MIDDLE TENNESSEE STATE UNIVERSITY

Disposal – Lease (Land)

Requested Action: **Approval of disposal by lease with waiver of advertisement and appraisal**

Transaction Description:

- **Location:** Middle Tennessee State University
 Rutherford – 3.8 acres – 2739 Middle Tennessee Blvd.
- **Tenant:** SiLa Developments, LLC
- **Term:** Forty (40) years with the option of two additional periods of eleven (11) years each
- **Area/Costs:** 3.8 acres +/- / \$109,284 annual base rent (years 1-10)* escalating 2.5% every 10 years +
 additional percentage rent beginning at lease year 11

Comment: Tenant proposes to construct a 122-bed hotel development pursuant to the ground lease, without University financing, financial backstops, or University guaranteed minimum room-night rentals. Since the proposed ground lease is a product of an SBC-approved RFP process for public private partnership (P3), a waiver of advertisement and appraisal are requested. Rental income from the Tenant will be in the form of monthly lease payments plus a percentage of hotel room revenue (after year 10). In addition, lease consideration includes academic experiential learning opportunities provided by the Tenant to MTSU academic programs during project development and ongoing management and hotel operations.

The Tenant is responsible for all associated costs to finance, design, construct, and operate the hotel. The Tenant will also be responsible for any required re-zoning and construction permitting. Demolition of two existing structures will be required for development. The Tennessee Historical Commission has determined that this project will **not** adversely affect this State-owned resource and no further action is necessary.

The Tenant is required to fund a maintenance escrow account on a monthly basis to help ensure that funding is reserved to carry out any needed maintenance or repairs throughout the lease term.

The proposed hotel flag for the project is a Graduate Hotel franchise, which has a unique focus on providing lodging to support universities and designed to celebrate the specific college community and its traditions. In the event that the application for the Graduate Hotel is not approved by Hilton, the Tenant shall propose an alternative hotel flag that MTSU shall approve or deny with sole and absolute discretion.

A separate management agreement between the Tenant and the hotel management company outlines the hotel manager's responsibilities including hotel marketing, sales, maintenance, and asset management.

At the end of the term, all improvements will become the property of the University. MTSU has the option to purchase the ground lease and improvements after year 20 of the lease term for fair market value.

* Rent will not be applied to the first six months of the lease term and may be deferred up to an additional year.

Comment: The University and Consolidated Nuclear Security (CNS) agreed in May 2025 to collaborate on research initiatives to enhance national security. This collaboration will result in the development of a National Security Prototype Center (NSPC Building) in Oak Ridge. The University and CNS will each lease a portion of the building to enable joint research and development of prototypes for high-precision, classified manufacturing around nuclear energy.

The Landlord is an entity created by the Industrial Development Board of Roane County, Tennessee (IDB), which will borrow funds sufficient to construct the NSPC Building and engage Lawler-Wood NSPC, LLC to design, build, maintain and operate the facility.

While the University will lease approximately one third of the NSPC Building, the University's rent payment will cover all of the debt service required to construct the NSPC Building and the obligation to pay rent will terminate at the end of the initial lease term. The University and CNS will each be responsible for their pro rata share of the annual operating and utility costs. (The Estimated Annual Operating Cost and Estimated Annual Utility Cost are based on the University's leased space and approximately one half of the Common Area, 31,132 sf.) CNS is permitted to terminate its lease with the Landlord on 1 year's notice. If CNS terminates its lease for a portion of the NSPC Building, the University will be

responsible for operating and utility costs for the entire NSPC Building. The University is also responsible for \$1 million in cash commitments related to the Pre-Development Agreement that was previously approved, \$2 million in contingency funds, and \$1,538,205 in expenses for furniture, fixtures and equipment.

Waiver of advertisement is requested due to the collaborative nature of the relationship with CNS and the location of the NSPC Building at the Oak Ridge Enhanced Technology and Training Center which is controlled by the IDB. The University does not have the right to terminate the lease prior to the end of the initial term.

	4% on revenue over \$40M up to \$50M	
	5% on all revenue over \$50M	

Upon the opening of the Condotel Project, the Condotel Developer will pay to the University annual rent in an amount equal to \$750,000.00 (“Base Rent”) plus Percentage Rent. For the first thirty (30) years of the lease, Percentage Rent will be 3% of the portion of (i) hotel gross operating revenues, including rooms revenue, food & beverage outlet revenues, and banqueting & events revenues; and (ii) net operating revenues from condo-hotel unit rentals after deducting condo-hotel owner’s share of rental revenues ((i) and (ii), collectively, “Hotel Operating Revenues”), in excess of \$25 million and up to (but not exceeding) \$40 million, plus 4% of the portion of the Hotel Operating Revenues for such lease year in excess of \$40 million and up to (but not exceeding) \$50 million, plus 5% of the portion of Hotel Operating Revenues for such lease year in excess of \$50 million. For the thirty-first (31st) and subsequent lease years, the Percentage Rent will be 3% of the portion of Hotel Operating Revenues for such lease year in excess of \$25 million. Sponsorship revenues, condo sales, and hotel-condo sales shall be excluded from Hotel Operating Revenues when calculating Percentage Rent.

