3. CREDIT AMOUNT
4. PENALTY
5. INTEREST (per annum)
6. TOTAL REMITTED

Grid for entering tax amounts, with a vertical line on the left side.

Two rows of empty boxes for additional information or identification numbers.

INSTRUCTIONS

GENERAL: In accordance with the "Used Oil Collection Act of 1993," a 2¢ per quart fee is levied at the wholesale level on sales of motor oil in packaged form. Oil subject to the fee includes any oil used in any internal combustion engine, crankshaft, transmission, gear box, or differential for an automobile, bus truck, lawn mower, or household power equipment. Exempted from the fee are motor oils or similar lubricants that are subsequently exported from Tennessee. Oil sold by a distributor to be used for the purpose of industrial machinery is also exempt.

DUE DATE: Dealers will be required to file a quarterly return and pay the fee on or before the 25th day of the month following the close of the period set out below:

PERIOD	DUE DATE
October 1 through December 31	January 25
January 1 through March 31	April 25
April 1 through June 30	July 25
July 1 through September 30	October 25

TAXPAYER/TAX PREPARER'S SIGNATURE: You must sign and date your return. Paid preparers (accountants, attorneys, etc.) must also sign the return.
FILING: Make your check payable to the Tennessee Department of Revenue for the amount shown on Line 6 of the return and mail with the return to: Tennessee Department of Revenue, Andrew Jackson State Office Building, 500 Deaderick Street, Nashville, TN 37242. NOTE: The payment of the tax by Electronic Funds Transfer (EFT) does not relieve you of filing a timely tax return.
AMENDED RETURNS: If this return is an "Amended Return," please indicate "Period Ending" and check the appropriate box on the front of the form.

COMPUTATION OF TAX:

- Line 1: Compute number of quarts of oil subject to fee in Schedule A (back of the return) and transfer total to Line 1 (front of return). Multiply this total by 2¢ to determine amount of OIL FEE.
- Line 2: Deduct 2% of Line 1, if the return is filed by the appropriate due date (January 25, April 25, July 25, and October 25) to determine VENDOR'S COMPENSATION. Such deduction is limited to \$50.00 per report. No deduction from the fee will be allowed if such report or payment is delinquent.
- Line 3: Enter the amount of any outstanding CREDIT AMOUNT of oil fee previously notified by the Department of Revenue.
- Line 4: If filed late, PENALTY is computed at 5% of the fee (Line 1 minus the credit on Line 3) for each 30-day period that the return is delinquent. Total penalty is not to exceed 25% of the tax due; the minimum penalty is \$15.00 regardless of the amount of tax due or whether there is any tax due.
- Line 5: If filed late, compute INTEREST at the current rate on the tax (Line 1 minus the credit on Line 3) from the due date to the date paid.
- Line 6: Add lines 1, 4, and 5 or subtract Line 2 from Line 1; subtract credit amount entered on Line 3 to determine net AMOUNT DUE.
