
Licensure Renewal Transition Policy 5.202

The Background:

During the comprehensive policy audit and revision process, the staff of the Department of Education and the State Board identified the License Renewal Transition policy as obsolete. The policy's language states it expired on August 1, 2015. In addition, the provisions for educator licensure renewal are outlined in the State Board's Educator Licensure rule 0520-02-03. As such, the policy is recommended for repeal. Repeal of this policy will help ensure State Board policies are current and relevant for LEAs.

There have been no changes since first reading.

The Fiscal Analysis Impact:

T.C.A. § 49-1-212 requires that the Department prepare a fiscal analysis of any policy, rule or regulation proposed to the State Board of Education. This item has no financial impact on an LEA.

The Recommendation:

The Department of Education recommends adoption of this item on final reading. The SBE staff concurs with this recommendation.
