HOWIT WORKS?

EZ Tag is a web-based service developed for actively licensed automotive dealers in Tennessee to enhance the process of issuing temporary drive-out tags to customers on weather-resistant paper using a laser printer. EZ Tag eliminates tracking inventory of the green cardstock tags and simplifies accounting procedures by recording the audit log book and building reports.

Required Materials

To use the Dealer Drive-Out EZ Tag program, your dealership will need a computer with internet access, a connected laser printer and the supplies on which you'll print temporary tags.

Each Temporary Tag that is issued produces a unique temporary tag number, expiration date, and temporary registration, all on-demand.

Available Temporary Tag Types:

Temporary Tag
Temporary Tag Extension
Transfer Tag

Transport Tag
Internet Outage Tag
System Outage Tag
