TENNESSEE WILDLIFE RESOURCES AGENCY

**Acquisition – Fee (Purchase)**

**Requested Action:**                   **Approval of acquisition in fee**

**Transaction Description:**       Transaction No. 25-11-007

- **Location:**                   Lauderdale County – 62 +/- acres – 0 Highway 51, Covington, TN
- **Owner:**                     Beverly Coats, Linda Durham, and Jane Embry
- **Purchase Price:**         Fair Market Value
- **Source of Funding:**     25/26 Wetlands Acquisition Fund (A)

**Comment:**           This property is on the wetlands priority list and has been approved for purchase by the Commissioner of Agriculture and the Executive Director of Tennessee Wildlife Resources Agency per T.C.A. §11-14-402. The boat ramp located in TDOT right of way adjacent to this property is in poor condition and needs to be expanded and replaced. TWRA desires to acquire this property to construct a replacement boat ramp and associated parking lot. TWRA will seek to secure State or other funding for this construction.

This tract is adjacent to the Hatchie National Wildlife Refuge and the US Fish & Wildlife Service is interested in acquiring it as an addition to the Hatchie National Wildlife Refuge. The US Fish and Wildlife Service is supportive of TWRA acquiring this property and constructing a boat ramp and parking lot improvements. The parties have agreed that when the US Fish & Wildlife Service obtains all necessary approvals to acquire this property, TWRA will sell the property to the US Fish & Wildlife Service, reserving an easement for the boat ramp and parking improvements.

**Historical Property Information:**

- Date of Last Transfer: 05/14/2012
- Purchase Price: \$0 (intra-family transfer)
- Property Assessor’s Value: \$48,500.00
- Square Footage Improvements: N/A

**Minutes:**           03/23/2026       ESC   Commissioner Bryson clarified that the purpose of this acquisition is to purchase the property, construct a new boat ramp, and then sell the property to the US Fish and Wildlife Service (“USFWS”). Mr. Maxedon said that there is already a boat ramp in place, so the plan would be to improve the access area and parking lot. In response to Commissioner Bryson’s question of whether there was a written contract with USFWS, Mr. Maxedon responded that there is only a verbal agreement with USFWS to buy the property. Commissioner Bryson asked about the purchase price and Mr. Maxedon stated that TWRA believes the property can be purchased for about \$200,000.

Commissioner Bryson asked what prompted TWRA to pursue this property and the boat ramp related improvements. Mr. Maxedon responded that Sen. Paul Rose had requested that TWRA pursue this property due to public safety concerns. He explained that when the Hatchie River gets high or there is high usage of the parking area, users are required to park on the side of a four lane highway, Highway 51. Mr. Maxedon stated that after the improvements are made, he estimates that TWRA will have invested approximately \$20,000 in the property improvements. Commissioner Bryson asked if the boat ramp, access area and parking lot would be retained by TWRA after the property is sold to USFWS and was told that TWRA would retain an easement over that area.

Commissioner Bryson stated that his concern with this acquisition is related to TWRA's funding challenges. He added that TWRA has said it needs additional funds to operate; has a couple of bills in front of the General Assembly now to increase funding; and has proposed fee increases. Commissioner Bryson stated that this Administration has proposed an additional \$10,000,000 be provided to TWRA. He asked if he was correct in perceiving that a lot of money is being spent on capital projects and land acquisition at the expense of funding salaries and other core functions of TWRA and expressed concern about the expenditure of funds that increase TWRA's responsibilities while decreasing the funds available to service TWRA's mission. Mr. Maxedon responded that Chairman Watson has required a \$6,000,000 floor in the Wetlands Acquisition Fund to preserve those dollars exclusively for critical purchases, like this one, but that the Legislature has allowed TWRA to use dollars above that floor to fund law enforcement and other operational expenses, which TWRA greatly appreciates. Mr. Maxedon further explained that it is the Wildlife Fund that is experiencing challenges, as that is where most of TWRA's money is spent. However, for this action, TWRA can use money from the Wetlands Acquisition Fund to buy the property and money from the Boating Fund to do the work. He added that the Boating Fund is actually doing well and Commissioner Bryson agreed that the Boating Fund is healthy.

Commissioner Bryson asked for additional confirmation on the funding. Mr. Maxedon explained that this purchase can be made using funds within the \$6,000,000 floor of the Wetlands Acquisition Fund. He said that TWRA is working to spend down the balance of the Wetlands Fund to the \$6,000,000 floor in compliance with direction from Director Thurman. Mr. Maxedon stated that TWRA typically spends, on an annual basis, approximately \$15,000,000-16,000,000 on maintenance and operations; and \$12,000,000-14,000,000 on law enforcement. They are spending down money in the Wetlands Fund for some of those expenses. Then, funds within the remaining \$6,000,000 can be used on acquisitions like this one and other small acquisitions to further the mission of TWRA. Commissioner Bryson clarified that this acquisition fits within the traditional definition of the purpose for which the Wetlands Funds were to serve and Mr. Maxedon confirmed.

