Compliance with Coin-operated Amusement Machine Tax

Coin-op tax notice #03-13

Included with this notice is a copy of the Department of Revenue's Master License & Sticker Report Form, Form RV-F1307001, for use in reporting non-compliance with the Coin-operated Amusement Machine Tax Act of 2002.

Please utilize this form to report any unregistered coin-operated machines in public use for which the proper license has not been acquired, or upon which a required machine sticker is not displayed. Information to be entered on the report includes:

(a) Location information for the unregistered machine, including business location name, phone, and contact person, if known.

(b) Machine owner information, including name, address, and phone number, if known.

(c) Other relevant information that you feel may assist in achieving compliance for the machines so identified.

After completing the report as fully as possible, mail the completed form to the Tennessee Department of Revenue, Taxpayer Services Division, 500 Deaderick Street, Nashville, Tennessee 37242. You do not need to sign the form; all information received will be used for compliance purposes.
