RE: Declaration of Force Majeure Event TRA. Docket No.16-00141

Dear Chairman Hilliard:

On March 20, 2020, pursuant to Section 4.5.2 of AT&T Tennessee's Self Effectuating Enforcement Mechanisms Administration Plan ("SEEM Plan"), AT&T Tennessee declared a force majeure event in connection with various federal, state and local governmental declarations in order to mitigate the threat of the COVID-19 virus.

As anticipated in that declaration, due to availability of personnel versus the level of workload, AT&T Tennessee has experienced an impact to its Provisioning and Maintenance & Repair Service Quality Measures ("SQMs") effective March 20, 2020, statewide.

AT&T Tennessee hereby submits the attached spreadsheet identifying the wire centers affected by this event. AT&T Tennessee will notify the Commission when the force majeure event period is concluded.

AT&T Tennessee will apprise the Commission periodically on status, providing notification as this force majeure event concludes. Additionally, AT&T will continue to keep CLECs notified via our normal processes.

If you have any questions concerning this matter, please do not hesitate to contact me.

Sincerely,

Kathy Sager
Regional Director, AT&T Tennessee
