support. This concept lasted until Vietnam. Today, medical personnel are assigned as organic personnel to infantry companies and are regarded as participants as opposed to being categorized as those providing direct medical support. For example, medical personnel serving in division-level medical companies, ground ambulance and medical clearing companies, mobile-Army surgical hospital, combat-support hospital, field hospitals, and aero-medical evacuation units are not eligible for the CMB. The sole criteria that qualifies medical personnel for award of the CMB is to be assigned or attached to an infantry unit engaged in active ground combat. Medical personnel other than those medics organic to infantry units may qualify only if they serve as medical personnel accompanying infantrymen. Conceivably, this could occur if an infantry unit lost all its medics and as a temporary or permanent measure medical personnel were attached to an infantry unit, but remained assigned to a hospital or other non-infantry unit.

## **8-8. Combat Action Badge**

*a.* On 2 May 2005, the Chief of Staff, Army, approved the creation of the Combat Action Badge (CAB) to provide special recognition to Soldiers who personally engaged, or are engaged by the enemy.

*b.* The requirements for award of the CAB are Branch and MOS immaterial. Assignment to a Combat Arms unit or a unit organized to conduct close or offensive combat operations, or performing offensive combat operations is not required to qualify for the CAB. However, it is not intended to award all Soldiers who serve in a combat zone or imminent danger area.

*c.* Specific eligibility requirements.

(1) May be awarded to any Soldier.

(2) Soldier must be performing assigned duties in an area where hostile fire pay or imminent danger pay is authorized.

(3) Soldier must be personally present and actively engaging or being engaged by the enemy, and performing satisfactorily in accordance with the prescribed rules of engagement.

(4) Soldier must be assigned or attached to a unit that would qualify the Soldier for the CIB/CMB. For example, an 11B assigned to Corps staff is eligible for award of the CAB. However, an 11B assigned to an infantry battalion is not eligible for award of the CAB.

*d.* In addition to Army Soldiers, the CAB may also be awarded to members of other U.S. Armed Forces and foreign military personnel assigned to a U.S. Army unit, provided they meet the above criteria (for example, KATUSA's in the 2d Infantry Division).

*e.* Award of the CAB is authorized from 18 September 2001 to a date to be determined. Award for qualifying service in any previous conflict is not authorized.

*f.* Second and subsequent awards of the CAB are as follows:

(1) Only one CAB may be awarded during a qualifying period.

(2) Second and subsequent award of the CAB will be indicated by superimposing one and two stars respectively, centered at the top of the badge between the points of the oak wreath.

*g.* Retroactive awards of the CAB are not authorized prior to 18 September 2001. For service on or after 18 September 2001, applications (with supporting documentation) for retroactive awards of the CAB will be forwarded

through the first 2-star general in the chain of command to the USAHRC, AHRC-PDO-PA, Alexandria, VA 22332-0471.

*h.* The CAB is categorized as a Group 1 Badge. See AR 670-1 for specific wear instructions.

*i.* Soldier may be awarded the CIB, CMB and CAB for the same qualifying period, provided the criteria for each badge are met. However, subsequent awards of the same badge within the same qualifying period are not authorized.

*j.* The CAB may be awarded by any commander delegated authority by the Secretary of the Army during wartime or the USAHRC, AHRC-PDO-PA. Effective 3 June 2005, Commanders delegated authority to award the CAB may further delegate award authority to commanders in the grade of major general or above. The CAB will be announced in permanent orders.

(2) Commanders of reserve component combat and training divisions and brigade size units are authorized to administer EIB tests and award the badge to qualified personnel in the command.

### **8-10. Expert Field Medical Badge**

*a.* The basic eligibility criteria are as follows:

(1) The specialty skill identifier and MOS requirement are as follows:

*(a)* Officers must be assigned or detailed to an Army Medical Department (AMEDD) corps. This includes Army officers in training at the Uniformed Services University of Health Sciences. It also includes Army officers enrolled in the Health Professions Scholarship Program.

