Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).

Explanations:

- Property subtype names(categories) are those used by law enforcement in the Tennessee Incident Based Reporting System(TIBRS).
- 'Quantity Seized' is the number of items seized in 2023.The numbers in 'Quantity Forfeited' and 'Quantity Returned' will not equal the numbers in 'Quantity Seized' because cases closed in 2023 may have been opened in a previous year and cases opened in 2023 may still be open and will not close until a later year.
- The determination of 'Forfeited' or 'Returned' is made by either Administrative Forfeiture(no petition filed within the required 30 days), contested case order (Administrative Law Judge Order), or Settlement Order(settlement between the parties).
