
Charter Schools - Enrollment, Rule 0520-14-01-.04

The Background:

On May 5, 2017, Governor Haslam signed P.C. 307 into law to establish the *High-Quality Charter Schools Act*. Part of the legislation includes updating T.C.A. § 49-13-113 to clarify the charter school enrollment process. This item changes “gender” to “sex” in reference to single-sex schools at the request of the Joint Government Operation Committee, as sex is defined in law and gender is not.

The Recommendation:

The SBE staff recommends adoption of this item on final reading.