Reciprocal Easement Agreement (Access, Parking, Utilities, etc.) Transaction No. 26-01-008C

- **Location:** University of Tennessee – Neyland Stadium Area - Knoxville, Knox County
- **Parties:** 865 Entertainment Developer, LLC, 865 Hospitality Developer, LLC, 865 Neyland Parking Developer, LLC, and State of Tennessee, on behalf of University of Tennessee

Comment: The parties have completed the services under the Pre-Development Agreement and are ready to start construction on the project. The Plant Funds included as a source of funding are to cover the potential liability should the University decide not to pursue this project at financial close. If this project moves forward, the Plant Funds will no longer be at risk and can be removed from the project.

Parking Garage. The University will enter into a development agreement the Parking Developer, which will be responsible for the design and construction of the approximately 1316 space parking garage. The University plans to finance the parking garage with a TSSBA Bonds. The University shall be solely responsible for the repayment of the principal and interest on the Bonds, as well as any other financing costs and fees relating to the Parking Project. Repayment is anticipated to be funded with parking fees and rents from the Entertainment District and Condotel Project.

Entertainment District. The Entertainment District is projected to be a \$65 million development that includes approximately 50,000 square feet for dining and retail

establishments and 60,000 square feet for an exterior plaza that will be built atop the Parking Project. The tenant will own, manage, and maintain the Entertainment District.

The University will have the right to purchase or acquire the Entertainment District upon the 40th anniversary of the Entertainment District Lease and every ten years thereafter. The University also has a right of first offer if the tenant desires to sell the Entertainment District.

Condotel. The Condotel is an anticipated to be a \$220 million condominium project featuring a hotel with approximately 180 rooms, conference and related facilities (the "Hotel Unit"), 50 individual residential condominium units, and 30 condo hotel residential units. The Condotel Project will include an approximately 214-space parking garage that will adjoin the eastern portion of the Parking Project. The tenant will own, manage, and maintain the Condotel during the term of the Condotel Ground Lease.

The Condotel Project will include approximately 5,000 square feet of space for the University ("University Space"). The University Space will be subleased to the University for an annual rental payment of \$1.00/year, plus its pro rata share of operating expenses. The University will pay for the costs of the buildout of the University Space and has budgeted \$4,000,000 for this work. Once the sublease is drafted, it will be presented to the Commission for approval.

The University shall have the right to purchase or acquire the Hotel Unit upon the 50th anniversary of the Condotel Ground Lease and every ten years thereafter. The University also has a right of first offer if the tenant desires to sell the Hotel Unit.

Reciprocal Easement Agreement. The Reciprocal Easement Agreement allows for shared access, parking, infrastructure systems, utility easements, and improvement encroachments over the entirety of the project area (Parking Project, Entertainment District and Condotel).

The University has determined that the ground leases and disposal easements will not hamper future UTK operations. Waiver of appraisal is requested as the rent has been determined by UTK to be fair market value.

DEPARTMENT OF CHILDREN'S SERVICES

Statewide, Tennessee

Requested Action: **Approval of a revision in project budget, scope, and a portion of the Early Design Phase** as presented by Allen & Hoshall, Inc.

Project Title: New West, Middle, & East Assessment and Intake Facilities

Project Description: ~~Conversion of an existing facility and the construction of two new facilities into Assessment Centers, construction of six new~~ *Construction of new prototypical Assessment Centers and Intake Facilities, land acquisition, and all required related work.*

SBC Number: 144/000-01-2023

Total Project Budget: \$123,000,000.00

Current Project Funding: \$ 88,360,000.00

Source of Funding: \$ 88,360,000.00 22/23 CurrFunds-CapImp (A)

Comment: This request increases the total project budget from \$88,360,000.00 to \$123,000,000.00 due to programmatic and phasing changes to accommodate an increase in size and functionality of both types of facilities, a site change in Memphis, and to address the immediate needs of the agency.

This Early Design Phase (EDP) presentation will cover the prototypical design for the Jonesbrough, Tullahoma, and Lexington intake facilities. These are the highest priority and will help to confirm the cost of future phases. Additional funding is anticipated to be requested in the FY27/28 budget. The next highest priority is the Nashville co-located Intake and Assessment facilities.

