Disposal – Fee

Requested Action: Approval of disposal in fee below fair market value

Transaction Description:
- **Location:** Pellissippi State Community College
- **Estimated Sale Price:** $1,800,000
- **Broker’s Commission:** 6% Transaction Fee ($108,000 - Oliver Smith Realty & Auction and Cornerstone Realty Associates, LLC)
- **Grantee:** Rudd Seeley Walls, LLC

Comment: The State has been actively trying to sell this property for several years. Market feedback indicates that the limited access to the property reduces its desirability to developers. The buyer who previously had the property under contract elected not to close on the acquisition. The Property Assessor’s Value has not been updated recently, and the current appraisal shows a reduction in value.

- **Date of Last Transfer:** June 5, 1990
- **Property Assessor’s Value:** $3,032,800
- **Original Cost to State:** $0 (Gift)
- **Square Footage Improvements:** 32,000

Previous Action:
- 03/23/2009 Approved transaction
- 09/24/2012 Approved local realty firm to sell property
- 06/24/2013 Approved disposal in fee below fair market value with waiver of one appraisal

Minutes: 12/21/2015 Approved disposal in fee below fair market value.
TENNESSEE BOARD OF REGENTS

Acquisition – Lease (Space)

Requested Action: Approval of a lease with waiver of advertisement

    Putnam County – 10 West Broad Street, Cookeville, TN
  - Landlord: Tennessee Technological University Foundation
  - Term: January 1, 2016 thru December 31, 2025
  - Area / Costs: 26,216 Square Feet
    - Annual Contract Rent: $314,592.00 @$12.00/sf
    - Estimated Annual Utility Cost: 40,000.00 @1.75/sf
    - Estimated Annual Janitorial Cost: 28,837.30 @1.10/sf
    - Total Annual Effective Cost: $383,429.30 @14.85/sf

- Source of Funding: Plant Funds (Non-Auxiliary)
- Procurement Method: Negotiated Lease Agreement for 10 years
- FRF Rate: $18.00/sq. ft. (for reference only)

Comment: The space will be used for the Information Technology Department (ITS), the Small Business Development Center (SBDC) and a new Conference Center that will be shared by the SBDC and the Continuing Education Department. The ground floor of this building previously served as the central data center for bank operations. Power, cooling, and data cable infrastructure are already in place, with a concrete vault with 6" thick steel reinforced walls that can withstand an F5 tornado. The central data center would be located in this vault allowing for better survivability of the production IT system in the event of a natural disaster. This information, along with the market survey, show that this was the only space that met those requirements making it special and unique.

Minutes: 12/21/2015 Approved a lease with waiver of advertisement.
TENNESSEE STATE MUSEUM

Disposal – Fee

Requested Action: Approval to dispose of property for less than Fair Market Value

Transaction Description:
- Location: Davidson County - 0.87+/-.0 acres – 305 Kent Rd., Nashville, TN
- Estimated Sale Price: $56,000
- Grantee: Alexandrea Honeycutt

Comment:
The McCampbell House property has been advertised twice. There were seven total bids. The agency would like to accept the highest bid received, which was below Fair Market Value. The property has been designated and placed on the National Register of Historic Places. The museum is requesting the property be sold pursuant to TCA § 4-13-1001 for the following reasons:

1) No public funds are being appropriated for maintenance or preservation of the property;
2) The state is not maintaining or preserving the property; and
3) The use of the property is not available to the general public

Proceeds from the sale will be deposited into the general fund, with recommendation to F&A budget for same amount, minus expenses, to be appropriated to the museum.

Date of Last Transfer: August 19, 2009
Previous Owner: William C. Baker
Original Cost to State: Gift
Square Footage Improvements: 3,717

Previous Action: 04/21/2014  Approved disposal in fee

Minutes: 12/21/2015  Lois Riggins-Ezzell, Executive Director for the Tennessee State Museum, presented the request. Peter Heimbach was asked to read, for the record, the following statement from Patrick McIntyre, Executive Director of the Tennessee Historical Commission, who was unable to be in attendance:

“The Tennessee Historical Commission (THC) supports the sale of the McCampbell House to Alexandrea Honeycutt. Under the terms of TCA 4-11-111(a) consultation occurred between the THC and STREAM in December, 2015. THC recommended a covenant to protect the significant architectural features and to ensure the house retains its National Register status. STREAM and the SBC staff recommendation is not to covenant the building. As one of the earliest remaining homes in Davidson County, the McCampbell House is, in many respects, a museum-quality property. Ms. Honeycutt has stated that she is willing to work with our office regarding the historic interior features of the building. THC believes that it is in the best interest of all parties to work together to facilitate the long-term protection of the McCampbell House. In that spirit we look forward to working with her, should her bid be accepted.”

Comptroller Wilson stated that Representative Jernigan was present and supported the sale. A motion was made and carried to approve disposal of the property for less than fair market value.

Comment:

The lease is to provide office space for the Office of Attorney General, Alcoholic Beverage Commission and the Human Rights Commission moving out of CSOB which is now transferred to University of Tennessee. Square footage increased due to the application of current State space standard. The rental rate increased because the State went from state owned space where the FRF rate applied to a private space where the market rate applies.

This lease contains the right to terminate with the payment of the termination fee for the following two reasons: (1) Termination or consolidation of Tenant’s operations or programs housed in the leased premises because of loss of funding by the appropriate Legislative Body; and (2) Lack of funding by the appropriate Legislative Body for obligations required of Tenant under this Lease. The termination fee is equal to the unamortized costs for the Tenant Improvements and other associated fees.
