

State Identified 2021-22 Priority/CSI Schools

Priority schools are the consistently low performing schools based on multiple years of TCAP assessment data (bottom 5%) or have less than 67% graduation rate during the most recent school year. Priority schools/Comprehensive Support and Improvement (CSI) Schools are eligible for additional federal funding and are supported by the Department in developing an evidence-based school improvement plan. Priority/CSI schools identified in 2021-22 will receive the designation for 1 year and can exit the designation in 2022-23 by meeting exit criteria (see the [2021- 22 Accountability Protocol](#) for more information).