*(b)* Warrant officers must have an AMEDD primary MOS controlled by The Surgeon General. Warrant officer pilots are also eligible, if they have a "D" SQI (Aero-medical Evacuation Pilot) and are assigned to an air ambulance unit.

*(c)* Enlisted personnel must have a primary MOS in the Medical Career Management Field or an MOS of 18D.

*(d)* Other U.S. Armed Services and foreign military must either be medical personnel or serving in comparable medical positions. The approval for wear of the badge by other U.S. Armed Services and foreign military is governed according to their respective Services guidance.

## **8–11. Parachutist badges**

*a.* Three degrees of badges are authorized for award: Parachutist Badge, Senior Parachutist Badge, and Master Parachutist Badge.

*b.* Eligibility criteria for each badge as set forth in paragraphs 8–12, 8–13, and 8–14.

*c.* Special eligibility for awards will be determined from the DA Form 1307 (Individual Jump Record) in the field 201 file section of the personnel records jacket. Each entry on this form will include pay period covered and initials of the personnel officer; the entry will be made only from a DA Form 1306 (Statement of Jump and Loading Manifest) completed by an officer or jumpmaster.

*d.* Jumps with civilian parachute clubs will not be counted in the number of total jumps required for each badge.

*e.* Award of the basic Parachutist Badge or advanced parachutist badges awarded by other U.S. Services may only be awarded if the Soldier meets the Army criteria for the badge.

*f.* Award approval authorities for all three badges are as follows:

(3) Commander, 4th Psychological Operations Group (Airborne).

(4) Infantry divisions containing organic airborne elements.

(7) The President, U.S. Army Airborne, Communications and Electronics Board.

(8) Commander, U.S. Army Special Forces Command (Airborne).

(9) Commander, U.S. Army Special Operations Support Command (Airborne).

(10) Commander, U.S. Army Civil Affairs and Psychological Operations Command (Airborne).

*g.* A bronze service star is authorized to be worn on the Parachutist Badges to denote a Soldier's participation in a combat parachute jump. Orders are required to confirm award of these badges. (See para 1–26c.) AR 670–1 describes the placement of stars on parachute badges and the wear of these badges. A Soldier's combat parachute jump credit is tied directly to the assault landing credit decision (paragraph 7–25) for the unit to which the Soldier is attached or assigned at the time of the assault. Should a unit be denied air assault credit, no air assault credit for purpose of this badge will accrue to the individual Soldiers of that unit. Each Soldier must physically exit the aircraft to receive combat parachute jump credit and the Parachutist Badge with bronze service star. (See para 6–8 for further information.)

*h.* See paragraph 1–31 for revocation of Parachutist Badge.

## **8–12. Parachutist Badge—basic**

To be eligible for award of the basic Parachutist Badge, an individual must have satisfactorily completed the prescribed proficiency tests while assigned or attached to an airborne unit or the Airborne Department of the Infantry School, or have participated in at least one combat parachute jump as follows:

(2) Two night jumps made during the hours of darkness (regardless of time of day with respect to sunset) one of which will be as jumpmaster of a stick.

(3) Two mass tactical jumps which culminate in an airborne assault problem with either a unit equivalent to a battalion or larger; a separate company battery; or an organic staff of regimental size or larger. The Soldier must fill a position commensurate with his or her rank or grade during the problem.

(4) For award of the Senior Parachutist Badge, the prerequisite requirements in subparagraphs (1), (2), and (3), above must be obtained by static line parachuting.

b. Either graduated from the Jumpmaster Course of the Airborne Department of the Infantry School or the Jumpmaster School of a separate airborne battalion or larger airborne unit, or infantry divisions and separate infantry brigades containing organic airborne elements, to include the U.S. Army Alaska Jumpmaster Course or served as jumpmaster on one or more combat jumps or as a jumpmaster on 15 noncombat jumps.

