---

**The Background:**

Pursuant to T.C.A. § 49-13-145, the State Board is charged with ensuring the effective operation of authorizers in the state and shall evaluate authorizer quality. The State Board conducts periodic evaluations of authorizers to determine compliance with state law, State Board rules, and State Board Policy 6.111 – Quality Charter Authorizing Standards. An authorizer’s failure to remedy non-compliance may result in the reduction of the authorizer fee.

Upon completion of the State Board’s first full evaluation cycle, State Board staff reviewed this rule to determine necessary changes to further streamline the evaluation process.

A rulemaking hearing was held on April 11, 2023 and no public comments were submitted.
