### Expiration Extension Notice

December 23, 2020

Dear Tennessee Commercial Driver License Holders,

Pursuant to Governor Bill Lee's Executive Order 73, signed December 22, 2020, the Tennessee Department of Safety and Homeland Security has granted the following extensions to individuals with a commercial driver license (CDL).

- A) For Class A, B, & C, license holders whose Medical Cards were set to expire between June 1, 2020 and August 31, 2020, they will now have until December 31, 2020 to submit a new medical card so long as the expiring medical certificate was issued for 90 days or more.
- B) For DOT medical cards which were set to expire between September 1, 2020 and February 28, 2021 will now have until February 28, 2021 to submit a new medical card. Once you obtain an updated Medical Examiner Certification (DOT Medical Card), please submit it and the Affidavit Self-Certification form to CDL Medical Certification Renewal at Driver Services online through our e-Services portal <https://www.tn.gov/safety/driver-services/online.html> or at [DI.CDL.MEDCERT@TN.GOV](mailto:DI.CDL.MEDCERT@TN.GOV).
- C) Drivers who, since their last medical certificate was issued, have been diagnosed with a medical condition that would disqualify the driver from operating in interstate commerce, or who, since their last medical certificate was issued, have developed a condition that requires an exemption or skill performance evaluation from FMCSA are not covered by this extension.

Please print a copy of this letter and maintain it with your expired commercial driver's license.

**YOU MUST KEEP THIS LETTER WITH YOU WHEN DRIVING TO PROVE THE VALIDITY OF YOUR LICENSE. THIS NOTIFICATION LETTER TAKES PRECEDENCE OVER ANY PREVIOUSLY ISSUED LETTER TO THE CONTRARY.**
