

# **2019 Annual Report**

## **Tennessee Residence Commission**

### **Background and History**

The Tennessee Residence Commission was established by law on June 8, 2010, and consists of six ex-officio members and four private citizens. In that same year, the Commission approved both a plenary master plan for adaptive restoration and preservation of the Tennessee Residence, and the Policies for the Tennessee Residence. These policies govern any maintenance, repairs, improvements, or alterations to the residence, appurtenant buildings(including Conservation Hall), and grounds, including furniture, fixtures, artwork, and finishes. Rules, within the Policy, were approved to govern the use of the Tennessee Residence for any nongovernmental activities.

The Commission has met formally five times since its inception in 2010.

### **Calendar Year 2019**

The Commission did not meet in 2019.

The Lee family moved in to the Residence as our state's new First Family.

An erosion control study was conducted on the property to address remedies and cost estimates to control storm water run-off and erosion.

### **Anticipated Activities for Calendar Year 2020**

Installation of a more effective lightning protection system and surge protection to mitigate loss of security system components and security down times.
