AUSTIN PEAY STATE UNIVERSITY

Disposal - Lease (Land)

Requested Action: **Approval to issue a Request for Proposal for a disposal by lease**

Transaction Description: Transaction No. 26-05-001

- **Location:** Montgomery County – 0.6+/- acres - 210 College St., Clarksville, TN 37040
- **Term:** Approximately 30 years, renewal options may be considered

Comment: This property is currently underutilized for parking and is situated on the outer edge of the campus. A recent housing study has identified a shortage of available housing, and a recent employee survey confirmed interest in redeveloping the site into a mixed-use, multi-family residential facility with integrated ground-floor retail.

This Request for Proposals (RFP) represents the first step for APSU in selecting a qualified developer to finance, design, construct, and operate a high-quality multi-family residential facility with integrated ground-floor retail space. The project is intended to primarily serve faculty and staff, while also remaining accessible to the broader public.

Minutes: 05/26/2026 Secretary Hargett reiterated his concerns of “escalation of commitment” once an RFP is issued and confirmed that if what is received is not the best deal then APSU will not continue forward as they are focused on getting a good deal and not just any deal. Mr. Roohparvar agreed.

At a roll call vote all members voted aye and approved issuing an RFP for a disposal by lease

- **Source of Funding:** Plant Funds (Non-Aux) (A)
- **Procurement Method:** Negotiated
- **FRF Rate:** \$18.00

Comment: This lease will provide clinical and residential space for UTHSC's College of Dentistry (COD). The Bill and Carol Latimer Charitable Foundation (Landlord) will fund the cost of the property improvements including design and construction. UTHSC will assign a project manager to work with the architect/contractor. UTHSC and the Landlord will mutually approve designs and the project schedule with the Landlord being the signatory for all required design and construction contracts. The lease term will be 30 years with rent of \$1.00 per year. UTHSC only has the right to terminate the lease for cause. UTHSC will be responsible for all operating expenses including all maintenance needs, utilities, property taxes, and insurance. UTHSC will also be responsible for furniture and equipment. The property may be donated to UTHSC in the future at Landlord's discretion.

The dental clinic will expand access to oral healthcare in rural communities and support the clinical education of students in the COD who will receive training and provide supervised healthcare services at the clinic. The facility will contain residential space that will serve those students on rotation.

Waiver of advertisement is requested due to the special and unique circumstances of the lease.

Minutes: 05/26/2026 Approved a lease with waiver of advertisement

UNIVERSITY OF TENNESSEE**Acquisition – Fee (Purchase)**

Requested Action: **Approval of acquisition in fee pursuant to a lease option**

Transaction Description: Transaction No. 25-03-001

- **Location:** University of Tennessee - Knoxville
Knox County – 9.40 +/- acres – 2200 Sutherland Avenue, Knoxville, TN
- **Owner:** TUFF 2200 Sutherland Avenue, LLC
- **Purchase Price:** \$25,100,000.00
- **Source of Funding:**

Original Amount	Source
\$25,000,000.00	Bank Loan (TSSBA approved)
\$ 100,000.00	Plant Funds (Non-Aux) (A)

Comment: This property is in the University of Tennessee Knoxville's 2023 Master Plan. TUFF 2200 Sutherland Avenue, LLC (TUFF) acquired the Cherokee Mills Complex (CM Complex) on December 12, 2024 from Magnolia Cherokee Mills LP. The University leases the CM Complex from TUFF and the lease includes multiple options under which the University may acquire the building. The University seeks approval to acquire the building. The early purchase option stipulates a purchase price of \$23,100,000.00 plus up to \$2,000,000.00 in mutually approved capital expenditures.

The University anticipates the loan will be tax exempt with an interest rate not to exceed 4.5%. This results in a maximum annual loan obligation of \$1,897,948.13. This loan was approved by TSSBA.

The University currently leases 146,551 sf of the 192,117 sf in the CM Complex and will have full control of the complex once all the remaining third-party leases expire. The University will continue to use the building for educational, operational, research, and technology uses.

Historical Property Information:

- Date of Last Transfer: 12/12/2024
- Purchase Price: \$20,700,000.00
- Property Assessor's Value: \$13,377,200.00
- Square Footage Improvements: 192,117

Previous Action:

Date	Action

05/19/2025	Approved a lease with a purchase option

Minutes: 05/26/2026 Approved acquisition in fee pursuant to a lease option

DEPARTMENT OF MILITARYDisposal – Lease (Space)

Requested Action: Approval of disposal by lease with waiver of appraisal

Transaction Description: Transaction No. 26-04-002

- **Location:** Shelby County – 2630 East Holmes Rd, Memphis, TN
- **Tenant:** Central United States Earthquake Consortium (CUSEC)
- **Term:** Five years with two 5-year renewal options
- **Area/Costs:** 1.2 +/- acres/\$1.00 annually

Comment: The Central United States Earthquake Consortium (CUSEC) has been occupying 7,466 square feet in an office building, detached storage building, and twelve (12) parking spaces situated on 1.2 +/- acres of the larger Memphis Armory property since 2013. The lease expired in February 2026, and DOM seeks to enter a new lease with a valid term with CUSEC. The lease expired due to CUSEC not renewing the lease with 90 days' written notice. Waiver of appraisal is requested as the lease is for public purpose. Advertisement is not required since this is a government entity.

