Better doctors. Better care.

Not all surgeons or oncologists are the same. Some have more training. Some get better results. Who you see matters.

Carrum Health works with only the top doctors and cancer specialists in the country. We choose them because they:

- Have excellent results
- Focus on care that will help you recover faster
- Keep up with the latest research
- Have a strong support team
- Have excellent patient reviews

This benefit is only available to members age 18 and older enrolled in a Partners for Health medical plan.

*Except for second opinions, members enrolled in a consumer-driven health plan must first meet the federal minimum deductible, but coinsurance will be waived. Out of pocket costs are waived for members enrolled in a PPO plan. Second opinions are provided at no cost to members and do not require payment of any deductible. Per IRS rules, a portion of any covered travel expenses will be reported as taxable income.
