Instructions: Hall Income Payment Voucher for 2020

General Information

Most taxpayers file on a calendar year basis, meaning their tax year begins on January 1 and ends on December 31. A taxpayer filing on a calendar year basis must file a return by April 15 of the following year. If a taxpayer's tax year is something other than the calendar year, the taxpayer must include its fiscal year beginning and end dates. For a taxpayer on a fiscal year filing, the return is due by the 15th day of the fourth month following the end of the fiscal year.

Taxpayers may submit their payment online by visiting the Department's website at https://tntap.tn.gov/ eservices. Alternatively, taxpayers may mail their payment to the Department at the address listed in the top right corner of the return. Make checks or postal money orders payable to Tennessee Department of Revenue. Tax may be paid in cash at the Nashville office or the regional offices (Chattanooga, Jackson, Johnson City, Knoxville, and Memphis).

Three-eighths of the income taxes collected are distributed among the cities and counties of the state. In order for the taxes to be properly distributed, please provide the name of the county and city (if the taxpayer resides within an incorporated municipality) of the taxpayer's legal residence in the appropriate space on the return.
