Commissioner McWhorter stated that the purpose of this meeting is to consider the items on the agenda for the June meeting of the Executive Sub-Committee of the State Building Commission. Tennessee Code Annotated §8-44-108 provides that if a quorum of members is not physically present at the meeting, other members may be retained for a vote via electronic or other means of communication if certain statutory requirements are met.

A determination has been made that the electronic communication in this meeting by the Treasurer is a necessity based on the following facts and circumstances:

1. The Executive Sub-Committee has regularly scheduled monthly meetings around which agencies and institutions plan certain of their operational actions and a 30 day delay will cause an operational hardship for certain of the agencies and institutions having matters on today’s agenda.

2. There are matters on the agenda which are time sensitive and there will be operational hardships if the Executive Sub-Committee is unable to render decisions on these matters in June.

Commissioner McWhorter and Secretary Hargett were physically present; Treasurer Lillard participated electronically; and Comptroller Wilson was absent.

Comment:
The Kemmons Wilson School of Hospitality and Resort Management proposes to add classes in the culinary arts focus area to its program. At this proposed location, the school will have a culinary operation and with associated endeavors like dine-in eating, and retail sales of food, culinary books, utensils, equipment and clothing. The Tennessee Commission on Higher Education supports this initiative.

The University requests a waiver of advertising due to the unique nature of this space which has an extensive kitchen and teaching facilities that fully meet the programming needs. The landlord will include the equipment for 6 kitchens, office equipment, computers (in classrooms, labs, and offices), telecommunication equipment and copiers, books in the library, furniture and fixture, all small kitchen appliances and other supplies at no additional cost; free rent until August 1, 2019. If the University remains in the space through the end of the 5th lease year, it will receive ownership of all of the equipment. The University may terminate lease upon 6 months’ notice with payment of a $150,000 termination fee.

Rent and Additional Rent for the common area maintenance and shopping center insurance and taxes increase by 2% during each year of the term, including during each year during the renewal terms, if exercised. The University is also responsible for paying for all maintenance of systems serving the leased space and any inspections or other services necessary because of its use of the premises for food service uses. Cushman & Wakefield was engaged as a broker to represent the University and will earn $31,833 a commission of when this lease is executed.

Minutes: 06/24/2019 At a roll call vote all members voted aye and approved a lease with waiver of advertisement.
UNIVERSITY OF MEMPHIS

Acquisition – Lease (Space)

Requested Action: Approval of a master lease

Transaction Description:

- Proposed Lease
  - Location: University of Memphis – Memphis, Shelby County, Tennessee
    Gather I - 3655 Southern Avenue, Memphis, TN
  - Landlord: RDC Fund VI Memphis LLC and RDC Fund VIII Memphis II, LLC
  - Term: Up to 1 Year (August 1, 2019 – July 31, 2020)
  - Area / Costs: 264 beds
    Annual Contract Rent (incl Util. and Jan.) $/unit Total Cost
    $680.00 $2,154,240.00

- Source of Funding: Plant Funds (Aux-Housing) (A)
- Procurement Method: Negotiated
- FRF Rate: $18.00/sf (for reference only)

Comment: The University of Memphis has an insufficient supply of apartment style housing to meet the current demand. Gather I is the only apartment building adjacent to campus with a sufficient number of vacancies that can meet the University's need for additional apartment style housing. This lease will allow the University to provide additional apartment style housing to students while the University and the State continue to review the opportunity to acquire the apartment complex that includes Gather I and Gather II and is in the University's 2015 Master Plan.

Advertising is not required by TCA § 12-2-114, since the lease term will be for one year or less. Consistent with SBC Policy, the Chief Financial Officer has approved waiver of termination for convenience, and the lease will automatically terminate if the University acquires The Gather apartment complex.

Minutes: 06/24/2019 Commissioner McWhorter stated that the University has put a lot of time and energy into this. At a roll call vote all members voted aye and approved a master lease.

Comment: The ESC approved the acquisition of 45 S. Dudley Street (Transaction No. 15-03-003) on March 23, 2015. In August 2017, the University entered into a short-term lease of the Vivarium with an option to acquire. The option was not exercised as the University began to explore alternate funding options and the lease and option to purchase expired.

The University proposes to lease the vivarium from July 1, 2019 through June 30, 2021. The University would be responsible for paying utilities, maintenance, and janitorial costs. Due to the unique space type, waiver of advertisement is requested. As a part of the lease agreement, the University will have the option to purchase the vivarium for $14,450,000. If the closing does not occur within two (2) years of the lease commencement date, the purchase price will increase to $15,050,000. The University will not exercise the purchase option prior to receiving ESC approval to do so.

