
Day in the District: Tipton County

The Background:

The State Board seeks to engage with education stakeholders across Tennessee and plans several Day in the District events for its members to attend. On these days, State Board members have the opportunity to spend time in one of their local districts, meeting with and learning from district and community leaders, community partners, principals, educators, and students.

On October 5, 2022, Mr. Darrell Cobbins attended a Day in the District in Tipton County and spent time engaging with Director of Schools, Dr. John Combs, TCAT Northwest President, Dr. Youlanda Jones, Dyersburg State Community College Vice President, Amy Johnson, Senator Paul Rose, Representative Debra Moody, school and district leadership, and the staff and students at Atoka Elementary and Covington High School.

Mr. Cobbins will provide an oral report on the day.
