
Charter School Governing Body Training Approval Rule 0520-14-01-.07

The Background:

Pursuant to Public Chapter 92 of 2023, T.C.A. § 49-13-111(o) was amended to remove the requirement for charter school governing body training courses to be certified by the Tennessee Charter School Center (TCSC) and submitted to the State Board for approval.

As a result of this amendment, this rule is updated to remove the TCSC from this process. Additionally, this rule is updated to further align the approval process for charter school governing body training courses with the State Board's approval process for local school board trainings courses.

A rulemaking hearing will be held by State Board staff to collect public feedback prior to final reading of the rule.

Connection to the [Master Plan](#):

This item supports the State Board's strategic focus on Engagement and Accountability outlined in the Master Plan by ensuring the process for approving training courses for governing body members is in compliance with recently-passed legislation.

The Recommendation:

State Board staff recommends acceptance of this item on first reading.
