**Charter School Governing Body Training Policy 6.112**

---

**The Background:**

Statutory language under T.C.A. § 49-13-111(q) states that any training course used by charter school governing boards to meet the annual training requirements must be certified by the Tennessee Charter School Center (TCSC) and approved by the State Board of Education.

This policy is updated annually to include the current list of certified and approved training courses for 2021-22 that charter school governing body members can complete to meet the annual training requirement outlined State Board Rule 0520-14-01-.07. The TCSC reviewed proposed courses and certified them for approval by the State Board.

**Policy Justification:**

T.C.A. § 4-5-230 requires that justification for adopting an item as a policy instead of a rule be submitted to the chair of the Government Operations Committee. This item is proposed to be adopted as a policy because it defines or explains the meaning of a statute or rule and/or concerns only the internal management of state government that does not affect private rights or privileges.

**The Recommendation:**

The SBE staff recommends acceptance of this item on first reading.