This first phase of the project is the highest priority and can be accomplished within the current available funding with construction of the first location anticipated to start in November 2026.

DEPARTMENT OF GENERAL SERVICES

Disposal – Lease (Land)

Requested Action: **Approval of disposal by lease with purchase option and with waiver of advertisement and appraisal**

Transaction Description: Transaction No. 25-07-017

- **Proposed Lease**
 - **Location:** Tennessee Preparatory School (TPS), Davidson County – 18.25 ± acres – 1276, 1278, 1280 & 1282 (Menzler), and 1284, 1286, 1288 & 1290 (Sills) Foster Avenue, Nashville, TN
 - **Tenant:** 4:13 Strong, Inc.
 - **Term:** 30 years with one 20-year renewal option
 - **Area/Costs:** 30,400 Square Feet & 18.25 ± acres / No Cost
- **Current Lease:**
 - **Location:** Tennessee Preparatory School (TPS), Davidson County - 1276, 1278, 1280 & 1282 (Menzler), and 1284 & 1290 (Sills) Foster Avenue, Nashville, TN
 - **Tenant:** 4:13 Strong, Inc.
 - **Term:** February 1, 2023 – January 31, 2027
 - **Area/Costs:** 22,800 Square Feet

<u>Expense Category</u>	<u>Cost/sf</u>	<u>Annual Cost</u>
Annual Contract Rent (Utilities Only)	\$2.15/sf	\$49,200.00

Comment: 4:13 Strong is a nonprofit, privately funded organization currently operating on the TPS campus. It provides a residential program for at risk young men aged 18 to 30, focusing on life skills, workforce certifications, and job placement to address root causes of incarceration, homelessness, addiction, and poverty. 4:13 Strong or its predecessor, Y-Build, has maintained continuous occupancy at this location since 2009 under various agreements.

This proposed ground lease will also support an expanded campus to increase capacity, provide graduate family housing, add a vocational training center, a daycare, community center, and green spaces, enhance public safety with a secure perimeter as well as provide families with a transitional environment to reduce reliance on public aid. The ground lease will permit continued and expanded productive use of the property while relieving the State of future operational, capital, and maintenance responsibilities.

Tenant shall pay all utilities and maintain the property and all improvements located thereon at its sole cost and expense. If the renewal option is exercised, the renewal will require Building Commission approval. Tenant may exercise an option to purchase at any point during the lease. The purchase price shall be at fair market value for the land (excluding all improvements) as established by appraisal.

Waiver of appraisal for the lease and a lease at no cost are requested because of the value of the public benefit derived from Tenant's program. A waiver of advertisement is requested based on the organization's longstanding presence on the property and the public benefit derived from its mission. This proposed lease will not negatively impact the State's operations and is surplus to the State's needs.

- **Sole Source / Proprietary Procurement**

1. **State Procurement Agency:** University of Tennessee Health Science Center
Project Title: UTHSC Gross Anatomy Lab Renovation (24/25)
SBC Project No: 540/013-02-2024
Type: Sole Source
Comment: This procurement is for crematorium equipment which is the only available equipment that meets compliance requirements and can be transported via elevator to a 3rd floor building location. The estimated cost of the equipment is in the typical price range of similar, industry-standard cremators.
2. **State Procurement Agency:** University of Tennessee Health Science Center
Project Title: UTHSC Gross Anatomy Lab Renovation (24/25)
SBC Project No: 540/013-02-2024
Type: Sole Source
Comment: This procurement is for twenty 40" high efficiency ductless fume hoods which addresses the work space needs of the compounding pharmacy as opposed to industry standard 36" fume hoods while being in the same price range.

3. **State Procurement Agency:** University of Tennessee Health Science Center
Project Title: UTHSC Gross Anatomy Lab Renovation (24/25)
SBC Project No: 540/013-02-2024
Type: Sole Source
Comment: This procurement is for fifty-three custom anatomy dissection tables which match the existing tables and are designed with an oversized drain and tapered edges which allows for cleaning. The design also works with the existing accessories.

4. **State Procurement Agency:** STREAM / Department of Environment & Conservation
Project Title: State Parks Small Projects Johnsonville State Historic Park
SBC Project No: 126/000-04-2016
Type: Sole Source
Comment: This procurement is for CXT precast concrete bath houses. CXT is the only registered precast building manufacturer, pre-authorized to meet fire and building code requirements in the State of Tennessee. Pricing is based on the Sourcewell contract for pre-cast park buildings with unit cost below other industry equivalent manufacturers.
