NOTES:

1. Figures represent minimum salary requirements. Local education agencies (LEAs) should provide additional compensation increases to the base salary for factors including aiding in staffing hard-to-staff subject areas and schools and in hiring and retaining highly effective teachers [Tenn. Code Ann. § 49-3-306(h)]. In addition, LEAs may provide additional increases for years of experience and educational attainment.
2. The adoption of the state salary schedule shall not result in a reduction of pay by an LEA for any teacher employed by the LEA at the time of the schedule's adoption [Tenn. Code Ann. § 49-3-306(a)(1)]. Therefore, the minimum salary required for such personnel may be greater than the figures noted above.
