

Tenn. Code Ann. §§ 67-6-343 and 67-6-345 provide sales and use tax exemptions for the sale of motor vehicles, off-highway motor vehicles, trailers, semi-trailers, pole trailers, boats, and other vessels that are subject to registration and titling or identification, and that are removed from Tennessee within three days of purchase for use in another state.

Motor Vehicles

- Motor vehicles, including off-highway motor vehicles, that qualify for the exemption include, but are not limited to, automobiles, trucks, recreational vehicles (RVs), motorcycles, dirt bikes, all-terrain vehicles (ATVs), sand and dune buggies, and snow mobiles.

Trailers

- Trailers that qualify for the exemption include any type of trailer used for commercial purposes including utility trailers, manufactured and mobile homes, camping and travel trailers, and boat trailers or other watercraft trailers purchased in conjunction with a boat or other watercraft that also may be purchased using the three-day removal exemption.
 - Trailers purchased by farmers, nursery operators, and timber harvesters to be used primarily for agricultural purposes or used on highways for hauling agricultural and livestock products or equipment do not qualify for the three-day removal exemption. Livestock trailers and trailers used for off-highway agricultural purposes may be purchased tax exempt by qualified farmers that provide an Agricultural Sales and Use Tax Exemption Certificate.
 - Stand-alone purchases of boat trailers or other watercraft trailers and purchases of utility trailers for personal, noncommercial use are not required to be registered in Tennessee and, therefore, do not qualify for the three-day removal exemption.

Boats

- Boats and other vessels that qualify for the exemption include, but are not limited to, motor boats, sail boats, jet skis, and any other watercraft propelled by sail or machinery and used as a mode of transportation on water.
