Instructions for Schedule X - Franchise and Excise Tax Jobs Credit Computation

General Information

 Prior approval is required for this credit. In order to receive approval the taxpayer must file a Job Tax Credit Business Plan or a Job Tax Credit for Hiring Persons with Disabilities Business Plan. Provided all requirements are met, the taxpayer will be issued a control number.

General Requirements - Standard Job Tax Credit

- In order to qualify for the standard Job Tax Credit the taxpayer must be a Qualified Business Enterprise as defined in Tenn. Code Ann. Section 67-4-2109(a)(5). Generally, in order to be a Qualified Business Enterprise the taxpayer must be engaged in manufacturing, warehousing and distribution, processing tangible personal property, research and development, computer services, call centers, headquarters facilities, as defined in Tenn. Code Ann. Section 67-6-224(b), back office operations, convention or trade show facilities, or a tourism related business.
- In order to qualify for the standard Job Tax Credit a capital investment of at least \$500,000 must be made within the Investment Period.
- In order to qualify for the standard Job Tax Credit a minimum number of net new full-time Tennessee jobs must be created and filled within the Investment Period. The minimum job requirement in a Tier 1 or Tier 2 county is 25 net new jobs. The minimum job requirement is 20 net new Jobs in a Tier 3 county and 10 in a Tier 4 county.

General Requirements - Additional Annual Credit

- In order to qualify for any of the three Additional Annual Credits the taxpayer must meet all the requirements of the Standard Job Tax Credit.
- An additional annual credit is available for qualified jobs created in Tier 2, Tier 3 and Tier 4 counties. See Tenn. Code Ann. Section 67-4-2109(b)(2)(A).
- An additional annual credit is available for large investments and high job creation. This credit requires an investment of at least one-hundred million dollars (\$100,000,000) and the creation of at least one-hundred (100) qualified jobs that pay at least the state's average occupational wage, or in the case of a headquarters facility an investment of ten million dollars (\$10,000,000) and the creation of at least one-hundred (100) qualified jobs that pay at least 150% the state's average occupational wage. See Tenn. Code Ann. Section 67-4-2109(b)(2)(B).
- An additional annual credit is available for qualified jobs created in an Adventure Tourism Zone. See Tenn. Code Ann. Section 67-4-2109(b)(2)(C).
- This credit can be used to offset up to 100% of the franchise and excise tax. However, any unused credit cannot be applied to other tax years.

General Requirements - Job Tax Credit for Hiring Persons with Disabilities

- In order to qualify for the Job Tax Credit for Hiring Persons with Disabilities the taxpayer must hire workers with disabilities through an existing State of Tennessee employment incentive program. In order to qualify for the \$5,000 credit, the employee must work full-time and be covered by the employer's health care plan. In order to qualify for the \$2,000 credit, the employee must work at least 10 hours per week. Employees who work full-time, but are not covered by the employer's health care plan are treated the same as part-time employees for the purpose of this credit.
- There is no investment or minimum number of jobs required for this credit.

General Requirements - Community Resurgence Job Tax Credit

- In order to qualify for the Community Resurgence Job Tax Credit the taxpayer must create at least 10 full-time jobs in a high-poverty area with wages equal to, or greater than, the state's average occupational wage. A list of census tracts that meet the definition of highpoverty areas is provided by the Tennessee Department of Economic and Community Development. The average occupational wage as of January 1, 2016 was \$41,296 annually.
- · There is no investment requirement for this credit.
