COUNTY CLERK INFORMATION:

Trade-in: Completely identify and describe the boat, motor, and trailer for which a trade-in allowance was entered in Item 2.

Gift: Gifts between lineal relatives are exempt from sales and use tax. Gifts between other entities must be completely free of consideration (monetary or tangible), services provided, etc., to be exempt from sales and use tax. Clerks must require an affidavit from the donor (prior owner) affirming that no consideration was given and explaining why the boat, motor, and trailer are being given away. **Questionable gifts may be reviewed by the Department of Revenue, and the owner may be contacted for confirmation.**

Important Information on New Tennessee Residents Importing a Boat, Motor, and Trailer: The boat and motor are tangible personal property subject to use tax on the fair market value at the time of importation if the value is \$10,000 or more. Trailers are separate items and are always subject to tax upon importation. The fair market value may be established by N.A.D.A. or appraisal by a reputable dealer. One hundred percent of documented sales tax paid to the state of origin may be given in Line 13. Title and registration in the prior state does not establish the basis for giving the credit unless the amount of tax paid is shown. Also, there is no time element of ownership in the other state that will create an exemption from Tennessee use tax.

Resale: A dealer in Tennessee may register a boat on temporary basis for demonstration under a TWRA permit. Enter the sales tax number of the dealer. This cannot be used for registration in other than the business name.

Other: If the transaction or importation does not fall into any of the other categories given, explain here and attach documentation.

Signature of New Owner and County Clerk Information: Please obtain the signature of the new owner and fill in the fields as indicated. Three copies of this form are needed - one for the county clerk, one for the owner, and one copy for the Tennessee Department of Revenue.

County Clerks: Please refer to *Tenn. Code Ann. Section 67-6-406, which establishes responsibility for effective administration of sales and use tax on boat transactions. For assistance, call the Taxpayer Services Division at (615) 253-0600 or toll-free (800) 342-1003.*
