## How to Read this Report

successfully prepare Tennessee educators. This is calculated using the percentage of points earned across all metrics. Category 1 represents the lowest performance, and Category 4 represents the highest performance.

The 2017 Teacher Preparation Report Card will include data on three cohorts of completers (2013-14, 2014-15, and 2015-16). Performance on each metric is displayed in the format shown in the graphic below.

- ① Scores in this range are below the scored range and earn an EPP no points.
- ② This is the scored range. Scores in this range earn an EPP partial points proportionate to their score.
- ③ This range is above the target score. Values in this range earn an EPP maximum points.

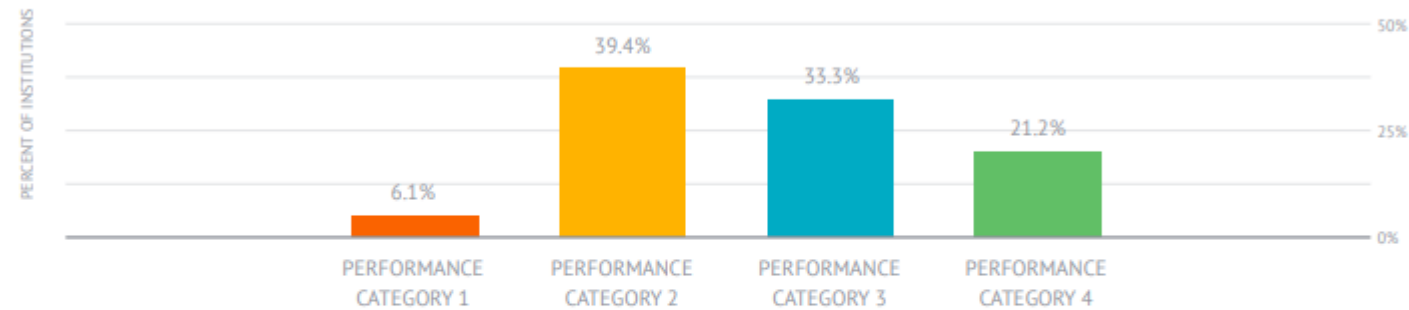

# EPP DISTRIBUTION BY OVERALL PERFORMANCE CATEGORY

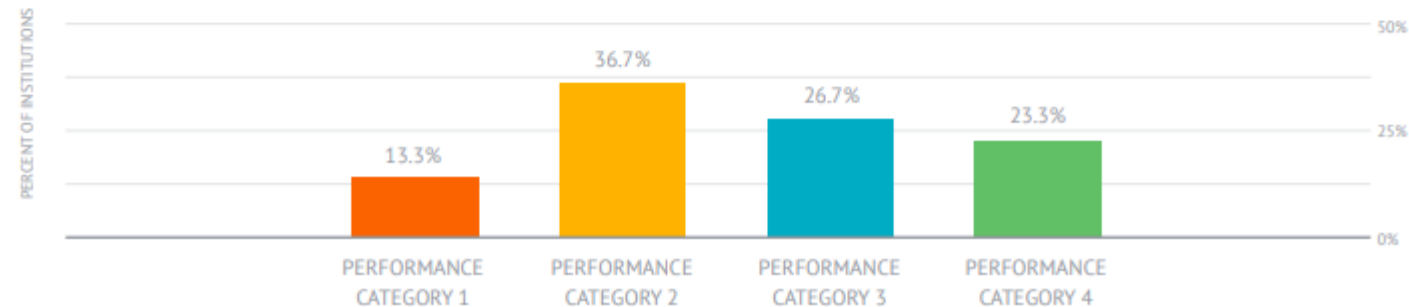

## OVERALL PERCENTAGE OF PROVIDERS PER PERFORMANCE CATEGORY

In 2017, 33 providers received a scored report card. Seven providers achieved a score that placed them in Category 4, the top performance category. Eleven providers placed in Category 3, while thirteen providers achieved scores that corresponded to Category 2 performance. Two providers placed in Category 1.
