- 1. Purpose**

T.C.A § 49-13-111(q) requires the governing body of a charter school to conduct at least one (1) annual board training course, and the training course shall be certified by the Tennessee Charter School Center (TCSC) and approved by the State Board.

State Board rule 0520-14-01-.07 outlines the information to be collected by the TCSC for use in reviewing courses for certification and subsequent recommendation for approval to the State Board. Additionally, the rule outlines the required number of annual training hours for new and experienced governing body members.

This policy lists the training courses that are currently certified by the TCSC, approved by the State Board, and available for use by charter school governing bodies to meet the training requirements under T.C.A. § 49-13-111(q).

- 2. Approved Charter School Governing Body Training Courses**

The following are training courses are certified by the TCSC and approved by the State Board.

[The approved training courses will be added to this section on final reading.]
