Important Questions	Answers	Why This Matters:
What is the overall deductible ?	<u>In-network/Out-of-network:</u> \$2,000/\$4,000 employee only; \$4,000/\$8,000 employee + child(ren); \$4,000/\$8,000 employee + spouse; \$4,000/\$8,000 employee + spouse + child(ren)	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this plan begins to pay. If you have other family members on the policy, the overall family <u>deductible</u> must be met before the plan begins to pay.
Are there services covered before you meet your deductible ?	Yes. In-network preventive care screenings at outpatient facilities; other in-network preventive care; 90-day supply maintenance drugs; certain low-dose generic statin drugs received in-network; and specific medications for the treatment of opioid dependency	This plan covers some items and services even if you haven't met the <u>deductible</u> amount. But a <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at https://www.healthcare.gov/coverage/preventive-care-benefits/ .
Are there other deductibles for specific services?	No.	You don't have to meet <u>deductibles</u> for specific services.
What is the out-of-pocket limit for this plan ?	Separate Limits for <u>In-network Specialty drugs/ Other In-network/ and Out-of-network:</u> \$2,400/ \$5,000/ \$10,000 employee only; \$4,800/ \$10,000/ \$20,000 employee + child(ren); \$4,800/ \$10,000/ \$20,000 employee + spouse; \$4,800/ \$10,000/ \$20,000 employee + spouse + child(ren) No family member will pay more than \$8,700 in-network.	The <u>out-of-pocket</u> limit is the most you could pay in a year for covered services. If you have other family members in this plan , the overall family <u>out-of-pocket limit</u> must be met.
What is not included in the out-of-pocket limit ?	<u>Premiums</u> , <u>balance-billing</u> charges (unless prohibited), health care this plan doesn't cover, and penalties for failure to obtain <u>preauthorization</u> or failure to follow the Dispense as Written (DAW) provisions of the <u>prescription</u> drug benefit.	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .

Important Questions	Answers	Why This Matters:
Will you pay less if you use a network provider ?	Yes. See www.bcbst.com/members/tn_state/ or call 1-800-558- 6213 for a list of participating BCBST network providers . See www.cigna.com/sites/stateoftn/ or call 1-800-997-1617 for a list of Cigna network providers .	This plan uses a provider network . You will pay less if you use a provider in the plan's network . You will pay the most if you use an out-of-network provider , and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services.
Do you need a referral to see a specialist ?	No.	You can see the specialist you choose without a referral .

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
