

TENNESSEE STATE BOARD OF EDUCATION	
MISSION STATEMENT AND VISION	1.000

The State Board of Education (Board) is charged in statute with developing and maintaining a current master plan to set goals, guide policy decisions, and ensure oversight of Tennessee public education, grades K-12.¹ The Board's master plan also includes the Board's mission statement and vision. The master plan is regularly updated and posted on the Board's website for public review. The Board's guiding principles through every master plan are to serve all students and act with transparency.
