Instructions: Government Sales Claim for Refund

Tenn. Code Ann. § 67-3-413 provides that a licensed wholesaler who has paid any taxes and fees due under Tenn. Code Ann. §§ 67-3-201, 67-3-202, 67-3-203, and 67-3-204, may apply for a refund of taxes or fees paid on any petroleum products subsequently sold free of tax to a governmental agency holding an exemption permit issued by the Department of Revenue. A licensed supplier or importer may claim a credit on the distributor report for any taxes or fees paid on any petroleum products sold free of tax to a governmental agency, or may, in the alternative, file a claim for refund. For sales of petroleum products made to governmental agencies from retail stations, the licensed wholesaler, supplier, or importer may submit a claim for refund or credit on behalf of a retail vendor.

The claim for refund or credit must be submitted to the Department on the Governmental Sales Claim for Refund form on or before the last day of the second month following the month in which the exempt sales were made. The claim for refund or credit must include all exempt government sales for the month in which a refund or credit is due. One omnibus claim may be filed after January 1 and before July 1 for any exempt sales made during the previous calendar year for which a claim has not been made.

The claim for refund or credit must contain all required information. Incomplete or improperly completed claims will be returned without action and could result in denial of the claim. In addition, all claims must be accompanied by copies of all invoices for sales on which the licensee is claiming a refund or credit. The invoices submitted with such a claim must contain the exemption permit number for the governmental agency to which the sales were made. The Department may allow computer documentation to be submitted instead of copies of invoices.