## Chapter 9 Foreign and International Decorations and Awards to U.S. Army Personnel

### Section I General Provisions

#### 9–1. Introduction

*a. Intent.* This chapter outlines the policies pertaining to the eligibility of individuals to accept or wear foreign decorations and badges tendered by foreign governments.

*b. Law.* Section 7342 of title 5, USC (5 USC 7342) provides for employees of the U.S. Government, including members of the Armed Forces of the United States, to accept gifts or decorations from a foreign government under certain conditions. No employee of the Department of Defense, however, may accept, request, or otherwise encourage the offer of a decoration from a foreign government. When possible, employees will refuse to accept such decorations. Subject to restriction, an individual may participate in a ceremony and receive the tender of a foreign decoration. The receipt of the decoration will not constitute acceptance of the award by the recipient. The wearing of unauthorized awards, decorations, or other devices is a violation of the Uniform Code of Military Justice and may subject a Soldier to appropriate disciplinary action.

*c. Policy.* Conforming to the consent of Congress, it is the policy of the Department of Defense that awards from foreign governments may be accepted only in recognition of active combat service or for outstanding or unusually meritorious performance. Activities normally undertaken by the Armed Forces of the United States in support of an ally during peacetime are not considered sufficient to merit foreign individual or unit decorations.

*d. Constitutional restriction.* No person holding any office of profit or trust under the United States will, without the consent of the Congress, accept any present, emolument, office, or title of any kind whatsoever from any king, prince, or foreign states (Constitution, Article I, Section 9). This includes decorations and awards tendered by any official of a foreign government.

*e. Foreign gifts.* The approval and reporting of receipt of foreign gifts, to include travel and travel expenses will be forwarded to Commander, USAHRC, AHRC–PDO–IP, 200 Stovall Street, Alexandria, VA 22332–0474.

#### 9–2. Guidelines

*a. Terms.* As used in this chapter, the following terms apply:

(1) *Decorations.* Any order, device, medal, badge, insignia, emblem or award tendered by or received from a foreign government. Although a foreign government may label or consider an item to be a decoration, that designation in itself does not mean the U.S. Government will consider the item a decoration. The key factor is whether the item is similar in nature to individual decorations awarded by the U.S. Government.

(2) *Employee.* Every member of the Armed Forces of the United States, or a member of the family and household of any such person. For that explanation, “member of the family and household” means a relative by blood, marriage, or adoption that is a resident of the household.

(3) *Employing Component.* The DOD Component in which the recipient is appointed, employed, or enlisted. Eligibility requirements.* Qualification and special skill badges may be accepted if awarded in recognition of meeting the criteria, as established by the foreign government concerned, for the specific award. Only those badges that are awarded in recognition of military activities and by the military department of the host country are authorized for acceptance and permanent wear. Badges that do not meet these criteria may be authorized for acceptance but not for wear, and will not be entered in the official military records of the recipient. Of particular importance are the criteria established by the military department of the host country; for example, if a particular badge is authorized for award only to enlisted personnel of host country then the badge may be accepted and worn by U.S. Army enlisted personnel.

*b. Awarding authority.* Commanders (overseas and CONUS) serving in the rank of brigadier general or higher and colonel level commanders who exercise general court-martial authority are delegated authority to approve the acceptance, retention, and permanent wear of foreign badges listed in appendix D. This authority may be further delegated to commanders charged with custody of military personnel record files. The burden of proof rests on the individual Soldier to produce valid justification, that is, orders, citations, or other original copies of the foreign elements that awarded them the badge. Any foreign badges not listed in Appendix D will be forwarded to USAHRC, AHRC–PDO–PA, Alexandria, VA 22332–0471, for approval.

*c. Other badges.* Badges presented to Army personnel that do not fall under the category of qualification or special skill badges discussed in *a* above (honorary badges, identification devices, insignia) will be reported in accordance with AR 1–100, paragraph 6. Badges in these categories are considered gifts. They will not be authorized for wear nor entered in official military personnel records.

