

Middle Grades Policy 2.102

The Background:

Middle Grades Policy 2.102 is designed to strengthen the supports provided to middle grades students as they prepare for high school and postsecondary opportunities.

This item proposes updates to the policy to clarify requirements for the four (4)-year plan of focused and purposeful high school study and align with the High School Policy 2.103. This item also adds language related to career and technical education coursework and industry credential attainment in the middle grades.

There have been no changes between first and final reading.

The Fiscal Analysis Impact:

T.C.A. § 49-1-212 requires that the Department prepare a fiscal analysis of any policy, rule, or regulation proposed to the State Board of Education. This item has no financial impact on an LEA.

Policy Justification:

T.C.A. § 4-5-230 requires that justification for adopting an item as a policy instead of a rule be submitted to the chair of the Government Operations Committee. This item is proposed to be adopted as a policy because it defines or explains the meaning of a statute or rule and/or concerns only the internal management of state government that does not affect private rights or privileges.

The Recommendation:

The Department of Education recommends approval of this item on final reading. The SBE staff concurs with this recommendation.
