

Nashville Collegiate Prep Charter School Appeal

The Background:

Nashville Collegiate Prep submitted an initial charter application to Metropolitan Nashville Public Schools on March 28, 2019. After reviewing the initial application, the Metropolitan Nashville Public Schools Board of Education voted to deny the charter proposal at the regularly scheduled board meeting held on June 25, 2019.

On July 17, 2019, the sponsors of Nashville Collegiate Prep submitted an amended application to address the deficiencies cited in the initial application. At the September 24, 2019 meeting of Metropolitan Nashville Public Schools Board of Education, the board voted to deny the amended application.

On October 4, 2019, the sponsors of the Nashville Collegiate Prep charter application appealed to the State Board of Education. The State Board of Education Charter Application Review Committee (Review Committee) conducted a de novo on the record review of the amended application and held a capacity interview with the applicant on October 30, 2019. A public hearing was held on November 6, 2019 at the Cordell Hull Building in Nashville.

The Executive Director's recommendation is based on the review of the record, information presented at the public hearing, the public comment received, and the recommendation of the Review Committee on this appeal.