*d. Wear.* AR 670–1 governs the manner of wear of foreign qualification and special skill badges.

*e. Foreign airborne training.* Soldiers not currently assigned to airborne duty, but who have completed basic airborne training, are prohibited from attending foreign airborne training courses, participating in foreign airborne operations, or wearing of foreign parachute badges. However, exceptions are permitted under the Army's Permissive Parachuting Program. The first General Officer in a Soldier's chain of command can approve permissive jumps. Soldiers who complete an approved permissive jump and are awarded a foreign airborne badge under this status may wear the badge permanently.

#### **10–2. Prohibitions**

*a.* Embossed or engraved certificates other than those specifically authorized by the Secretary of the Army will not be issued.

### **Section II Certificates for Formal U.S. Army Decorations - Individual and Unit**

#### **10–3. Certificates for decorations**

*a.* A certificate will be presented with each award of an authorized military decoration. In no case will a commander issue a certificate indicating award of a military decoration other than on the standard DA certificate for the awarded decoration. Award certificates will be issued without reference to numbered oak leaf clusters.

*b.* Certificates for award of the LM, MSM, ARCOM and AAM will be completed by the awarding commander and will bear his or her personal signature in the lower right side. The Permanent Orders number and date are typed on the line on the left side of the LM, MSM, ARCOM, and AAM certificates. The grade, name, and branch of service, together with the place and dates of the act, achievement, or service of the recipient, will be inserted on the certificate in the appropriate spaces.

c. Veterans, retirees and active duty Soldiers may obtain replacement award certificates as follows:

(1) Veterans and retirees awarded U.S. military decorations to whom an appropriate certificate has not been issued may apply for such certificate by writing to HQ, USAHRC (AHRC-PDO-PA), USAHRC St. Louis (AHRC-CC-B), 1 Reserve Way, St. Louis, MO 63132-5200 or the National Personnel Records Center, 9700 Page Avenue, St. Louis, MO 63132-5100.

(2) Active duty Soldiers may request a replacement certificate through command channels to the headquarters currently having authority to award the decoration for which the certificate is required. Each request should include a copy of the orders announcing the award. The replacement certificate will be annotated with the original order number (for example, Per Permanent Orders XX–XX, 1 Jan 00).

d. The Award Citation Certificate (DA Form 7550) is a required part of the award elements for a number of the individual decorations and unit awards. The DA Form 7550 is authorized to be issued along with the award certificate for the Distinguished Service Cross, Distinguished Service Medal, Silver Star, Distinguished Flying Cross, and Soldier's Medal. The Unit Award Citation Certificate (DA Form 7549) is authorized to be issued in combination with applicable unit award certificates.

e. Supply of certificates for decorations awarded in the field will be requisitioned electronically from the Commander, U.S. Army Publications Distribution Center, St. Louis, MO (see para 1–46).

See paragraph 8–36 for information on the Vice Presidential Service Certificate.

##### **10–7. Certificate of Achievement**

Commanders may recognize periods of faithful service, acts, or achievements which do not meet the standards required for decorations by issuing to individual U.S. military personnel a DA Form 2442 (Certificate of Achievement) or a Certificate of Achievement of local design.

a. Certificates of Achievement will be issued under such regulations as the local commander may prescribe.

b. If a locally designed Certificate of Achievement is printed for use according to this regulation, it may bear reproductions of insignia. In the interest of economy, the use of color will be held to a minimum.

c. The citation on such certificates will not be worded so that the act of service performed appears to warrant the award of a decoration.

d. No distinguishing device is authorized for wear to indicate the receipt of a Certificate of Achievement.

e. Copies of Certificates of Achievement or memorandum of record stating that a Certificate of Achievement has been awarded and citing the service recognized will be distributed to the OMPF per AR 600–8–104.

