The State Building Commission Executive Subcommittee met this day at 11:00 a.m. via WebEx electronic meeting, with the following members and Departments present. Commissioner Eley called the meeting to order at 11:00 a.m. and requested action on the following matters as presented by State Architect Ann McGauran.

MEMBERS PRESENT

Butch Eley, Commissioner, Department of Finance and Administration, participated via electronic communication
Tre Hargett, Secretary of State, participated via electronic communication
David Lillard, State Treasurer, participated via electronic communication
Jason Mumpower, Comptroller of the Treasury, participated via electronic communication

Commissioner Eley stated that the purpose of this meeting was to consider the items on the agenda for the January meeting of the Executive Sub-Committee of the State Building Commission. Tennessee Code Annotated §8-44-108 provides that if a quorum of members is not physically present at the meeting, other members may be retained for a vote via electronic or other means of communication if certain statutory requirements are met.

A determination has been made that the electronic communication in this meeting by the members is a necessity based on the following facts and circumstances:

1. The Executive Sub-Committee has regularly scheduled monthly meetings around which agencies and institutions plan, and a delay will cause an operational hardship for certain of the agencies and institutions having time sensitive matters on today’s agenda.
2. The current public health crisis resulting from the COVID-19 virus has resulted in declarations of a “State of Emergency” by the State and local governments.
3. Meeting electronically is necessary to protect the health, safety and welfare of Tennesseans in light of the COVID-19 outbreak

Commissioner Eley, Secretary Hargett, Comptroller Mumpower, and Treasurer Lillard participated electronically. At a roll call vote all members voted aye and approved the use of electronic communication for this meeting.

Comment:

The UT Law Enforcement Innovation Center (LEIC) is an agency of the University of Tennessee Institute for Public Service. LEIC expands capabilities of law enforcement personnel by providing training that improves the quality of policing. LEIC’s National Forensic Academy (NFA) is an intensive, highly hands-on, and experience-based course of instruction that requires in-person training to achieve the course learning objectives.

The need for fully trained Crime Scene Investigators is critical and continues even in the COVID environment. Utilizing safety protocols and social distancing, LEIC plans to offer three (3) ten (10) week sessions for professionals and one (1) three (3) week session for college students in 2021. Attendees include county, city and state police officers; state bureau of investigation staff; and DOD personnel among others from across the country and internationally. Classes began January 4, 2021 and the last session ends November 19, 2021.

Housing is provided for attendees as part of the cost of the program. The University solicited proposals for housing accommodations through the UT System Procurement bid platform which includes a public website and an email blast. One complete proposal was received, and Corporate Quarters, Inc. was selected. The nightly rate per person is lower than the state per diem rate of $96.00 per night in Anderson County. Corporate Quarters will serve as an intermediary and provide the rooms at one of four possible apartment complexes that met the bid criteria including location within 20 minutes of the LEIC. For each session, all rooms will be located at the same apartment complex. Corporate Quarters fully furnishes the apartments including linens and kitchen appliances/utensils. The rate includes maintenance, utilities, internet service and cleaning prior to each arrival date.

Either party may terminate this agreement with 30-days prior notice. Waiver of advertisement is requested because the advertising procedures undertaken did not meet the requirements of SBC policy, but are believed to have reached interested proposers.
To accommodate classes that began January 4, 2021, a short-term agreement has been executed with Corporate Quarters, Inc. through February 2, 2021.

DEPARTMENT OF INTELLECTUAL & DEVELOPMENTAL DISABILITIES

Disposal – Fee

Requested Action: Approval of disposal in fee with waiver of advertisement and one appraisal

Transaction Description:
- Location: Clover Bottom Campus – Former Knights of Columbus Building
  Davidson County – 4.00 +/- acres – 3,282sf Residential Office Building, 940sf Detached Garage
  Portion of 3021 Lebanon Pike, Nashville, TN
- Grantee: Young Men’s Christian Association (YMCA)
- Estimated Sale Price: Fair Market Value

Comment:
This property has been determined to be surplus to the Department’s needs. It was previously leased to the Knights of Columbus (KOC) to allow the KOC to construct and operate a housing facility for the handicapped and/or elderly. However, KOC defaulted under the terms of the lease, and the property reverted to State control on December 18, 2019.

The property is an inholding on the same campus as the Tennessee Law Enforcement Training Facility, Clover Bottom Mansion and the Tennessee School for the Blind. The parcel has no direct access from Lebanon Road and is accessible only through the Clover Bottom campus, or alternatively through an adjacent property owned by the YMCA. Through the years, there have been several license agreements between the State and the YMCA for use of the Clover Bottom campus for YMCA program initiatives. As a result of this partnership, the YMCA would like to purchase the KOC property from the State.

The lack of public access to the property impairs its marketability and utility to potential purchasers. There are also concerns about vandalism and unlawful occupancy because the State is not actively using the improvements. The YMCA, a contiguous landowner with alternative access, has requested to purchase the property and use it as office space in furtherance of the mission on the YMCA. Because sale to the YMCA will allow the State to block the private drive and divest the State of the financial burden and liability risk imposed by this property, waiver of advertisement is requested.

The proceeds will be deposited into the Intellectual and Development Disabilities Trust Fund in accordance with TCA §12-2-117.

- Current Lease
  - Location: Post Mortem Examination Facility

**Comment:**
This property has been determined to be surplus to the Department's needs.

The building located at 1000 2nd Avenue was destroyed in the March 2020 tornado. The building at 900 2nd Avenue was damaged by the tornado and deemed unfit for occupancy.
