INSTRUCTIONS FOR COMPLETION OF PETROLEUM PRODUCTS TRANSPORTER RETURN

GENERAL INFORMATION

Section 67-3-704 provides that a person licensed as a transporter in this state shall file monthly returns with the department, reporting the amount of taxable petroleum products transported within or across the borders of this state; provided that transport truck operations exclusively within the state are not reportable except when transport operations originate at a refinery in this state. The return shall be filed within twenty-five (25) days after the end of the month in which delivery was made.

If a transporter fails to make the reports required by this section, the commissioner may assess a civil penalty of one thousand dollars (\$1,000) for each violation.

GENERAL INFORMATION - SCHEDULE OF DELIVERIES

TRANSPORTER SCHEDULE OF DELIVERIES - Enter number of net gallons for each product disbursed from the terminal. The schedule should include the name and FEIN of the person hiring the carrier, the name and the FEIN of the supplier (the company from whose account the fuel was withdrawn at the terminal), the name and address of the customer receiving delivery, the origin (may use terminal code), the date and point of delivery, the document number, the type of product, and the gallons. Barge companies should enter the name of the tow in the mode column.
