

Designer Recommendation

Project: DSCC Soccer Field Installation
Category: Minor
Total Budget: \$250,000
MACC: \$195,000
Designer Fee: \$16,485
SBC Project No: 166/017-02-2020
SBC/OSA Approval: 11/12/2020

Create a new soccer field at the Jimmy Naifeh Center in Covington.

1. McGehee Nicholson Burke Architects, P.C.

The Designer provided two field design projects that included soccer fields, site design, with grading and stormwater design. The design team is consistent, and the consultants have experience with similar work scope. The Designer is located in Memphis and can provide the necessary services required of the project. Two consultants are proposed.

Designer Recommendations

Project: DSCC Baseball/Softball Training Facility
 Category: Minor
 Total Budget: \$250,000
 MACC: \$190,000
 Designer Fee: \$16,106
 SBC Project No: 166/017-03-2020
 SBC/OSA Approval: 11/12/2020

Create a new indoor pitching and hitting facility for baseball and softball training programs on the DSCC main campus.

1. McGehee Nicholson Burke Architects, P.C.

All the listed projects were sports facilities housed in pre-engineered metal buildings, similar in scope to this project. One project was a baseball/softball training facility. The Designer has completed several projects for DSCC. The proposed team is qualified and worked on the listed projects together. Civil and MEP consultants are proposed.

2. Goodwyn Mills & Cawood, Inc.

Five projects were listed, all of which were athletic projects, including some baseball/softball work. Team includes an "athletic facility planner", and well-experienced engineering consultants. MEP and Structural consultants are proposed.

3. Hurst-Rosche, Inc.

This firm’s experience includes athletic projects and Higher Ed experience. The proposed team worked on most of the projects together. No consultants are proposed as all services will be provided in-house.
