

Designer Recommendations

Project: Alexander Hall Modular Classroom
East Tennessee State University
SBC# 369/005-01-2025

Category: Minor

Total Budget: \$500,000
Designer Fee: \$ 30,390

Project Approved: SBC January 27, 2025

Coordinate design and installation of a prefabricated modular structure with Qty. (2) new STEM classrooms just outside Alexander Hall. The modular will meet the need for the K-12 "University School's" programming by providing two additional classroom spaces.

1. **Cain Rash West Architects, Inc., P.C.**

Cain Rash West presents a strong project team with relevant experience working together on numerous projects of similar size/scope. Firm demonstrated good reference projects. This local firm is now well experienced working with the state and East Tennessee State University.
