UTHSC intends to advertise this lease need for future years.

A \$100 cleaning fee will be assessed for cleaning services each time a medical student rotates out and a new one arrives.

The University will have an option to purchase the Maplehurst Property or the remaining portion thereof for the lesser of TUFF's initial purchase price or the amount required to pay off any outstanding debt. If the University does not elect to purchase the Maplehurst Property and if TUFF does not move forward with the development and elects to sell the Maplehurst Property, the University will compensate TUFF for losses on a third-party sale up to \$10 million within specified time parameters.
