

Tennessee High Performance Building Requirements (TN HPBr) Summary of Changes

December 12, 2015 (v1.01) to May 18, 2018

Checklist Workbook:

- Summary and Metrics tabs added to facilitate OSA reporting of the HPBr's impact on the State of Tennessee's building portfolio. Reference tab provides assumptions and background information.
- Checklist tab includes a Compliance Check feature
- Added Helpful Hints to Checklist tab to improve usability
- Added Filter function to Credit Verification tab, allowing users to more quickly identify their respective credits
- Added functionality to One-Time Completion Form such that space for signatures only appears for the required parties based on the Applicable Credits indicated.