USAR members who are discharged or transferred to the Retired Reserve after 31 December 1972 and have completed 20 or more years of qualifying service will be awarded a DA Form 3931 (Certificate of Appreciation for Active Reserve Service) signed by the Chief, Army Reserve. This Certificate of Appreciation will be presented along with the Certificate of Transfer to the Retired Reserve or Discharge Certificate, as appropriate, encased in a green vinyl folder.

##### **10–10. Certificate of Appreciation for Reserve Recruiting**

a. DA Form 4980–15, a certificate of appreciation, bearing a signature of the Secretary of the Army and countersigned by the commander authorized to make the award, will be awarded to each member of the USAR serving in a Ready Reserve status not on extended active duty who recruits five or more new members for the Army Reserve. The certificate may be awarded by commanders in the rank or position of brigadier general or higher to Army Reserve personnel under their command.

b. Award of certificate for recruiting five members will not preclude award of another certificate should the individual recruit additional members. Eligibility for appropriate certificates is retroactive to 1 January 1960. No time limits are imposed on individuals qualifying for these awards.

*c.* Certificates may be obtained by written request to the U.S. Army Publications Distribution Center, St. Louis, MO. The commander concerned will countersign the certificate and ensure it is presented to the individual through an appropriate ceremony.

#### **10–11. Certificate of appreciation to employers**

To improve employer acceptance of the concept of military leave for participation in reserve component training and to encourage employers to adopt liberal military leave policies, certificates of appreciation may be presented to employers who have wholeheartedly and consistently cooperated in granting military leave to employees.

*a.* The CGs, TRADOC, FORSCOM, State adjutants general, Army Reserve General Officer Commands, Corps, and the U.S. Army Military District of Washington are authorized to make this award.

*b.* Certificates will be presented by the awarding commander or by an authorized representative, as appropriate.

*c.* The above commanders are authorized to locally reproduce a substantial number of certificates as shown in figure 10–1. In the interest of economy the use of multiple color inks will be held to a minimum.

*a.* Trophies and similar devices may be presented to military members, units, or Department of the Army agencies for excellence in accomplishments or competitions which clearly contribute to the increased effectiveness or efficiency of the military unit, for example, tank gunnery, weapons competition, and military aerial competition.

*b.* Intramural and athletic competitions may also be recognized. Implementing instructions for these programs are contained in AR 215-1.

#### **11-2. Award Guidelines**

*a.* Contests and events for which trophies are to be presented will be announced officially. They will be conducted within a stated period. All eligible members, units, and agencies will be given an equal chance to compete.

*b.* Contests and events will be of a continuing nature. However, awards may be made on a one-time basis where the achievement is unique and clearly contributes to increased effectiveness.

*c.* Trophies and similar devices should be properly displayed.

*d.* Coordination will be accomplished to prevent one member, unit, or agency from receiving two awards for an achievement when other candidates are equally qualified.

#### **11-3. Items to be awarded**

Trophies include but will not be limited to, loving cups, plaques, badges, buttons, and similar objects that represent the type of achievement or contest. Cash prizes or savings bonds are not authorized. Authorities who approve the purchase of the award will set the monetary limits. However, such awards will not exceed the value of \$75 for an individual award or \$250 for a team award. The appropriate MACOM or principal HQDA official will specifically approve exceptions. Cash prizes awarded under the provisions of AR 672-20 are excluded from the provisions of this regulation.

#### **11-4. Use of appropriated funds**

Appropriated funds will be used to purchase the items to be awarded. MACOM commanders, State adjutants general, and principal HQDA officials may authorize their subordinate award authorities to use appropriated funds as required. To avoid waste of Army resources, award items procured in bulk will not include the presenting official's name unless the official is the Secretary of the Army; the Chief of Staff, Army; or the Sergeant Major of the Army. Items may be procured in bulk that contain the official's title and/or the organization's name. This limitation does not prohibit the specific inscribing or engraving of an award individually selected for presentation.