Commissioner Bryson asked that TWRA reach out to his office prior to bringing any additional actions to the State Building Commission or the Executive Subcommittee using TWRA controlled funds. He said the concern is that funding for land acquisitions and capital project funding comes out of the same bucket of money used to pay salaries and cover other TWRA core functions. Mr. Maxedon agreed to do so and added that TWRA is working to change how their funding is allocated so that these dollars are not comingled. He added that, in the future, TWRA plans to request funds from the Legislature for capital improvements and keep its operational dollars for operational expenses. Commissioner Bryson agreed that this would be in line with other agency budgeting, increase transparency, and help TWRA over the long term.

The Subcommittee approved acquisition in fee.

TENNESSEE WILDLIFE RESOURCES AGENCY

**Acquisition – Lease (Ratification of Existing Lease)**

**Requested Action:** Approval of ratification of existing lease

**Transaction Description:** Transaction No 25-11-003

• **Current Lease:**

- **Location:** J. Percy Priest Stones River Hunter Education Center  
Davidson County – 146.91 acres – East of State Highway 71, North of US Highway 109,  
Antioch, TN
  - **Landlord:** United States Army Corps of Engineers (USACE)
  - **Term:** 25 years (May 1, 2023 – April 30, 2048)
  - **Area/Costs:** 146.91 acres / Mutual Benefit
- **Source of Funding:** 25/26 TWRA Op Funds (REM Fees) (A)

**Comment:** TWRA seeks retroactive approval of a lease agreement with the USACE for the Stones River Hunter Education Center at the J. Percy Priest Dam and Reservoir in Davidson County. TWRA has occupied this property under agreements with USACE since May 1998 and executed a lease with USACE in February 2025. The lease was not approved by State Building Commission and this action will correct that oversight. Advertisement of the lease was not required since the landlord is a governmental entity.

TWRA intends to bring a capital project for repair of the rear berm and to create more shooting lanes at the property. This project is anticipated to be funded out of the 25/26 TWRA operational budget.

**Minutes:** 03/23/2026 ESC Commissioner Bryson asked that TWRA consult with him prior to bringing the capital project forward. Mr. Maxedon agreed to do so and added that the capital project will be funded primarily with federal hunter education money having a 90/10 federal to state split in funding.

The Subcommittee approved ratification of existing lease.

CONSENT AGENDA LISTING

1.

EAST TENNESSEE STATE UNIVERSITY

**Disposal – Fee**

**Requested Action:** Approval of disposal in fee and to utilize Campus procurement to contract with a realtor to assist with the disposal

**Transaction Description:** Transaction No. 26-01-006

- **Location:** East Tennessee State University  
Washington County – 1.0 +/- acres – 2213 N Greenwood Drive, Johnson City, TN
- **Sale Price:** Fair Market Value
- **Realtor Cost:** 6% of the Sale Price

**Comment:** This property was formerly utilized by the College of Medicine's Psychology Department but is no longer needed for programmatic purposes. Its location, combined with the disproportionate maintenance and operating costs, has rendered the property inefficient for continued institutional use.

**Historical Property Information:**

- Date of Last Transfer: 05/30/1990
- Purchase Price: Unknown
- Square Footage Improvements: 1,980

**Minutes:** 03/23/2026 ESC Approved disposal in fee and utilizing Campus procurement to contract with a realtor to assist with the disposal

UNIVERSITY OF TENNESSEE**Acquisition – Fee (Purchase)**

**Requested Action:**                   **Approval of acquisition in fee for more than appraised value**

**Transaction Description:**       Transaction No. 25-02-020

- **Location:**                   University of Tennessee – Health Science Center  
Shelby County – 0.42 acres – 23 South Pauline Street, Memphis, TN
- **Owner:**                       Soma 23 LLC
- **Purchase Price:**           \$4,000,000.00
- **Source of Funding:**       Plant Funds (Non-Aux) (A)

**Comment:**                   This property is in UTHSC's 2020 Master Plan for acquisition.

This property will be combined with other tracts already owned by UTHSC for future expansion. The current owner will raze the building prior to the University's acquisition with the cost included in the purchase price. While this price is higher than the current appraised value, the University has determined that it is fair and appropriate given the strategic value.

The University does not anticipate making a request within the next five years for a budget adjustment or an appropriation in the budget to support uses on the land.

**Historical Property Information:**

- Date of Last Transfer: 03/25/2022
- Purchase Price: \$3,946,000
- Property Assessor's Value: \$2,885,700
- Square Footage Improvements: 66,440

**Minutes:**                   03/23/2026       ESC   Approved acquisition in fee for more than appraised value

TENNESSEE WILDLIFE RESOURCES AGENCYAcquisition – Easement (Access)

**Requested Action:** Approval of acquisition by easement with waiver of appraisal

**Transaction Description:** Transaction No. 25-03-030

- **Location:** North Cumberland Wildlife Management Area  
Campbell County – 1.00± acres – 0 White Horse Lane, Duff, TN
- **Owner:** David and Gail Metcalf
- **Purchase Price:** \$8,000.00
- **Source of Funding:** 25/26 TWRA Op Funds (A)

**Comment:** TWRA is requesting approval to acquire a permanent access easement at North Cumberland Wildlife Management Area (NCWMA). This access easement will provide more direct access to the western portion of NCWMA.