The leased space serves CUSEC's mission of detecting, tracking and researching earthquakes in the area. Additionally, a portion of the space is subleased to the U.S. Army Corp of Engineers (USACE) for storage and emergency parking.

Either party may terminate this lease for convenience at any time with 90 days written notice. Tenant is responsible for all operational and maintenance costs; and landlord can require Tenant to relocate.

This lease will not negatively impact the use of the remaining property.

Minutes: 05/26/2026 Approved disposal by lease with waiver of appraisal

DEPARTMENT OF ENVIRONMENT & CONSERVATION**Acquisition – Easement (Conservation)****Requested Action:** Approval of acquisition by easement**Transaction Description:** Transaction No. 25-02-017

- **Location:** Fort Negley
Davidson County- 1.90 +/- acres (3 tracts) – 607 Bass St., Nashville, TN
- **Owner:** American Battlefield Trust
- **Purchase Price:** Gift
- **Source of Funding:** 25/26 Historical Commission Op Funds (Wars Commission) (REM Fees) (A)

Comment: This transaction is a donation of a conservation easement in an effort to protect the parcels due to their historic significance to the Battle of Nashville and historic Fort Negley. This allows Fort Negley to serve as a protected historic site that preserves an important chapter of Tennessee and American history. Once the conservation easement is obtained, the site will be transferred to and managed by Metro Nashville Government through Metro Parks and Recreation.

The agency certifies that it does not anticipate making a request within the next 5 years for a budget adjustment or an appropriation in the budget to support uses on the land being acquired.

Minutes: 05/26/2026 Approved acquisition by easement

Comment: Per T.C.A. §67-4-409, this property is on the state lands acquisition priority list and has been approved for purchase by the Commissioner of Environment and Conservation, the Commissioner of Agriculture, and the Executive Director of Tennessee Wildlife Resources Agency.

The parcel is currently listed on the market and represents the last undeveloped lot along this section of Hobson Pike. The parcel will immediately function as a staging area for equipment, improving management capabilities along the northern section of the SNA. The property also offers potential for future development as a public access point, which could be accomplished within the agency's existing budget. The property consists of sensitive cedar glade-barrens habitat known to support associated rare plant communities, including a documented population of the state-listed Tennessee milkvetch (*Astragalus tennesseensis*) present on site.

Due to time sensitivity, this property will be acquired by a third party, TennGreen Land Conservancy, prior to this acquisition. The State intends will be able to use the due diligence materials obtained by TennGreen and will reimburse TennGreen for all due diligence costs, in accordance with 8.01.K of the SBC By-laws, Policy & Procedures.

The agency certifies that it does not anticipate making a request within the next 5 years for a budget adjustment or an appropriation in the budget to support uses on the land being acquired.

Comment: Per T.C.A. § 67-4-409, this property is on the state lands acquisition priority list and has been approved for purchase by the Commissioner of Environment and Conservation, the Commissioner of Agriculture, and the Executive Director of Tennessee Wildlife Resources Agency.

The William B. Clark Conservation area is The Nature Conservancy (TNC) owned property under the management of Tennessee State Natural Areas. TNC wishes to donate the property to the State, which provides greater security for longstanding State stewardship of a signature West Tennessee wetland. This unchanneled reach of the Wolf River meanders and sloughs toward the Mississippi River, which protects the increasingly rare cypress-water tupelo swamp and bottomland hardwood forest. The river and associated sloughs that run through this tract provide exceptional habitat for rare and endangered freshwater mussels and other aquatic life, while a 1,600-foot interpretive boardwalk offers low-impact public access and education without compromising the resource. This tract is located within close proximity to other TNC, TWRA, State Forests, and TDEC conservation lands. Accepting this donation is a cost-effective way to consolidate boundary integrity and connectivity along the Wolf River. The State currently holds a conservation easement on the property that can be extinguished with a written agreement.

The agency certifies that it does not anticipate making a request within the next 5 years for a budget adjustment or an appropriation in the budget to support uses on the land being acquired.

TENNESSEE WILDLIFE RESOURCES AGENCY**Acquisition – Fee (Purchase)****Requested Action:** Approval of revision of acquisition in fee**Transaction Description:** Transaction No. 25-01-012**Proposed Revision:**

- **Location:** High Cliff Unit of North Cumberland Wildlife Management Area (NCWMA)
Campbell County – 2,133.0 +/- acres – Pine Mountain Road, Caryville, TN

Original Approval:

- **Location:** High Cliff Unit of North Cumberland Wildlife Management Area (NCWMA)
Campbell County – 3,295.77 +/- acres (3 tracts) – Pine Mountain Road, Caryville, TN
- **Owner:** Robert O. Little, Trustee of the Robert and Renee Little Revocable Trust
- **Purchase Price:** Fair Market Value
- **Source of Funding:** 25/26 Wetlands Acquisition Fund (A) & Tennessee Heritage Conservation Trust Fund (O)

Comment: The original acquisition was comprised of three parcels and 3,295 acres. Two parcels have been removed due to issues identified during the due diligence process. The first was due to title issues. The second was due to an existing conservation easement that would limit the ability to manage and create wildlife habitat, and which was not disclosed during the initial discussions with the seller. TWRA believes this acquisition remains highly valuable for expanding wildlife habitat and improving public access.
