Dyersburg native enlists in Tennessee National Guard

DYERSBURG, Tenn. – Pfc. Lyric Latham graduated from the Army’s Basic Combat Training and the Unit Supply Specialist Course at Fort Lee, Virginia, August 26, 2021.

During this technical 8-week course, Latham learned to supervise and maintain all Army supplies and equipment. Unit supply specialists receive, inspect, and inventory mission essential equipment to be used by their unit. She is now assigned to the 890th Engineer Company in Huntingdon.

“Joining the Guard has already afforded me so many opportunities I wouldn’t have before I joined,” said Latham. “It was a great choice for me and I’m proud to serve.”

Latham is a graduate of Dyersburg High School and is currently using the Guard’s education benefits while attending Dyersburg State Community College.
