- 1) Commissioner Gayle Ray presented a request for approval of a grant in the amount of \$1,500,000.00 to the Town of Spring City for the Bledsoe County Correctional Complex project in Pikeville, Tennessee. She said that their Department is negotiating long term rates that should recoup the State's \$1.5 million investment. Comptroller Wilson said he understood that the grant will refer to an operating agreement, and that the operating agreement has not been negotiated. Greg Steck, Real Property Administration, responded that the contract has been negotiated, but still needs the approval of the Spring City Board. Secretary Hargett asked about the number of water taps, saying that they can be pretty competitive and he wanted to make sure the right criteria was set. Mr. Steck responded that the Department of Correction will have the opportunity to review all tap requests. Commissioner Goetz asked if this will affect Taft Youth Center and Fall Creek Falls State Park. Mr. Steck replied that, once they come off the Taft water treatment plant, the water will then be available to other users in the Upper Cumberland region and to Fall Creek Falls. Commissioner Goetz made a motion to approve the grant, contingent upon the Town of Spring City's approval. His motion was seconded, and passed without objection.