Waiver of appraisal is requested with fair market value being determined by a qualified State employee in accordance with SBC Policy 8.02D.

**Minutes:** 03/23/2026 ESC Approved acquisition by easement with waiver of appraisal

DEPARTMENT OF ENVIRONMENT & CONSERVATION**Acquisition – Fee (Purchase)****Requested Action:** Approval of acquisition in fee and to utilize a third party

**Transaction Description:** Transaction No. 26-02-006

- **Location:** Roan Mountain State Park  
Carter County – 103.00 +/- acres – 193 Smith Branch Rd., Roan Mtn., TN
- **Owner:** Gerald & Deanna Opp
- **Third Party:** Southern Appalachian Highlands Conservancy
- **Purchase Price:** Fair Market Value
- **Source of Funding:** 25/26 State Lands Acquisition Fund (A)

**Comment:** Per T.C.A. § 67-4-409, this property is on the state lands acquisition priority list and has been approved for purchase by the Commissioner of Environment and Conservation, the Commissioner of Agriculture, and the Executive Director of Tennessee Wildlife Resources Agency.

This is an acquisition adjacent to Roan Mountain State Park. The parcel supports six rare and endangered plant species: Blue Ridge brome-like sedge, blue cohosh, American bittercress, Roan Mountain sedge, showy goldenrod, and Blue Ridge gentian. Acquiring this parcel will provide watershed protection for Smith Branch Creek and will safeguard critical viewsheds from both Roan Mountain State Park and the Appalachian Trail. The parcel also presents opportunities to expand recreational offerings, including the development of additional trails and backcountry campsites.

There are three structures on the property, including a residence that will serve as ranger housing, and two pole barns that will be used for storage. The condition of the structures have been evaluated and all are believed to be in acceptable condition for the proposed uses. The maintenance and upkeep of these structures will be covered by the park's existing operations budget.

Due to time sensitivity, this property will be acquired by a third party, Southern Appalachian Highlands Conservancy, prior to this acquisition.

The agency certifies that it does not anticipate making a request within the next 5 years for a budget adjustment or an appropriation in the budget to support uses on the land being acquired. No additional management costs are anticipated with this acquisition.

**Historical Property Information:**

- Date of Last Transfer: 04/03/2000
- Purchase Price: \$70,000.00
- Property Assessor's Value: \$274,000.00
- Square Footage Improvements: 2,082 sq

**Minutes:** 03/23/2026 ESC Approved acquisition in fee and utilizing a third party

DEPARTMENT OF ENVIRONMENT & CONSERVATIONAcquisition – Fee (Gift) & Easement (Shoreline)

**Requested Action:** Approval of revision of acquisition in fee and acquisition by easement

**Transaction Description:** Transaction No. 25-04-005

**Proposed Revision:**

- **Location Easement:** Roane County- 1.50 to 2.50 +/- acres - 1225 S Kentucky St., Kingston, TN

**Original Approval:**

- **Location Fee:** Roane County- 20.00 +/- acres- 1225 S Kentucky St., Kingston, TN
- **Location Easement:** Roane County- 8.00 +/- acres- 1225 S Kentucky St., Kingston, TN
- **Owner:** City of Kingston (City)
- **Purchase Price:** Gift
- **Source of Funding:** 25/26 State Lands Acquisition Fund (REM Fees) (A)

**Comment:** During the diligence for this acquisition, it was determined that the City does not have an easement from TVA beyond the western boundary of the fee portion and so this area will not be conveyed to the State, reducing the easement area. The amount of acreage in the shoreline easement area fluctuates based on the water's edge. The reduction in the shoreline easement area will not negatively impact TDEC's ability to operate the new park.

The City has confirmed that the road to the park entrance from Tennessee Highway 58 is a public access drive and will remain open for use by park staff and visitors. The City will work with the state if additional documentation is needed to ensure public access to the park over the access drive.

**Previous Action:** 07/21/2025 ESC Approved acquisition in fee and acquisition by easement

**Minutes:** 03/23/2026 ESC Approved a revision of acquisition in fee and acquisition by easement

DEPARTMENT OF GENERAL SERVICES**Acquisition – Lease Amendment****Requested Action:** Approval of a lease amendment with waiver of advertisement**Transaction Description:** Transaction No. 17-06-938 (DHS)

**Comment:** This amendment to the lease will provide office space for Department of Human Services (DHS) in Hamblen County.

This amendment will revise the scope of renovations, provide additional office space, and update the estimated delivery date to a specific commencement date. The increase in space provides a use and configuration that is optimal for DHS' current and future needs. Approval to waive advertisement for this amendment is requested because staying in the current location at the current square footage is more cost effective operationally for the user agency than the original plan.

Based on a review of the financial aspects, occupancy requirements, and market indicators, this amendment is deemed to be in the state's best interest at this time.

Knox Office Realty, LLC will not earn additional commission for this amendment.