The University may terminate for cause due to lack of funding by the appropriate Legislative Body. Due to the short term of the lease, waiver of termination for convenience is requested.

Previous Action:
- **03/23/2015 ESC** Approved obtaining title work, appraisal, survey, and environmental assessment, and to exercise option to acquire interest, not to exceed fair market value, with waiver of advertisement and one appraisal. (Transaction No. 15-03-003)

TENNESSEE WILDLIFE RESOURCES AGENCY

Acquisition – Easement (Conservation)

Requested Action: Approval of acquisition by easement with waiver of advertisement and appraisals

Transaction Description: Transaction No.19-05-012
- Location: Skinner Mountain WMA (SMWMA)
  Fentress & Overton Counties – 11,734± acres – 0 Big Piney Creek & Savage Boles Rd, TN (Fentress), and Cooktown Rd (Overton)
- Owner(s): FLC PROPERTIES FOUNDATION, affiliate of The Conservation Fund (TCF)
- Estimated Purchase Price: Fair Market Value
- Source of Funding: The Conservation Fund (O)
  Federal Funds (Wildlife Restoration Fund) (F)

Comment: Per TCA §11-14-402, this property is on the wetlands priority list and has been approved for purchase by the Commissioner of the Department of Agriculture and Executive Director of Tennessee Wildlife Resources Agency.

This is the second of two phases relative to the preservation of the Skinner Mountain forest. The first phase was the acquisition of 3,032± acres deemed to be the most sensitive. In this phase, TWRA requests approval to acquire the remaining 11,734± acres in Fentress and Overton counties as conservation easements with hunting rights.

This acquisition will help preserve this valuable forestland, which is rich in biodiversity and a critical habitat for several bat species, two of which have been designated as federally endangered. This acquisition will also enable public access while allowing the land to stay in private ownership as a “working” forest, thereby maintaining local tax revenues while boosting local sales tax revenues. The required 25% match for the Federal Funds will be met through a discounted purchase price.

No additional management costs are anticipated with this acquisition.

Minutes: 06/24/2019 At a roll call vote all members voted aye and approved acquisition by easement with waiver of advertisement and appraisals.
Disposal – Fee

Requested Action: Approval of disposal in fee with waiver of advertisement and one appraisal and to dispose of property for less than Fair Market Value as determined by appraisal

Transaction Description: Transaction No. 19-01-004
• Location: Madison County – 0.35 +/- acres – 15 Idlebrook Cove, Jackson, TN
• Grantee: Intunity (formerly known as Housing Foundation of West Tennessee, Inc., or HFWT)
• Estimated Sale Price: $92,550.00

Comment: This is residential rental property in which DIDD leases rooms to persons with intellectual disabilities. DIDD desires to transfer this property to an entity whose mission is better aligned with this purpose.

Intunity was created from funds that arose from penalties assessed to DIDD as part of the Arlington lawsuit settlement. Intunity’s mission is to acquire, adapt, maintain and lease safe, accessible and affordable housing for eligible persons with intellectual disabilities in West Tennessee. Sale of the property to Intunity will eliminate the ownership burden of this property to DIDD and allow the current residents to remain in their home. The deed will require that the property be used to provide safe, accessible and affordable housing for eligible persons with intellectual disabilities in West Tennessee for 5 years after the date of the deed. Proceeds of the sale will be deposited into the Intellectual Disabilities Trust Fund (IDTF) pursuant to TCA 12-2-117.

This building is less than 50 years old and does not require Tennessee Historical Commission Review.

Date of Last Transfer: 07/25/2007
Purchase price: $216,666.00
Property Assessor’s Value: $97,100.00
Square Footage Improvements: 1575 sf house (1990)

Minutes: 06/24/2019 Secretary Hargett asked if it was correct that the purchase price in 2007 was roughly $217,000 but now appraises at under $93,000. Mr. Kent Brummett stated that it appraises for $119,000 and when the property was purchased in 2007 there was an existing lease for four years and some back rent was applied to the purchase price. Mr. Brummett stated that the home has been modified for people with disabilities and is no longer a typical single family home which affects the appraised value.

At a roll call vote all members voted aye and approved disposal in fee with waiver of advertisement and one appraisal and to dispose of property for less than Fair Market Value as determined by appraisal.
