
Data Review Policy 2.600

The Background:

Public Chapter 715 of the Public Acts of 2018 requires the Department of Education to develop, and the State Board of Education to adopt, a policy establishing a review period for local education agencies (LEAs) to review and verify accountability data files and determinations before data files and determinations are released publicly by the Department. This item proposes the creation of a new Data Review Policy to meet the requirements of the new law.

Since first reading, edits have been made to streamline and clarify the review process.

The Fiscal Analysis Impact:

T.C.A. § 49-1-212 requires that the Department prepare a fiscal analysis of any policy, rule, or regulation proposed to the State Board of Education. This item has no financial impact on an LEA.

The Recommendation:

The Department of Education recommends approval of this item on final reading. The SBE staff concurs with this recommendation.
